The *Editor's* column

by STUART R. PADDOCK

This week's "Way Back When" reprints in part an editorial written by the late H. C. Paddock. It contains strong words about the village administration of that day—stronger words than we would dare print today.

It is an example of red hot village politics of 1906 or shall we say, the bravery of a crusading editor. If we remember rightly, the editor was given the choice of either apologizing in a succeeding issue or face criminal libel. He apologized.

His attack against the powers that be, could be a historic document. Some of the paragraphs in the original editorial are omitted although all persons named have passed on.

•

It may not be legal according to the statute books, but Palatine is still doing it—collecting $300 per home for its schools. Palatine has gone one step further.

A permit was issued Monday night for a 5-apartment building. The builder will pay into the school fund $300 per apartment.

The developers do not enjoy doing it, but it is only on that basis that the mayor can be "easily" found to sign the permits.

•

Editors make mistakes as well as others. We pulled one last week when we favored the plan for a metropolitan sanitary district.

Basically, it sounds good, but we now learn that the villages of Arlington Heights and Palatine would be the "fall guys."

A sharp village attorney went down to the legislature last year and secured the exemption of a number of villages in the south portion of Cook county from the provisions of the law that provides for the establishment of the district.

Arlington Heights and Palatine are the only two municipalities included in the boundaries of the proposed district which have their sewage treatment plants. They have huge amounts invested and face retirement of large bond issues. Their residents would be faced with double taxation.

We will drop our opposition if the sanitary district agrees to pay the outstanding sewer bonds of Arlington and Palatine.

•

Rather strong influences are being exerted to secure an increase in the number of package liquor stores in Arlington Heights. We hope the members of the village board will be able to withstand the "pressure."

Any increase in liquor purchasing places in Arlington Heights is not favored by the man about town. Just because the builder of a new business block has visions of a high rental is no reason why the village board should help him secure such a tenant.

As a good suburban community, Arlington should cut down on the number of licenses, not increase them. The city of Elgin has only two package stores; Des Plaines has only four.

Two Arlington taverns and one package liquore store are for sale.

•

With the installation of 24-hour radio service, Palatine police department is severing its telephone connection with the Arlington department.

"Talking over the air is $21 cheaper per month than using the phone," explained Trustee Dickover, as he asked the board to officially cancel the phone service.

•

What is fair in business is fair in politics thought supporters of Sherman Canty in Wheeling township.

They made up a prize pot for the 3 precincts which turned in the greater number of votes for Sherman.

No, they were not buying votes. They were rewarding the precinct captain who worked the hardest.

The winner was precinct 18 which turned in 240 votes for Canty.

•

Palatine village board members acted as a trial jury Monday night. Prosecutors were the police magistrate and justice of the peace who handle speeding cases. The prosecuting witnesses were a number of Inverness residents who had received tickets for speeding in a non-residential zone.

Defendants were members of the police department who issued the tickets. Witnesses for the defense were residents near the patrolled area.

The trial lasted 80 minutes, after which the jury issued a verdict of "not guilty." Instead they found they, themselves, were the guilty ones.

The speed limit signs will be changed. That is what we call the wisdom of a Solomon.

It is not always an autoist who is in too big a hurry to wait for the railroad gates to raise. Mrs. Elsa Swartz of Barrington went around the gates at the Brockway st. crossing, Palatine, last Friday. She was gently bumped by a locomotive and received few injuries.

•

We just could not find it on the police blotter of the Arlington Heights police department but that does not mean that it did not happen, was the explanation given when we asked our reporter for details about the arrest of a Rolling Meadows man for helping himself to several boards of lumber at an Arlington Heights building project.

If the police want to keep it secret it is all ok with us. Besides the man had his wife with him and we would not want him to say, "My wife asked me to do it."

High School Board Election Is Saturday

Voters in Arlington high school district will make a second trip to the polls this week to select 2 members for the district board of education.

In a special election Saturday, the 2 vacancies are being sought by 2 present members of the board, George H. Sheppard, Prospect Heights, board president, and William H. Spomer, Arlington Heights. There are no other candidates.

Sheppard has been a board member since 1947 and formerly was on the Prospect Heights grade school board of education. He has been active in community affairs since moving to Prospect Heights 16 years ago. He is research director at the DoAll co., Des Plaines.

* * *

SPOMER WAS appointed to the board to fill a spot left vacant when a member moved out of the district. He previously was on the Arlington Heights park board and is active in Little League affairs.

These are the polling places for the election:

(Precinct)

1—Wheeling grade school.
2—Ridge school, Arlington Hts.
3—North school, Arlington Hts.
4—New South school, Arlington Heights.
5—Dryden school, Arlington Hts.
6—Prospect Heights grade school
7—Central school, Mt. Prospect.
8—Lincoln school, Mt. Prospect.
9—Elk Grove grade school.
10—Kimball Hill school, Rolling Meadows.

Paper Pickup Is Saturday, 9 A. M.

Arlington Heights boy scouts' bimonthly scrap paper pickup north of Northwest hwy. is Saturday.

The drive, to start at 9 a.m., will net an anticipated 30 tons of paper and magazines due to spring house cleaning. Home owners were urged to securely tie or box bundles and place them on the curb early in the day.

Special handling can be arranged by phoning CL 3-9131 before 9 a.m. Saturday. Bundles may also be brought to North school grounds until noon Saturday.

Free X-Rays

Free chest X-rays will be offered residents 15 years old and over, Thursday, April 19 when a mobile unit is parked at Arlington Heights village hall, 101 W. Davis st.

X-ray hours are noon to 6 p.m.

The service is being provided by the Suburban Cook County Tuberculosis Sanitarium district in cooperation with the Christmas Seal-sponsored Tuberculosis Institute of Chicago and Cook county and municipal health departments.

Missing Youth Returns From Brief 'Vacation'

Phillip L. Knoeppel, 21, son of a former superintendent of Arlington high school, returned to the campus of Indiana university Tuesday evening, ending a nation-wide police hunt since his disappearance Wednesday.

The youth, a senior in education on the Bloomington campus, is the son of LeRoy J. Knoeppel, high school superintendent here from 1946 to 1954. The father is now head of Proviso Township high school, and the family lives in Forest Park.

* * *

THE FATHER said that the explanation provided by Phillip was that he "wanted to get away for a few days" and so had driven off to Tennessee without taking clothes or luggage. The son also told his father that he had not been stopped by police although an extensive manhunt was on for him.

The younger Knoeppel is a 1952 graduate of Arlington high school.

Borings For Bell Building

Engineers made test borings of the earth Thursday on land where a 2-story accounting office building will be erected by Illinois Bell Telephone company.

Workers from the Raymond Concrete Pile company took samples of the soil from which the architects will be able to determine the size of the foundation needed to support the structure.

* * *

USING A 2-INCH sampling pipe attached to a big truck, the samples were taken from several locations on the lots on Sigwalt st. Samples were obtained at various soil stratas until a hard clay condition was located.

The testers also reported any other findings such as water.

Construction will be started this summer.

The property, recently rezoned by the village to permit construction of the building, fronts on Sigwalt between Vail and Highland.

When opened for operation next year, the office will employ about 180 persons who will process and mail bills to telephone subscribers in the northwest suburban area.

Here's Cancer Fund Goal For Two Villages

Arlington Heights and Mt. Prospect will conduct house-to-house canvasses for funds during the April crusade of the American Cancer Society, according to George A. Glow, 604 S. Belmont, Arlington Heights, campaign chairman for the society's Northwest Suburban Chapter.

Authorized volunteers of the society who live in these towns will knock on doors during the month to collect the chapter's $19,214 goal for the society's 3-pronged program for research, education and service.

"This corps of Cancer Crusaders," Glow pointed out, "are also equipped with campaign kits containing literature of the ACS."

Volunteers will not only seek to go 'over-the-goal' for our Chapter, but will distribute pamphlets that will tell the life-saving facts about cancer — how to recognize the 7 danger signals and the importance of early detection and prompt and proper diagnonis and treatment, he said.

"Spreading the Society's literature to our residents is a life-saving mission. Approximately 80,000 cancer patients in the U.S., some in our own communities, who might have been saved, died last year because treatment was begun too late.

"Cancer is everybody's business and I urge everyone in the northwest suburbs to do their part when the neighborhood volunteer makes his annual appeal for funds," Glow said.

Mrs. Milton Singelman, 917 N. Princeton, Arlington Heights, campaign chairman for that area will conduct a house-to-house canvass throughout April. She has appointed captains to assist in the drive.

* * *

ARLINGTON HEIGHTS captains will be:

Mesdames L. J. Bach, 401 E. Euclid; Albert Beese, 120 S. Walnut; Harry J. Bierma, 15 E. Willow; Robert C. Buecher, 1012 N. Fernandez; N. Burfiend, 1130 N. Harvard; Robert W. Carter, 1002 N. Beverly; John Clark, 921 N. Princeton, and Mr. Walter Corda, 923 N. Kaspar.

Also the Mesdames Walter Daube, 916 N. Chestnut; H. E. Deckert, 940 N. Vail; J. L. Drake, 820 N. Dunton; E. J. Dresmal, 1106 W. Wing; Barney Erickson, 911 N. Dunton; Mr. J. Fenner, 510 S. Pine; the Mesdames Karl E. Goodman, 642 E. Clarendon; E. J. Gresber, 824 N. Mitchell; Irving M. Grotefend, 706 N. Dryden; E. H. Hansen, 939 N. Highland; Vernon Heinz, 221 S. Highland; James B. Henderson, 140 Wilshire; Tom H. Hildebrand, 527 Mayfair; F. Jasper, 717 N. Chestnut; and E. A. Jaster, 208 W. St. James and Mr. William Lane, 115 S. Pine. Also Mesdames Charles A. Law, 1021 N. Chicago; B. L. Lerch, 416 N. Lincoln lane; H. C. Lips, 711 N. Evergreen; and I. L. McDougall, 433 S. Vail;

Also Mrs. Clarence T. McKaig, 1016 N. Chestnut; and the Mesdames William McMahon, 888 Bristol; W. J. McNeil, 730 S. Beverly; A. Meyer, 621 S. Evergreen; George Moudry, 205 W. Euclid; Robert J. Muench, 102 S. Dunton; Harold E. Nebel, 221 S. Walnut; Evan E. Olmstead, 915 E. Euclid; Roy L. Palmer, 820 N. Yale; Dale M. Phillips, 204 W. Fremont; Frank N. Precillo, Jr., 739 S. Dunton; Mr. John Randag, 623 N. Highland; J. R. Sahlin, 1129 N. Beverly; Forrest A. Terry, 732 N. Patton; W. F. Townley, 419 S. Vail; J. York, 415 N. Yale; Fred Walters, 415 E. St. James; J. D. Yates, 903 N. Vail, and Mr. C. H. Wilson, 314 S. State street.

Garbage Price Increase Certain, Says Contractor

Mt. Prospect and Prospect Heights have accepted once a week pick-up service in garbage collection in place of two.

The collection fee has been cut from $2.50 a month to $2.35. No change in price has been announced in Palatine.

Arlington Heights has an ordinance on the way that requires twice a week service, which due to increased labor costs, the contractors say will mean an increase in the collection fee.

The ordinance leaves the billing and collection up to the low franchise bidder who will not be allowed to raise his rates without approval of the village board. Closed vehicles are required by the proposed ordinance.

* * *

THE VILLAGE board hopes that the offer of an exclusive contract will bring down the rate. The contractors have little to say about the ordinance, but Laseke Disposal co. has this comment: "We are not particularly concerned about a contract or franchise with the village of Arlington Heights. What is more important is the type of service we will furnish to the people of Arlington Heights.

"We believe that most Arlington Heights people want pick up service twice a week and that they also want their garbage picked up at the rear door of their home rather than curb service. We propose to continue with either type service.

"Because of the newly executed union contract, wages have increased almost 50 per cent and the fee will have to be raised regardless of what action the village takes.

* * *

"IT DOES SEEM rather obvious that one contractor could give more economical service if he had a contract or franchise with the village, since this would eliminate two contractors traveling over the same streets dividing the business. If a contract or franchise is desired by the village board we will certainly submit a proposal for consideration.

"We cannot consider merging with or buying out the other garbage contractor until we know definitely what the village is going to do with the ordinance now being considered."

Lions Broom Sale To Help The Blind

Arlington Heights Lions club members launch their annual 2-day broom sale to aid the blind Friday, Apr. 20.

Proceeds of the fund-raising sale will go to help such local blind institutions as the Braille class in Wheeling school.

Brooms, rubber mats and whisk brooms will be sold by Lion members "to help the blind help themselves."

Call Recess In Trial Of Death Motorist

Police Magistrate Carl M. Behrens called a recess in the trial of Mathew J. Dalton, 36, of rte. 1, Bensenville, on a charge of illegally passing at an intersection.

Trial was Thursday morning in Arlington Heights village hall.

Magistrate Behrens called the recess shortly after the trial had begun in order that the prosecution could summon witnesses. Two state policemen who testified Thursday said that they did not see the alleged violation.

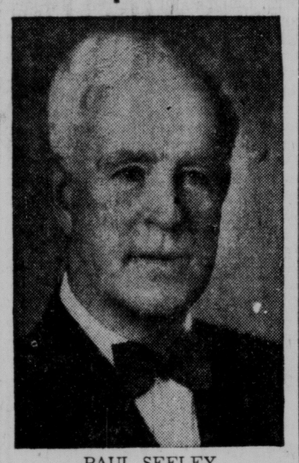
* * *

DALTON'S car struck an auto driven by Mrs. Loretta M. Orgler, of 733 N. Beverly, Arlington Heights, as her car was crossing Higgins rd. at State rd. about 5 p.m. March 27. A passenger in the Orgler car, Janice Rolfs, 13, of 204 N. Belmont, Arlington Heights, was thrown from the car and fatally injured and 3 other passengers injured.

A lawyer for Dalton protested the postponement and said that he would appeal the magistrate's decision. No date was set for resumption of the trial.

On a manslaughter count against Dalton, Magistrate Behrens held up action until April 26. The Cook county grand jury must also consider this charge and Behrens said the grand jury would act before April 26.

Church Leader On U.S. Tour Here April 19



PAUL SEELEY

A nationally known Christian Science lecturer will speak in Arlington Heights April 19 at 8 p.m. in First Church of Christ Scientist, 401 S. Evergreen st.

He is Paul Stark Seeley of Portland, Ore., member of the Christian Science Board of Lectureship and currently on a nationwide lecture tour.

His topic is "Christian Science: The Truth That Frees."

Seeley has been prominent in the Christian Science movement for many years and has traveled throughout the world.

* * *

IN 1944 he was President of The Mother Church and for 6 years served as associate editor of the Christian Science religious periodicals. He is a graduate of Princeton and Harvard university law school and spent some years with an engineering firm before resigning to devote full time to church work. He's a member of New York and Oregon bar associations.

The public is invited to attend without charge.

Final Draft On Garbage Ordinance Next Tuesday

After a discussion of over an hour April 3, Arlington Heights village board authorized a final drafting of the garbage ordinance which provides for a franchise to be given to one contracting firm. Bids will be taken from interested firms.

The first reading of the revised ordinance will be made April 17. Garbage ordinance will be limited to 40 gallons. They must be picked up at the back door, 2 collections a week.

Other actions of the board included:

Paving of Gibbons ave. referred to the board of local improvements.

The request for sidewalks at curb by owners of property in the 1000 block on North Evergreen st. was referred to the street committee.

The board approved Craig's subdivision located between Patton and Kennicott; Sigwalt to George st.

Chamber of Commerce offered its readiness and willingness to back up the proposed street widening program.

Appointment of Matthew L. Cockrell, 905 E. Euclid to represent the village in the mosquito abatement program was approved.

Mayor Goedke appointed Edward C. Wahl Jr. as a member of the plan commission.

The board adjourned at 1:20 a.m.

Dawn Blaze Guts Tavern, $10,000 Ruin

A fire that burned for perhaps an hour before it was discovered at 3:15 a.m. Sunday caused an estimated $10,000 damage at Cor-del's inn, 900 W. Northwest hwy., Arlington Heights.

* * *

SMOKE pouring from the building was seen by a passerby about an hour after the last employee left the building, the fire department said. The blaze was quickly brought under control and was extinguished within 30 minutes, according to Asst. Fire Chief Marvin H. Rodewald.

The fire apparently started outside a basement storeroom near the front of the building, he said. It burned a hole 10 feet by 15 feet in the dining room and scorched the ceiling of the dining room. Chairs and tables tumbled through the hole into the basement and it was feared that the entire floor would collapse from the weight of the bar and juke box. Other parts of the building suffered from smoke and water damage.

* * *

MRS. DELBERT D. Dornan, 30 S. Mitchell, Arlington Heights, who with her husband operates the restaurant, said that food and other goods stored in the basement would probably be a total loss. The couple leases the building from owner Ben Rosenquist of Troy Center, Wis.

Fire fighters donned gas masks to enter the front door and chopped a hole in the dining room floor to get at the basement blaze. Spin nozzles were lowered into the hole to spray the entire basement until fireman could gain access through trapdoors.

Friday night firemen answered a call at 207 N. Evergreen where they quelled a roof fire in a garage.

Three Youths Hurt In Crash

Three Arlington Heights youths were injured early Sunday when their car went out of control, ran off the road and turned end over end midway between Wauconda and Fox Lake on U. S. highway 12.

* * *

THE ACCIDENT occurred at 4:20 a.m. Sunday, according to Elgin state police who received the call. They said the car left the road a half mile north of the junction of highways 12 and 120. The car, a 1954 hardtop, was demolished, police said.

Driver and owner of the car was James N. Intravartolo, 23, of 208 W. St. James st. He is employed on a street crew by a gas company. His aunt, Mrs. Edward Jaster, also of 208 W. St. James st., said Tuesday that he was still in a state of shock Monday night. A head wound required several stitches but X-rays showed no broken bones.

ALSO IN Woodstock hospital are Donald Clark, 21, of 9 E. Hawthorne, a gas station attendant, bruises, and Clarence Getz, 23, George st., a tool and die maker. All the young men were thrown from the car.

Intravartolo was charged by state police with speeding.

Fines Speeders

Speeding violations lead the field in fines collected last week by Rolling Meadows police magistrate Charles McCormick.

At police court on Wednesday night there were 3 speeding arrests and fines totaling $26 plus court costs. Stop sign violations accounted for 2 cases in the court for a total of $13 in fines plus costs. In addition there were 2 headlight violations costing the offenders a total of $8 plus costs.

There was a case of overnight parking fined by the court. This was $3 plus costs. Overnight parking tickets are issued for parking on the street between 2 and 6 a.m. consistently when space is available in the driveway.

Rolling Meadows Leads Area Voting With 50% Turnout

Jackson Boughner defeated Charles J. Walters for the senatorial nomination in the 3rd senatorial district by nearly 400 votes.

Sherman Canty, Elk Grove favorite son, who had the 1st place position on the voting machines and ballot showed surprising strength carrying the entire west end of the 6th representative district, where his lead was sufficient to overcome Arthur Simmons of Niles township who had a 9,000 lead over both Carroll and Canty in that township.

William J. Carroll, the high man in the legislature race whipped Cullon of that township over 2 to 1.

The early returns indicated a close race between Canty and Simmons, but as the last precincts were reported Canty as the winner by nearly 400 votes.

Damisch, young man from Northfield township made an active personal campaign throughout the entire district. He was the top man in Northfield township. He dropped to 4th place in Maine and 3 of the other townships.

Walters carried 10 precincts in the 3rd senatorial district and Boughner only carried 5 but occupying the second position in nearly all of the districts made Boughner become a winner by 400 votes.

Jack Wilcox, candidate for the legislature only lacked 6 votes from being second in his home township, Palatine.

* * *

CARPENTIER, candidate for secretary of state was an easy winner in northwest Cook county and the state. Governor Stratton walked away with votes for the governorship nomination.

Lack of interest on the part of Democrat organizations throughout the district hampered the compilation of definite election figures for that party. In some of the precincts only a mere handful of Democrats went to the polls. There was no contest in the 4th senatorial district. In the 3rd, precincts in Wheeling township Stavros polled heavy votes, but he was overshadowed by T. J. Halpin throughout the district.

* * *

RESULTS in the Republican contests appear elsewhere in this section.

Rolling Meadows gave John Doyle, village president, a majority over all other candidates for state senator. He received 367 in his home city of his township total of 401. Boughner received 223 in Rolling Meadows.

There were 593 Democratic votes in Palatine township of which 231 were cast in the three precincts of Rolling Meadows.

Fire, Remorse Melt Resolve Of AWOL GI

An AWOL GI who had lived and worked in Arlington Heights for the past 3 months decided to turn himself in to the police Sunday.

He was burned out of his job early Sunday morning and apparently the combination of this bit of bad luck and an aching conscience convinced him that things could be no worse in the army—even in a stockade.

* * *

THE YOUTH went under the name of Jimmy Lawton while living in Arlington Heights. He worked as a porter at Cor-Del's inn, gutted by fire early Sunday morning.

The landlady at a rooming house at 302 W. Campbell where Lawton lived said that he left Sunday without taking any clothes or personal effects.

He reported to village police and was later taken to Ft. Sheridan, where he was turned over to military authorities. A spokesman at the fort public information office said Tuesday that the man had already been sent to Ft. Jackson, S. C.

* * *

HE WAS identified as Pvt. Alff O. White. The spokesman said he had been absent without leave from the 502nd Airborne Infantry regt., 101st Airborne div. since March 2, 1955. His age and home address were unknown at Ft. Sheridan.

Famed Decorator At Store Thursday

A nationally known interior decorator will be in Arlington Heights today (Thursday) from noon to 5 p.m. to offer residents professional advice on home decorating.

Anne Mason, author of "What Goes With What" and expert in uses of color, will be guest of Arlington Furniture Mart, 211 S. State rd.

Miss Mason, decorator with James Lees carpet company, will advise on any home decorating or design problem.

Richard Black Elected New Booster Club President

Richard W. Black, Arlington Heights businessman, was unanimous choice of Arlington high school Cardinals Booster club to serve as president during 1956-57.

Black, and other new officers, were elected at the club's annual meeting April 9.

RICHARD BLACK

Other officers are Charles Close, first vice-president; Harrison Kennicott, second vice-president; Mrs. Herbert Jacobsen, secretary and Byron Sayre, treasurer.

* * *

MRS. WILLIAM Palmer was elected director-at-large, and Jack Norris of Wheeling school will serve as grade school representative. Completing the new board of directors will be H. T. Winterbauer, retiring Booster club chairman, Harold Slichenmyer, Arlington high school principal, and H. W. Grace, athletic director.

The officers were recommended by Herbert W. Carl, chairman of the nominating committee. He and Charles H. Wilson, represented businessmen. Areas were represented by Robert Lockwood for Arlington Heights; Mrs. E. A. Holm, Mt. Prospect; Stanley Peterson, Prospect Heights; Sylvester Striegel, Wheeling; Arthur Setzer, Rolling Meadows; Carl Klehm, Elk Grove area and Bus Ormsbee representing the high school.

* * *

H. T. WINTERBAUER presided at the annual meeting. Mr. Slichenmyer thanked the Boosters club for its assistance and cooperation, adding that the club had done much to stimulate interest and enthusiasm among parents, athletes and the student body.

Needed revisions in the club bylaws were presented by Charles Pratt, attorney, and unanimously adopted.

R. E. "Rem" Meyer of Hinsdale, Big Ten football and basketball referee, was main speaker for the evening. He told of the great importance parents play in the development of young boys athletically inclined.

* * *

MEMBERSHIP in the Cardinals Booster club is now 850.

A drive will soon be launched to increase membership to more than 1500.

A standing vote of thanks was given to the retiring club officers for the excellent job done during the club's first year. They are: H. T. Winterbauer, chairman; Edward Wilson, Mt. Prospect, vice-president; Evrell Plank, treasurer; Bud Dahlquist, also of Mt. Prospect, secretary and Mrs. Dan Vittum, director-at-large.

Appoint Wayside Woman Northwest District Chairman

Mrs. Godfrey B. Johnson, 2602 Rohlwing rd., has been appointed northwest district chairman for the formal spring survey in conjunction with the Archdiocesan Decency crusade which will be conducted between April 16 and April 27.

Progress reports were presented and details discussed for the survey at a meeting on April 4 in the office of the Very Reverend Monsignor Thomas J. Fitzgerald, executive director of the Council of Catholic Women of the Archdiocese of Chicago.

Mrs. Johnson will present her plan of action to members of the Catholic Woman's club of Our Lady of the Wayside parish, Arlington Heights, at the Arpil 12 meeting in an effort to stimulate interest in this serious problem of protecting the minds of young from all objectionable literature.

Most important contribution to the Archdiocesan Decency crusade to date has been made by Major Richard J. Daley of Chicago. He has organized the major's advisory committee on the Elimination of Objectionable Literature for youth. This committee is composed of representatives from the Chicago Bar association, Woman's Bar, Junior Chamber of Commerce, Chicago Retail Drug association, Illinois Federation of Women's clubs, PTA, Back-of-the-Yards council and the Catholic, Jewish and Protestant faiths.

Msgr. Fitzgerald will be the principal speaker at a gathering of 1500 business men and women woh will meet with Mayor Daley's committee May 8 in Chicago to discuss ways of eliminating indecent literature now appearing on the stands. (A

The speed of the modern ELECTRIC ranges!

Soup's on in 65 seconds! With this new Hotpoint it's easy to serve steaming-hot soup for 4, in little more than a minute. This is typical of the speed of modern electric ranges.

25% faster than 5 years ago . . .

today—nothing cooks faster!

Built-in Rotisserie. With Hotpoint's Roto-Grill you'll turn out roasts, fowl, seafood that's crackling-brown outside, moist and tender inside. Skewer turns automatically.

Probably no electrical appliance made has undergone more rapid or more remarkable advances than today's electric range.

Newly designed and improved surface units have moved from the laboratory to the kitchen as quickly as they were proven. And engineers have found better ways to transform electrical energy into high heat—swiftly, economically, and with a greater degree of cooking control.

But the speed of modern electric ranges is only *one* of the reasons you'll like cooking electrically. It will keep your kitchen an average of 10 degrees cooler (even when the oven's on for hours). And, there just isn't any cleaner way to cook.

The new electric ranges come in a rainbow assortment of colors as well as white. They offer many "new idea" features like—built-in ovens, rotisseries, deep-well cookers . . . even automatically controlled surface units. So if you plan to build, buy or remodel your home, find out how little it costs to own a really modern, automatic electric range.

Big Saving—We Pay Part of Your Range Installation Cost!

Need new wiring to install your electric range? We share the cost with qualified home owners in 1, 2 and 3-family dwellings. This can cut your expense by about half.

And you get more than a money saving!

The modern wiring that goes with your installation helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

Eastwood Events

If anyone ever wondered why comunity associations exist, the question would have been answered by attending the Eastwood dinner dance held at Rolling Green country club last Saturday. Eastwood gathered, dined, danced, laughed and warmed the collective cockles of its many hearts through a long, flowing evening of the best of suburban living and community spirit. Lovely ladies came on the arms of dashing gentlemen and danced 'til morning. They say that an unsatisfied ticket buyer would be hard to find in the neighborhood.

Gay pre-dance parties sprang up all over Eastwood. Reports reveal gatherings at the following homes: Don Barker, James Bliss, Dick Evans, William Guilfoil, Norm Hoym, John Hall, Garth Heisig, John Hildebrand, John Tobin and Milt Wingquist.

Not yet complete, but probably favorable, is the auditor's report on dance finances.

A work of appreciation is in order to Police Chief, Carl Skoog, who spoke at the last association meeting. Eastwood folks who don't get out to all of the meetings should know that the Chief has unfailingly cooperated with the committees when called upon and has been a strong supporter of various programs.

Move

Eastwood farewells and best wishes to Mr. and Mrs. David Young and sons, David and John, who moved from their home, 302 N. Dryden, April 10 to to take up residence in a suburb of St. Louis.

Mrs. Charles Alford, 306 No. Brighton recuperates at home after her recent hospitalization. Visiting with Mrytle is her mother, Mrs. J. Caple, Louisville.

Confined to her home is Mary Lee Barton, who has the measles. Jody Barker is well blossomed with chicken pox.

Mrs. N. J. Griffin, who moves from Eastwood April 18, was the honored guest at a bridge-luncheon given by Mrs. Carl E. Nelson April 4. Also in attendance were Mrs. Robert Scott and Mrs. A. W. Lindahl.

Guests

House guests last week at the home of Mr. and Mrs. Gerald Davis, 906 E. St. James, were Mr. and Mrs. Robert C. Smith, Akron.

Mr. and Mrs. Wells Morton and children, Sue and Phillip, of Calgary, Alberta, Canada, visited last weekend at the home of Mr. and Mrs. B. L. Lerch, 416 N. Lincoln lane. Neighbors were happy to have Mr. and Mrs. Morton attend the dance Saturday night.

House guests of Mr. and Mrs. N. Hoym last weekend were Mr. and Mrs. Gerhard Hillger, St. Paul. These guests were also in attendance at the association dance.

Return

Mr. and Mrs. Leonard Radosti and daughters, Lenore and Lynn, returned last Friday to their home 418 No. Beverley lane, after a 2-week vacation in Miami. Enroute they visited Silver Springs and viewed the water skiing at Cypress Garden. Mr. and Mrs. A. Hagelauer, Chicago, parents of Mrs. Radosti, accompanied them on this trip.

Returning last Sunday to their home at 413 N. Douglas were Mr. and Mrs. Wilbur G. Inman and sons, Bob and Greg. They vacationed for the past 2 weeks in Pass-a-Grille Beach, Fla.

Birthdays

Suzanne Anderson, daughter of Mr. and Mrs. Gus Anderson, 614 N. Bverley, celebrated her 10th birthday April 7. Her guest list included 15 young friends from Arlington Heights, Chicago and 2 cousins from Kentucky. There were 25 guests on Sunday to honor Suzanne. Enjoying the week end at the Anderson home were Mr. and Mrs. W. Wadsworth and family, Fort Mitchell, Ky.

A family celebration April 8 was in order for Jack Mutti's birthday.

Jimmy Barnes, son of Mr. and Mrs. H. C. Barnes, was 7 years old April 9. Four friends from Jimmy's first grade class shared his refreshments and enjoyed the cartoon films.

Robert Lewis Bosley, son of Mr. and Mrs. R. E. Bosley, is 1 year old April 12. A family gathering will be held at their home, 214 N. Dryden April 14.

Bud Larsen celebrated his birthday April 6 with wife, Lou, and friends by first having dinner at the Homestead and then on to see "Inherit the Wind" in Chicago.

A family dinner party was held at Wally Ellertson's home April 11 to wish him a happy birthday.

St. James Mother's club fashion show April 12 will include Eastwood models, Mrs. J. W. Anderdon, Mrs. William J. Johnson and Mrs. William Kasper. Also included as models will be Misses Dawne Anderson, Carol Cockrell and Nancy and Jo Rogers.

With The Blue Birds

Friendly Bluebirds

Friendly Bluebirds started their last meeting by going on a "nickel hike" to a snack shop where they purchased popsicles. After enjoying the walk and the popsicles, the group returned to Mrs. Flodin's house and played "Bow Bow Belinda," Twelve Girls in a Circle" and "Bluebird, Bluebird."

A bubble gum treat was served by Linda Vetter.

Blue Angels

Learning to dance the "Bunny Hop" and the "Hokey Pokey" kept the Blue Angels active during their last meeting.

Honeybears

While enjoying refreshments served by Caroline Genevich, the Honeybears were working on their puppets. The puppets will be used in a show the group is working on and will present soon.

Scout Activities

Pack 232 of the cub scouts toured the base of Glenview air station last Saturday.

Bluebird Wings

Bluebird Wings enjoyed listening to Mrs. Robinson, their leader, read a story from the book "The Good Masters" on how Easter is celebrated in Hungary.

The group then sang songs, danced to folk tunes and played "Bluebird, Bluebird." Robin Mills was hostess for the day.

Ex-Teacher Writes Original Score For Children's Play

Among features of the annual children's play to be presented by the Village Theatre Saturday and Sunday is special music composed by Ruth Raasch, 941 N. Mitchell, Arlington Heights.

The play, "Grandmother Sly Boots," will be given twice on each of the 2 days, at 2 and 4 p.m., in Arlington Heights fieldhouse.

Mrs. Raasch, who came to Arlington Heights from South Dakota, has a broad background in musical composition and production.

Her original operetta, "Green Eyes," was presented by high school students of Austin, Minnesota, when she taught there.

* * *

WHILE A student at Grinnell college, she received the Henry York Steiner memorial prize in composition. She's an accomplished pianist and violinist, and played in the Augustana Town and Gown symphony, Augustana, S. D.

In addition to composing music for "Grandmother Sly Boots," Mrs. Raasch is cast as the Old Wolf. The Young Wolf is played by Kay Hawley, who wes Mrs. Manningham in the recent "Angel Street."

Other members of the cast include Joseph D. Crittenden, as Nicholas; David Crittenden, as Peter; Joan Wilcox, as Little Red Riding Hood; Marcelle Wilcox, as the Grandmother; and Jeannette Jenkins as the Mother.

The play is an adaptation of the old favorite, "Little Red Riding Hood," with a new and entertaining twist.

It is the latest in a series of Village Theatre productions for children. More than 1000 children are expected to attend the 4 performances of this year's play.

* * *

TICKETS FOR the play may be obtained from any member of the Village Theatre. Representatives will also visit schools in Arlington Heights Thursday and Friday between 1:15 and 1:30 to sell tickets to children. They will also be sold some time this week to students in Rolling Meadows and Mt. Prospect schools.

The play is under direction of Harriet Smith, and set has been designed and integrated by Barbara Houskeeper. Technical Director is Maurice Geve, and costumes have been created by a committee headed by Anita Wilkins.

Unique Holy Land Films April 17

KENNETH RICHTER

A visit to "The Holy Lands Today" is the travel and adventure lecture topic Tuesday at 8 p.m. in Arlington high school boys' gymnasium.

Kenneth Richter, speaker, is making his first local appearance.

Since a Point Four picture which Richter made for the state department, he has had a semi-official status in Jordan. Two years of negotiations in Syria have provided him with excellent contacts there.

His special entree to these countries enabled him to protograph such ordinarily inaccessible places as the Dome of the Rock in Jerusalem, the most sacred place in the faith of Islam after Mecca and Medina, with a religious service actually going on.

* * *

THE FILM includes moonlight expedition to Petra through a narrow ravine with horses and donkeys as only means of transportation.

Petra itself is a city carved out of rose-pink rock glowing in the sunlight, with its famous Treasury building, its tombs and great amphitheatre and flight of stairs carved in rock leading up a sheer cliff to one of the High Places of sacrifice in the Bible. Photographed in full color are scenes sacred to both Christians and Mohammedans.

Crak Des Chevaliers, the huge hilltop castle built by the crusaders, is pictured, as well as Baalbek and Byblos, Sidon, Damascus and Palmyra, where modern irrigation and oil pipelines contrast strangely with a background of Biblical antiquity.

This documentary film treats a region where 3 great world religions have their Holy Places.

* * *

A GRADUATE of Harvard, Richter concentrated on camera work immediately upon leaving college with his film on Ecuador made for the U.S. government.

He believes that the motion picture is one of the most powerful and effective means of interpreting peoples to one another, and in his platform appearances brings a skilled observer's insight into the lives and surroundings of other human beings in far-off, fascinating lands.

Special guests for this travel lecture will be the ministers and members of the church school staffs of neighboring churches.

Brotherhood To Sponsor Lutheran Relief Clothing Drive

Brotherhood of Our Saviour United Lutheran church, Arlington Heights, is requesting that members of the congregation who have old clothing and bedding which is still usable bring these items to church next Sunday, or the following Sunday that they may be sent overseas for distribution by Lutheran World Relief agencies. Members of the Brotherhood will transport the clothing to the collection point in Chicago following the final day, Sunday, April 22.

Although almost any clothing except hats is badly needed, emphasis is placed upon warm wearing apparel and sturdy shoes, with infant wear and cloth remnants for sewing also most desirable. Further information concerning the drive may be obtained by calling Richard Almquist, Brotherhood president, CL 3-4892.

A group of members of the womens guild of the church will attend the spring convention of the Chicago conference of United Lutheran Church Women meeting in St. John church, Joliet, for an all-day session Saturday.

Curt Walter Johnson, son of Mr. and Mrs. Walter Johnson, 1154 N. Hickory, Arlington Heights, was baptized during the morning service last Sunday at Our Saviour church. (A

Round 'n About Westgate

Westgate Community Association

The next monthly association meeting will be held next Wednesday, April 18, and will start promptly at 8 p.m. Edward Wahl, chairman of the park district board, will be on hand to discuss all questions concerning the park. In order not to detain Mr. Wahl, who has another meeting planned for later in the evening, the association meeting will start with the park issue at 8 p.m. All residents are urged to be there on time. Latecomers will undoubtedly miss much of the discussion as time will not permit going over all the questions and answers at this meeting. After the discussion as to the park issue, the regular meeting will be held, with the various committees reporting once again.

Birthdays

Christy Stratos celebrated his first birthday Easter. His grandparents, Mr. and Mrs. Fred Ariel of Roseland and Mr. and Mrs. Pete Stratos of Chicago were present, along with Mr. and Mrs. Joe Vhaneuf of Roseland and Mr. and Mrs. Vern Virchow of Westgate. Christy has a sister, Lucy Anne, 2½, and is the son of Nick and Loretta Stratos, 1509 Miner st.

The Pollitz household, 11 Reuter, was a busy place this past weekend. Two parties were held in honor of Shirley's birthday, which was Sunday, April 8. Saturday the Pollitz' had supper guests, which included Lois and Allen Badour and son, Deanie, of Rolling Meadows and Marge and Gene Becker and sons, Bob and Bill, of Chicago. Sunday Mr. and Mrs. G. Bromann of Palatine, Mr. and Mrs. L. Pollitz, Art Bromann and Miss Lois Arndt of Chicago were guests for supper.

Jane Fiduccia, 1615 Johanna terrace, also celebrated her birthday recently, having her birthday fall on Good Friday, March 30.

The Atomic Age and Babies

Diane and Harold Rothery, 1514 W. Fremont, are parents of a son born Saturday, April 7, at Elmhurst Memorial hospital, Elmhurst. This husky lad weighed in at 11 pounds 8 ounces and to date his parents haven't decided on a name for him. He is just a little too big to give any ordinary name to. The baby has a sister, Kim, 3, and maternal grandparents, Mr. and Mrs. L. Stagg of Round Lake.

Goings On

Arlene and Fred Hauth, 512 Yale, took their daughters, Pam and Denise, to see Peter Pan at the Ice Capades show Sunday.

Jane Fiduccia, 1615 Johanna ter., entertained a group of girls last Thursday evening with games, cake and coffee. The group consists of Delores Smith, Jane Kessler, Dorothy Venning, Florence Schillen, Nora McFarland, Florence Lorch, Esther Van Bladel, Henrietta Love, Rose Conroy, Mary Barkulis, Lee Gerke, and Florence Liebert who lives in Rolling Meadows. The girls meet once a month with the hostess having choice of the evening's fun.

With spring here one day and winter the next, one doesn't know exactly where he is these days. Helen Aagaard of 1508 St. James gives a warning to others lest they go through the turmoil she did this past week. Helen walked outside last Thursday, to soak up some of the warm sunshine, and forgot about Petey, her parakeet, who was on her shoulder. Smelling the enticing air, Petey took off to parts unknown. He was last seen on Yale ave. Helen had placed an ad in Paddock's lost and found column, but some interested person who had found Petey last Saturday called the newspaper Monday and found out about Helen's ad and returned the bird to her, much to the delight of the Aagaards.

The only other news for this column this week is about this reporter, Maryan Granis, who fainted Sunday morning in a local florist's shop. A bad head gash resulted necessitating a trip to Resurrection hospital, and many stitches were required to close the cut. The news has been very slow these past 2 weeks, and it is hoped that Westgaters will call in news and help make this column more interesting.

Wheeling Township Young Republicans Headed By Calvin

Wheeling township YOUNG Republicans completed organization of their club with the election of a full slate of officers Monday night. The group also adopted a set of by-laws and applied for a charter to the state organization.

President is Bob Calvin, 520 S. Banberry and other officers are: Henry A. Wallace, 718 N. Dryden, first vice president; Charles Pierce, 1021 N. Patton, second vice president; Ardelle L. Johnson, 743 N. Belmont, secretary, and Edward May, 1007 N. Ridge, treasurer. All live in Arlington Heights.

More than 30 attended the meeting to hear state Senator Russell W. Arrington speak. Future meetings will be held on the first Monday of each month in the Arlington Heights fieldhouse. (A)

Send Bundles Today And Tomorrow

Thursday and Friday bundles brought by the children will be accepted at each of the elementary schools and Junior high school, in the annual spring bundle day collection.

Outgrown or outmoded clothing which is still warm and wearable is needed to help clothe the needy of our own country as well as others, says Mrs. Charles Stewart, welfare chairman.

Mrs. Stewart requests that bundles be brought no later than 1 p.m. Friday, as the collecting and bagging of the contributions takes considerable time.

The filled bags will be picked up and the bedding and clothes distributed by the Save the Children Federation, Inc.

Bicycle Inspection Begins Monday

Annual spring inspection of school children's bicycles, conducted by the Arlington Heights police department in cooperation with the PTA, will be held next week, beginning at 10:30 a.m. at Junior high school.

Elementary schools will be visited according to the following schedule: Dryden school, Tuesday morning; North school, Thursday morning; Ridge school, Thursday afternoon; and South school, Friday morning.

Bicycles will be inspected as usual for faulty brakes, lack of light or signal, and loose wheels. Each child whose bicycle passes inspection will receive an application for his 1956-57 license, which may be obtained for a 50-cent fee at the village hall.

A license is issued only after the bicycle has satisfactorily passed the inspection, and since all bicycle licenses expire at the end of this month, parents are urged to see that their children ride their bicycles to school the day scheduled for inspection.

Kenilworth Superintendent At South

Dr. Arthur H. Oestreich, superintendent of schools at Kenilworth, will speak to South school PTA next Tuesday evening at 8:15 p.m. on the subject, "How the Modern School Helps Every Child Develop."

Dr. Oestreich received his B.A. in 1933 from Ripon college in Wisconsin. After a year in industry, he went to Three Lakes, where he taught for 2 years and served as superintendent of schools from 1936 to 1941.

Spending his summers in study, Dr. Oestreich received an M.A. degree in school administration from Northwestern university in 1939.

After serving 5 years in the army, he returned to Northwestern as an instructor in education, and the following year became assistant superintendent of schools in Kenilworth and director of the guidance laboratory.

Since 1948 Dr. Oestreich has been the Kenilworth superintendent, in 1950 obtaining a Ph. D. degree in guidance and school administration from Northwestern university.

Dr. Oestreich's many interests and memberships in educational, civic and patriotic organizations, in addition to his authoritative knowledge of school problems, have made him a compelling and popular speaker.

Reading Tastes Topic At Ridge

"Reading and Literature" will be discussed by a panel of faculty members at Ridge PTA next Tuesday evening at 8:15.

With Superintendent of Schools Ralph E. Clabaugh serving as moderator, panel members will exchange views on how best to develop good taste in literature and reading appreciation. The audience will be given an opportunity for discussion and questions.

Serving on the panel will be Miss Margaret Marron, third grade teacher; Mrs. Agnes Skadberg, reading consultant; Mrs. Florence Sorokin, head librarian and Miss Corallie Teachey, second grade teacher.

Miss Vivian Erwin, elementary teacher of vocal music, will appear as guest specialist preceding the program. Mothers of kindergarten children will serve refreshments.

Dryden To Display Student Work

A "roving" sort of program will get under way at Dryden school Tuesday evening at 7:30 when students will display fruit of their labors in the fields of science and social studies.

It is understood that the greater part of the program is planned and executed by the students themselves, who will explain displays to their parents.

After a social hour, with refreshments served by kindergarten mothers, the evening's activities are expected to end at 9 p.m.

Metropolitan Opera Bass-Baritone Ends Arlington Concert Season

The final concert of the Arlington Heights Community Concert Association for this season will be held this Sunday evening, April 15, at the Arlington Heights High School Gymnasium.

George London, the leading Bass-Baritone of the Metropolitan Opera Company, will give a concert long to be remembered by the membership of the Concert Association.

London's debut at the "Met" was November 13, 1951, the opening night of the season. With the applause of his New YORK audiences and the plaudits of the ears, he flew to Europe and on music critics still ringing in his ears, he flewto Europe and on January 9, 1952, made his first appearance at La Scala, Milan. The acclaim which greeted this performance was equally as enthusiastic as that which hailed his debut at the Metropolitan.

George London, bachelor, stands six feet two inches, tips the scales at an even 200 pounds. He enjoys winter sports, but has to settle for weight-lifting and dumbbells whil on tour. He is an ardent baseball fan, loves to dance, is keen on swing and jazz and is too busy for romance, though he's "tall, dark and handsome" and eligible.

London has frequently appeared as guest artist on major radio and television network shows, including The Telephone Hour and the Voice of Firestone.

At all times he continues to study and practice, appreciative of the heights he has already attained. He firmly believes that true artists must always continue to work, grow and develop.

ANNUAL MEMBERSHIP campaign for the 1956-1957 concert season will be held the week of May 7. During this week only, memberships are available to adults and students alike. Membership entitles the member to attend each of the concerts to be held next season, either four or five, dependent upon the total membership. This is a non-profit organization; all money collected from memberships is spent for a few necessary expenses and for the outstanding artists such as have appeared in Arlington Heights during the past 8 years.

Watch for details of the membership week in advertisements to be published in this paper.

Spring Recital

Mrs. Minnie Barnum, 410 S. Dunton ave., Arlington Heights presented her piano pupils in a spring recital at St. Peter Lutheran church activities building Saturday at 2:30 p.m.

Thirty pupils, all from Arlington Heights, appeared on the program, after which students and their parents were entertained at a party given by Mrs. Barnum. Those assisting Mrs. Barnum and in charge of the refreshments were Mrs. Ervin A. Westfahl and Mrs. Werner Reese. (A

Year's Last Pitch By Dr. Fitch

Final appearance in Arlington Heights this school year of Dr. Franklin Fitch, staunch advocate of early sex education for children, will be at North school PTA Tuesday at 8:15 p.m.

Executive director of the Illinois Social Hygiene league and vice president of the department of health and home service of the Illinois Congress of Parents and Teachers, Dr. Fitch is also a member of the medical faculty of Northwestern university.

His 26 years experience in dealing with problems of children, adolescents and young adults enables him to speak with authority on the importance of early and honest sex education.

Dr. Fitch's talk to parents will be accompanied by the film, "Human Growth," which is shown to sixth and eighth grade students each year, with permission from parents. It explains processes of mating and reproduction in simple, straightforward terms a child can understand.

The crowds which have attended Dr. Fitch's previous appearances here, and the eager discussion which has always followed his talk, attest to his sincerity and excellence as an authoritative speaker.

Arlington-Maine Hi-Y, Tri-Hi-Y Stage Carnival

A highlight of the year for the Hi-Y and Tri-Hi-Y clubs of the Northwest Suburban YMCA will be the annual "Demon-Cardinal Swing and Carnival," Saturday.

Proceeds will go to YMCA world service fund, which furthers work of YMCA in foreign countries.

* * *

EACH CLUB will design and operate colorful carnival booths arranged at one end of the dance floor.

The Maine Township high school girls' gym will be scene of the event and music will be supplied by Gene Stockton combo. An intermission show will be given by club members.

An unusual admission charge has been devised by the Interclub council, which cordinates all plans for joint club events. The height of each person who enters will be measured, and he or she will pay 1 cent per inch.

Members of Hi-Y and Tri-Hi-Y clubs are students of Maine Township and Arlington Heights high schools.

Their program consists of service, social worship, educational and athletic activities. (ACM

Wilson School District Fights Subdivision Of 576 Homes

by TOM BRENNAN

A proposal to erect a 576-home subdivision on Palatine rd. adjacent to Arlington Heights met with vigorous opposition from Wilson school district (District 24) at a hearing of the county zoning board of appeals Thursday night.

The subdivision would be erected by Trendel, Lowe & Associates on 4 parcels of farmland totaling 216 acres.

Three of the properties totaling 140 acres extend from Salem avenue to Arlington Knolls subdivision between Palatine road and Thomas street. The fourth property of 66 acres between Chicago ave. and Kennicott blvd. between Palatine rd. and Thomas st. is separated from the eastern portion of the subdivision by 40 acres of farmland which might later be included in it.

* * *

ATTORNEY FRANK M. Opeka, Chicago, representing the school board, said that he would attempt to prove that "on the basis of 3 principles of law-public morals, comfort and welfare — this subdivision will unduly increase the burden on a 6-room rural schoolhouse."

Hearing the request for a zoning change from farmland to R-4 residential (10,000 square foot minimum lot size) were Andrew J. Dallstream, chairman, and Walter T. Popjoy, of the Cook county zoning board.

Arlington Heights village trustees were out in force for the hearing. As the hearing commenced, Carl Bowen, an engineer speaking for the village, asked that the zoning board take no action for at least 3 weeks.

Bowen said that the village wanted time to investigate the testimony. After a hasty conference between Opeka and several of the trustees, Opeka announced that he would also speak for the village. Hugo Thal, village attorney, is out of town for several weeks.

* * *

DURING THE 3-hours in which the subdivider's lawyer and witnesses were on the stand, Arlington Heights engineers and trustees frequently consulted Opeka. Occasionally they joined personally in the cross-examination.

At 11 o'clock with 2 more hearings to go, chairman Dallstream called a halt to the Trendel hearing. He said that another hearing would be held within 30 days. At that, three-fourths of the estimated crowd of 100 who packed the village hall left. The others remained for a hearing on a proposed commercial development at Palatine and Elmhurst rds. in Prospect Heights and another development at Palatine and Wolf rds.

Eldon L. "Bud" Trendel testified that he planned to build his homes at the rate of 100 a year for 5 years. He said that the homes would be priced from $17,000 to $24,000 and be mostly ranch style.

Water and sewage facilities would be provided by 1 or 2 central wells and a sewage treatment at the southeast corner of the project. Trendel's engineers said that a "lagoon" would hold storm runoff water and the treated discharge or affluent from the sewage plant.

* * *

UNDER questioning from Opeka it was brought out that contents of the lagoon would flow over a regulated weir into a drainage ditch that runs southeast from the proposed subdivision into the village.

"Doesn't that drainage ditch now empty into one of the village trunk sewers?" asked William Caddigan, an engineer for Consoer, Townsend & Associates, village engineers.

"I don't know," replied Charles D. Tower, Elmhurst, one of Trendel's engineers.

Caddigan advised Tower that such was the case, whereupon Tower claimed that (a) it would be legal for Trendel to discharge the lagoon into the portion of the ditch on his land, (b) the additional run-off would not create a problem for the village and (c) there would be no health menace to village residents from the discharge.

* * *

NEAR THE close of Trendel's testimony the developer said that he had discussed annexation with the Arlington Heights plan commission last year.

"I was stalled by the village board and the village engineers. Their demands were economically unsound," Trendel charged.

He added that requirements such as 25 acres for parks and schools would have cost him $400,000 and that he "couldn't comply with them."

Trendel indicated that he had talked with Wilson school board members about contributing money for school construction but he had made no commitment. (ACW

Barrington Music Club To Present 11th Annual Spring Concert

Barrington Music club is presenting its 11th annual spring concert at 3:30 p.m. Sunday in Hough st. school auditorium. Elizabeth Prunty, Marjorie Raitt and Dorothy Vogel of Arlington Heights and David Bachman, Willard Cooke, Gayle Kompelien, Mrs. N. Simerau and Richard Carter of Palatine, are members of this group.

Again this year, Kenneth C. Grom, Barrington oganist, choral leader and piano teacher, and Jerry Sirucek, Chicago Symphony orchestra members, are co-directors of the concert.

Included in the program will be "In the Silence of Night" Rachmaninoff; "Schon Rosmarin" by Kreisler; "Hora Staccato" by Dinicu Heifetz; "Reverie" by Victor Herbert; "Flight of the Bumble Bee" by Rimski-Korsakov.

Other numbers listed on the program include: "Overture-Calif of Bagdad" by Boieldien; "Pavane" by Ravel; "Peter and the Wolf" by Prokofieff; "Three Dances from the Bartered Bride" by Smetana; "Hey-Ho Robin" by Benjamin Lambord; "My Bonnie Lass She Smileth" by Edward German; "I Never Had But One Love" by John Jacob Niles; "The Pedlar" by Ernest A. Dicks; "Come All You Fair and Tender Ladies" by J. Stanley Sheppard; "Paul Revere's Ride" by Roy Ringwald.

Leon Hicks, Barrington baritone, and member of the Music Club chorus will be the narrator for that popular orchestra piece "Peter and the Wolf". (AP

Arlington Magician To Entertain At Couples Club Banquet

Old Hickory Farms house in Dundee will be the setting April 21 of the annual spring banquet of the Couples club of First Methodist church, Arlington Heights.

Appearing at the 6:30 p.m. affair will be Alfred Leach, a popular sleight-of-hand artist and a master of deception, who will present a fast-moving program of magic. He has demonstrated his skill on television shows including the Bob and Kay show. To assist him that evening will be his 14-year-old son, Dempster, who is rapidly following in his father's footsteps, having performed on Chubby Jackson's television program, "Little Rascals."

Reservations are being made with Mr. and Mrs. Robert Johnson, Mr. and Mrs. Evrell Plank, and Mr. and Mrs. Earle Strehlow, present club officers who will relinquish their posts to new cabinet members that evening. Installation of the new officers will be made by the Rev. Birger Dahl, pastor of the church. (AMPh

Scouts Of 32 Patrols Attend First Aid Meet

Thirty-two patrols from Blackhawk district, which includes Arlington Heights, Mt. Prospect, Prospect Heights, Elk Grove, and Wilson school, took part in the district first aid meet Friday.

The 32 patrols represented boys from 12 different troops. Judging of events was by scout leaders and explorer scouts from troops 7 and 51 and explorer posts 23 and 32.

Problems covered included first aid treatment for broken bones, heat exhaustion, shock, arterial bleeding, artificial respiration, snake bite, and quickest possible methods of obtaining trained medical help.

* * *

THE COBRA patrol of troop 51, sponsored by St. Mark church, Mt. Prospect, earned high honors with a total of 250 out of 280 possible points.

Dr. A. J. Oberlander of Arlington Heights checked the medical treatment and received first aid reports as they were turned in. (ACM

Girl Scouts—It's Time To Think Of Summer Camping

For the 200 girl scouts in this area it is time to think about the fine camping experience available to them. An all around camp program is offered to each girl, depending on age, experience and ability.

Day camping spells fun for brownie, intermediate and senior scouts. Girls from many troops meet tgether. They find new friends, formulate new ideas, explore, hike, sing, play, cook, and eat together in their camp home under the trees.

Other activities include folk dancing, campcraft, nature, dramatics, sketching and photography. Each day camp is operated according to the high girl scout camping standards. There are 6 day camp sites available to the brownie scout: Harms Woods, Dam 4, Girl Scout house, Camp Pine, Deer Grove, and Lion Woods. For intermediate and senior scouts Miami Woods West, Allison Woods and Girl Scout house.

Each session is for 8 days, Tuesday through Friday for 2 weeks. The fee includes the cost of milk each day, food for cookouts and program supplies. Bus transportation is available at an extra charge.

Intermediate and senior scouts also have the established camp located at Rice Lake, Wis. Camp Hickory Hill. Here the scouts live in tents for a 2-week period enjoying all the camping experience of a day camp plus all the extras of an established camp. Swimming, Red Cross life saving, woodcraft, pioneering, conservation, archery and overnight trips are also included in the program.

Special features for the older campers are the bicycle trip and canoe trip. Because of the large number of applications for Camp Hickory Hill the following factors are considered in accepting campers: postmark of the application envelope, which may not be mailed before April 15, age and previous camp experience of the applicant.

The camps depend upon a good staff to make the camping experience for each girl a memorable and satisfying one. Both day camps and Hickory Hill are in need of counselors and request that anyone interested in serving as counselor at any camp contact Mrs. Wynn Howared, camping committee chairman, or the neighborhood chairman. Ask OK For New Higgins Gas Station

A service station will be erected at Higgins rd. and route 83 if the Cook county zoning board of appeals approves a zoning change from a farming to a B-1 business classification.

The Arrow Gasloine co. has petitioned for the change, which will be taken up at a zoning session April 19 in the Mt. Prospect village hall at 8 p.m.

The station would be on a pie-shaped half-acre bounded by Higgins rd., Oakton and route 83 and on the south side of Higgins. There are no other stations at the intersection. (B7)

MORE THAN 300 volunteers will make calls in behalf of the YMCA program during the last 2 weeks in April. A total $12,000 needs to be raised to keep the program functioning at its present level. Total operating budget is more than $57,000 for 1956, but since participants do pay membership and program fees, the amount needed to balance the budget is just $12,000. (B7

Style Show To Feature Spring Luncheon Of Arlington Womans Club

MRS. CARL BEHRENS JR.

Climax of the year's activities of Arlington Heights Womans club is the annual spring luncheon, which this year will be held Wednesday, May 2, at Chevy Chase country club at 12:30 p.m.

Mrs. Carl Behrens Jr., chairman of the affair, and her committee have planned a style show entitled "Fashion Fantasies," under the direction of Edie Jones. Miss Jones is known not only for her showings of glamorous fashions, but also for her originality in presenting them, and her delightful commentary. Fashions will be by Lytton's.

A musical background has been prepared for the afternoon, and will be enjoyed during the social hour from 12 to 1, and during luncheon, which will be served at 1 p.m.

The committee to assist Mrs. Behrens is composed of Mrs. Charles Mills, Mrs. R. E. Clabaugh, Mrs. William E. Sauer and Mrs. John J. Solon. Tickets may be purchased from any member of the committee, or from Mrs. F. K. Barney in Prospect Heights; Mrs. J. B. Hoopes, Mrs. E. R. Klamm, Mrs. Jack Keller, Mrs. J. Hagerman, Mrs. John Kehe, Mrs. S. W. Fletcher, Mrs. W. W. Holloway, Mrs. Lawrence Austin, Mrs. Robert Barbour, Mrs. Richard Blaisdell, Mrs. Charles Cushway, Mrs. Roger Burke, Mrs. Howard Heberling, Mrs. Joeph Lohr, Mrs. Charles Hess, and Mrs. Richard Mates in Arlington Heights.

Members of the club may bring as many guests as they wish, as this is the one function of the year that is open to non-members. (A

Swingin' Squares Plan Dance And Jamboree

Swingin' Squares square dancing group of Arlington Hts. will hold its final dance of the season Sunday, Apr. 22 at the field house. Dancing will be preceded by a potluck supper.

Plans are already being made for the new season to start in September and anyone wishing information on the club's activities may contact the new secretary, Mrs. William Schneider at CLearbrook 3-1921.

The group will hod its annual spring jamboree at the Junior high school Friday, Apr. 13, from 8 to 11 p.m. Callers for the jamboree will be Marshall Lovett, George Sonnenleiter, Bing Bengson and Don Finfrock. Further information may be obtained by calling Mrs. Leo Schaefer, CLearbrook 3-4895.

High School Election For Board, Rates

Voters in a number of local school districts will decide on new school board members and new tax rates in special elections Saturday.

Both Arlington and Palatine township high school districts have board elections Saturday, with 2 candidates seeking 2 vacancies in both contests. Palatine board candidates are Paul Engler and Harris Heldg Helgeson; those in Arlington's district are George H. Sheppard and William H. Spomer.

* * *

GRADE SCHOOL district 57 in Mt. Prospect and district 59 in Elk Grove voters will have their say on whether the tax rate should be increased to 1.25 per cent of the equalized or assessed valuation of taxable property.

Board elections, all for 3-year terms, will be held in grade school districts 15, 25, 21, 24 and 250.

Candidates are as follows:

Dist. 15—Robert H. Lampert, Raymond Holtzee, Howard C. Meadors and George P. Kitterman—3 vacancies.

Girl Scout News

Troop 9

Thursday, March 29, girl scout troop 9 met at the home of Jane Harris for a cook-out. After lunch of charcoal broiled hamburgers, relishes, potato chips and the traditional girl scout "smores" they proceeded with their regular meeting. The girls are enthusiastic and are making a concentrated effort to complete the necessary requirements for their first aid home nurse and health aid badges.

Troop 5

Members of troop 5, under the leadership of Mrs. Stanley Anderson and Mrs. Fred Westfall, report they are finishing their work on the magic carpet badge. This is a badge on books and authors. Their next project is to learn to make bed rolls and practice skills necessary for camping out on "overnights" which they are anxiously looking forward to.

Troop 50

Brownie troop 50, third graders of Dryden school, visited Arlington Heights village hall Monday, April 2. Fourteen girls and 3 adults were greeted by Fire Chief Winkleman and Chief of Police Skoog as the troop made its "inspection tour" of the village fire and police departments. The girls were permitted to sit in the fire trucks and sound the truck sirens.

Troop 11

Despite inclement weather, 14 girls of troop 11 went on a cookout to Elk Grove Wednesday, March 28. For lunch they had hot dogs, walking salad and "smores" for desert. For a beverage they made hot chocolate from the 3 different types of milk, fresh, condensed and dry. Although many of their activities for the day were curtailed due to the bad weather all had a wonderful time. They were accompanied by Mrs. Wayne Faust, Mrs. George Wesler and Mrs. Francis Stites.

Troop 360

Seventh grade girls of troop 360 are working toward obtaining backyard campers badge. Recently they constructed a fireplace in the back yard of their leader's home, Mrs. R. Buckeridge. They then had a cookout and made cocoa over the open fireplace and served cookies. Girls washed their dishes in their "dunk bags" which are mesh bags made by the girls, filled with soiled dishes and dunked in a pail of hot water and then hung up to dry.

Troop 172

Troop 172 went on a cookout to girl scout house Monday, March 26. They made girl scout stew over an open fire, after which they enjoyed a long hike. They were accompanied by Mrs. Everett Nelson, Mrs. Kenneth Anderson and Mrs. Myron Kuhlman.

Troop 303

Troop 303, as a service project, made pin cushions shaped as picture hats of different colored cotton material and sold them at a rummage sale. Monies received was donated to the Wedgewood Terrace subdivision to be used for community projects.

Organizational Meeting

An excellent turnout marked the annual meeting of the prospective brownie mothers of north Arlington held at the field house Thursday, April 5. A full display of brownie equipment donated by Spieglers department store of Des Plaines was exhibited. A film entitled "Story of a Brownie Troop" was shown by Mrs. Lois Rasmussen. Mrs. Melvin Born and Mrs. John Crawford presided over the meeting. Cookies and punch were served for refreshments. All interested mothers of North, Ridge, St. Peter Lutheran, St. James Catholic and Wilson schools unable to attend this meeting may contact Mrs. Melvin Born, chairman of the northeast and Mrs. John Crawford, chairman of the northwest neighborhood for further information.

Brownie Troop 242

Friends of the Raymond Erickson family are invited to attend a memorial service for their daughter, Ginny, when a tree will be dedicated by members of brownie troop 242. Ginny was a member of this troop prior to her death in January. The tree, provided by the Charles Klehm nurseries, will be planted Sunday afternoon, April 15, in the triangle at Mayfair, Fairview and Pine, at 4:30 p.m. Parents of brownies and neighbors are invited.

Forest View School

School Board Election

Reminder to all residents that Saturday, April 14, is the date of the school board election and the proposition of the tax rate increase. The election will be held at the school from 12 noon until 5 p.m. Caucus will be held from 11 a.m. to 12 noon. One member of the board of directors will be elected for a 3-year term. Any legal resident of the district is eligible as a candidate. A nominating committee composed of representatives of the Community Activities club, Mothers' club and the retiring board member are at work considering various candidates. Their selections have not yet been announced, but any member of the committee will be glad to tell their choice. The following are members of the committee: Walter Sundblad, Fred Gorr, Mrs. Jack Keudtner, Mrs. Roland Koenig and Mrs. Wayne Swearingen. The proposition of an increase educational fund rate from 82 cents to $1.03 and building fund rate from .1200 to .1875 will also be voted on at this time. All residents who are legal voters are urged to vote. It is not necessary to be registered.

David Jevne spent the weekend with his grandparents, Mr. and Mrs. C. R. Wood, Fox River Grove.

Calling All Boys

A sports meeting will be held every Tuesday at the Forest View School, 7:30 to 9:30 p.m., under the direction of Bill Sundblad, assistant director, Jack Geudtner, and group leader, Tom Sullivan. All boys old enough to indulge in sports are invited to join the group. For more information call Bill, CL 3-2821.

Bill Sundblad, sports director of the Community Activities club, says the paper drive will be on for as long as the people have paper and keep calling. He will pick up old papers and magazines if called at CL 3-2821.

Thanks are extended to everyone who has donated paper in the past. Proceeds go toward purchasing sports equipment. If anyone has any sports equipment that they would like to donate to the club, they are asked to call Bill.

Cancelled

Mothers club paper drive, April 20, has been cancelled due to the paper drive mentioned above. All those who have been saving paper for the Mothers' drive are asked to give it to the sports drive.

Mothers club meeting was held 1st Tuesday and followed by a white elephant sale, which was successful due to the talented auctioneer, Marty Sundblad, who did such a fine job of auctioneering. Refreshments were served by Mrs. Dorothy Herzog and Mrs. Julia Luczak.

Bowling

Alleys were again reserved for the children of the community this Saturday at the Arlington Bowling lanes for 1 p.m. Adult assistance would be greatly appreciated.

The bluebirds held their first meeting Tuesday at the home of Mrs. Shirley Smital, S. State rd. There will be meetings every Tuesday. Time schedule will be announced later.

Open House

Those who chaperoned at open house last Friday were Mrs. Geo. Isidor, Mr. and Mrs. Howard Koeppe, Mr. and Mrs. Robert Wulff, Mrs. Jack Geudtner, Mr. and Mrs. Bill Sundblad, Mrs. Stan Luczak, Mrs. Stan Petry and Mr. Wilder, to whom thanks are extended.

Next open house will be this Friday, Apr. 13, 7:30 to 9:30 p.m., at the school, featuring square dancing with the George Mailfolds. All children are invited to come for an evening of fun. The price of pop has been increased slightly to meet expenses.

Get well cards will be greatly appreciated by Mrs. Bernice Behrens, who will be hospitalized for 10 days following surgery Tuesday. She is in St. Francis hospital, Evanston.

Monday Lewis Feifar came home from the hospital after undergoing surgery for the amputation of his left leg. He is recuperating at the Fred Gorr home. Mr. Feifar is Mrs. Gorr's uncle. Friends and neighbors wish him a speedy recovery.

Mr. and Mrs. Fred Gorr and son, Dickie, and Al Gorr were called to Niles, Mich. to visit with an aunt who is ill.

While Stanton Petry was in New York last week his golden retriever, "Honey Dreamer" had 10 puppies.

Form Mothers' Study Groups In Community

Under the sponsorship of the Community Child Guidance centers, a group of 28 women from Mt. Prospect, Arlington Heights and Rolling Meadows have formed the Northwest Suburban Mothers' Study groups.

Common interest is recognition that tomorrow's delinquency can be prevented today. Aim of the group is to reach a better understanding of the annoying behavior of children and to find practical solutions to the daily problems rising within the family. The group expects to gain knowledge of methods which can be used to guide the family toward greater togetherness.

"The Challenge of Parenthood" by Rudolf Dreikus is used as a text. Members coordinate their efforts and augment their studies by attending sessions of the Community Child Guidance at Haven school in Evanston.

Experience has shown that best results are obtained when the group is limited to 14 members. As interest increases and the need arises, further groups will be formed. At present, 2 groups meet once a week at the homes of members. Further information may be obtained by calling Mrs. G. D. Soltz, CL 3-8126; Madalen Riedler, CL 3-2322 or Talitha Krecker, CL 5-1735. Charles Baker Elected President Of Teacher-Parent Council

Teacher-Parent council of Arlington Heights high school held its last meeting of the current term March 22 in boys' gym at the school. Election of officers was followed by an open house.

Fred Siegel, chairman of the nominating committee, presented the following slate of officers of the 1956-57 term:

Charles H. Baker, Arlington Heights, president; George W. Laubenheimer, Mt. Prospect, vice president; Mrs. Jack R. Reinsma, Prospect Heights, second vice president, and Mrs. Charles Yager, Prospect Heights, secretary.

Mrs. Robert C. Anderson of Arlington Heights was nominated for junior and senior class chairman; Mrs. H. Rosene of Arlington Hts., as sophomore class chairman and Mr. William Burke of Mt. Prospect as freshman class chairman.

There were no nominations from the floor and the new officers were unanimously approved. Members felt that the committee did an excellent job in selecting officers to represent all the communities concerned.

After the meeting adjourned, parents spent the evening visiting in classrooms with their children's teachers. Refreshments were served in the cafeteria at the close of the visitation sessions. (B7

Another Sunday School Session At St. Peter

A second section of Sunday school at St. Peter Lutheran church, Arlington Heights will be held at 10:45 a.m. every Sunday starting April 22. It will be restricted to nursery, beginners ad primary departments, age 3 through the second grade.

The present Sunday school, held at 9:15 a.m. in the Lutheran school and in the Wilson school on Palatine rd., will continue.

"The additional section of our Sunday school will be conducted in response to the repeated request of newcomers to town for a Sunday school during a worship service," the pastor, Luther V. Stephan, said. "This arrangement will allow parents of small children to attend church while the little folk are in a Sunday school session," he continued.

Worship services at St. Peter Lutheran church, Arlington Heights are held at 8 a.m., 9:30 a.m. (in German) and at 10:45 a.m. The public has been invited. (A

Panel Discussion

Prevent tomorrow's delinquency today" is the subject of a panel discussion to be held at Haven School auditorium, Lincoln and Prairie ave., Evanston, Thursday, April 19, at 7:45 p.m. The program is open to the public and is free.

Moderated by Don Calhoun, member of the board of education of Evanston, district 75 high school and past president of the YMCA, the panelists will be Dr. Rudolf Dreikurs, psychiatrist; Harvey Long, executive secretary of the Illinois Youth commission, former president of the National Conference of Juvenile Agencies; Murl Salisbury, Evanston high school teacher of biology and Dr. Harold Blake Walker, pastor of the First Presbyterian Church of Evanston.

The program is reported to be of particular interest to parents of younger children, as well as teenagers. The discussion will cover current problems of all youth.

The program is being given by the North Shore Unit of the Community child guidance centers. North Shore unit is directly responsible for the maintenance of the Evanston-North Shore Guidance center which meets each Saturday morning at 10 a.m. at the Haven school cafeteria. A question and answer period will follow the panel

Modern Etiquette

Q. When a toast is proposed to a person, should this person drink from his glass, too?

A. No; he does not rise from his chair, nor does he drink the toast.

Q. What does a bride do with her engagement ring before the wedding ceremony?

A. She can either leave it at home when she departs for the church, or wear it on her right hand. The wedding ring should not be put on above the engagement ring.

Q. Should one write "Mr. and Mrs. Robert J. Johnson" on the inner envelope of a wedding invitation, as it is written on the outer envelope?

A. Just "Mr. and Mrs. Johnson" is sufficient.

Arlington Terrace News

Just a reminder that in 4 weeks is the Arlington Terrace spring dance. Tickets are available for the big night, May 11. The dance will be held at the VFW club house.

Mrs. Robert Carter, 1002 N. Beverly, is captain for the Cancer fund drive covering the area from Oakton to Euclid and from Haddow to Hickory. Heartiest thanks go to her and her workers.

The Village Theatre production of "Grandmother Sly Boots" is to be given at the fieldhouse Saturday and Sunday, April 14 and 15. There will be 2 performances each day at 2 p.m. and 4 p.m. Tickets for each day are good for either performance. Tickets are available from Alice Scheske, CL 3-7234. Alice will see to it that the tickets are delivered, just give her a call. Tickets will also be sold at the door.

Mrs. Harry Larson, 905 N. Douglas, entertained the monthly get-together of the ladies of the 900-1000 block on Douglas April 5. Twelve guests enjoyed an evening of bunco, after which coffee and cake was served by the hostess and her daughter, Mrs. Ronald Knollmeuller.

Mrs. Willis Jensen held the meeting of her monthly bridge club April 5. High score of the evening went to Marion Davis.

In Service

Roger Johnson, son of Mr. and Mrs. Mindolf Johnson, 925 N. Douglas, enlisted in the navy and is now taking his boot training at Great Lakes naval training center. Friends and neighbors wish Roger the best of everything while serving his country.

Mr. and Mrs. Philip Haag and daughters, Barbara and Martha, 611 E. Frederick, spent the Easter weekend visiting Phil's parents, Mr.and Mrs. P. C. Haag, in Chippewa Falls, Wis. They also visited Phil's sister, and family, Mr. and Mrs. Jack Pangborn and 3 daughters.

Easter weekend guests at the home of Mr. and Mrs. Gerald Maloney, 926 N. Hickory, were Gerald's parents, Mr. and Mrs. John Maloney, brother, Bill, and nephew Mick Maloney, from Macon, Mo.

Weekend guests at the home of Mr. and Mrs. John Irmen, 1005 N. Douglas, were John's parents of Chicago, Mr. and Mrs. John Irmen Sr.

Mr. and Mrs. Ted Frederking, 1011 N. Haddow, were pleasantly surprised Saturday when 4 girls from Edith's office stopped by and brought along their supper and a gift. Joining them in the fun were Mr. and Mrs. Robert Kummerow, 1009 N. Douglas.

Janice Sitarz, daughter of Mr. and Mrs. Stanley Sitarz, 607 E. Frederick, was all dressed up in pink nylon Saturday when she was flower girl at the 10 a.m. high mass wedding of her second cousin, Raymond Jordan, and his bride, Helen Beal. The wedding took place in Momence, Ill. The reception was held at the Yesteryear in Kankakee.

Mr. and Mrs. Donald Chartrand and daughter, Cathy, 1010 N. Hickory, attended the christening of their nephew, James Chunn, in Chicago Sunday, and a family dinner was held following the service.

Confirmation

John Albert Larson, son of Mr. and Mrs. Harry Larson, 905 N. Douglas, was confirmed Sunday at First Methodist church, Arlington Heights. Afterwards his family gathered at his home to mark the event. A buffet supper was served and among the guests present were John's sisters, Mr. and Mrs. Lewis Blue and Kathy and Jimmie of Niles, Mich. and Mr. and Mrs. Ronald Knolleuller of Arlington Heights. Also John's cousins from Joliet, Mr. and Mrs. John Slattery and Billy Lish, and relatives from Chicago.

Newcomers

A welcome is extended to Arlington Terrace newcomers, Mr. and Mrs. Glenn Schoeneck and children, Linda, 3, Kenneth, 2, and Susan, 7 months, who recently moved to their home at 1006 N. Beverley from Chicago. Mr. Schoeneck works for the National Dye Casting Co. in Lincolnwood. Glenn's parents, Mr. and Mrs. Lester Schoeneck, also live in Arlington Heights. Mrs. Scheneck's first name is Carol.

Scout News

Herby Reif, Kenny Butcher and families enjoyed the production of Cinerama Holiday in Chicago March 31. These boys are from den 8, pack 32, of the cub scouts.

Cub scouts of pack 32 enjoyed a tour of the Glenview naval air station Saturday morning.

The monthly pack meeting for cub scouts of pack 266 was held April 6 in St. James school hall. Den 3 presented a skit "The Rodeo" and local boys who took part were Ray Herr, Allen Herr, Ralph Elwart Jr., Jack Irmen and Morey Umbdenstock. Ralph Elwart Jr. and Allen Herr each received their wolf badge. Den 3 was awarded the honor flag for having a perfect attendance of boys and the best attendance of parents at the pack meeting. Mrs. John Irmen, 1005 N. Douglas, is the den mother and John Irmen is the den dad.

April 7 Ralph Elwart, 1013 N. Douglas, scout leader of boy scout troop 166, accompanied 20 boy scouts on an overnight camping trip at Camp Badden Powell. Two of the boys from Arlington Terrace who went were Butch Elwart and Jimmie Stewart.

Birthday

Jeffrey Guttenberger, 914 N. Douglas, celebrated his sixth birthday with a party last Monday. A luncheon was served to the birthday guests. Children at the party were Warren Johns, Mikey Elwart, Emmett Quill, Mickey Herr and Donny and Davey Spink.

Vote

Residents are reminded to vote this Saturday for 3 men to represent them on the Wilson school board, district 24. Voting will be from 12 to 7 p.m. at the Lutheran home, 800 W. Oakton. Candidates for office are Link Dowell, Kelly Forsberg, Charles Opela, Arnold Silver, Joe Silverman and Paul Stassevitch. Residents do not have to be registered to vote in this election.

Married

Patricia Oross and Ed Roberts were married at St. James church last Saturday morning. The Rev. Father Robert Reichert officiated at the ceremony. Patricia is the daughter of Anna and Andrew Oross, 1345 Race. The bride's sister, Kathryn, was maid of honor.

An open house reception was held at the home of the bride's parents following the wedding.

Some 74 guests attended the reception. Among the guests were the Max O'Briens and the Joe Hanrahans, who are neighbors and friends, and family from Woodstock, Joliet, Barrington and Chicago.

Margaret and Don Walters, 1614 Oakton, held a family reunion Saturday evening of Margaret's family when her sister and brother-in-law came from Fargo, N. D. Margaret's sister, Mrs. P. H. Stevens, arrived Thursday from Fargo and Mr. Stevens came Friday from a convention he attended in St. Louis. Another brother and family, Mr. and Mrs. Martin Delaney, Charles and a friend of Charles, Elise Robitalle, all of Chicago came for dinner Saturday evening to complete the family gathering.

Moved

Jay and Jack McGuire, who moved recently from Virginia Terrace to Washington, D. C., returned last week to visit their family in Northlake. While here they spent some time with many of their friends in the Terrace. Their 3 children, Mike, Joan and Debbie, were with their parents.

Mona and Frank McKiernan, 1420 N. Wilke, had a family dinner of 10 Easter. Among the guests were Mona's mother, Mrs. John Kearns of Lake Forest, and Frank's parents, Mr. and Mrs. Frank McKiernan of Chicago.

Mrs. A. Berman of Allan, Mich., spent part of last week visiting her daughter and family, Maxine and Shel Mells and 2 children, Butch and Robin, 1608 Oakton.

Nancy and Jack Griffith, 1436 N. Race, have a guest, Mrs. Jacques LeGoff of Detroit, spending some time with them. Mrs. LeGoff is a good friend of the family.

Tess and Tom Rossell, 1425 N. Wilke, spent the week following Easter in Indiana. They visited Tess' parents, Mr. and Mrs. Eric Stanley in Greenfield, and Tom's parents, Mr. and Mrs. R. G. Rossell in Indianapolis.

Feeling Better

Friends are happy to hear that Timmy Dever, 1430 N. Race, is feeling much better and might be able to return to school soon.

Mike Ber, 1339 Illinois, who is in eighth grade at St. James, went on a weekend campout to Baden Powell camp, River rd., with boy scout troop 166 of St. James. There were 19 boys and 3 leaders on the trip. Mike is a senior patrol leader in the troop.

Parkway trees were being put in and others replaced on Race st. by the Harvey Klehm nursery the early part of this week.

Arlingdale Residents Form Own Group

Property owners in the Arlingdale subdivision of Arlington Heights have banded together to voice their complaints.

Recently home owners in the area formed the Inner Arlington Property Owners association. Lot owners eligible live in the the triangle bounded by Euclid st., Wilke rd., and the railroad tracks, however, owners along Wilke and Euclid are not eligible.

The association has sent a letter to the village board protesting a proposed extension of water mains in the subdivision. It has also asked the board to hold up escrow money deposited by a contractor who recently laid down sanitary sewers in Arlingdale. The letter charges that the contractor left Arlingdale roads, yards and drainage ditches in a "deplorable condition."

Finally the residents stated their disapproval of the rezoning of 7 lots along Wilke and Chicago from residential to business classification. On 4 of the lots a truck depot is now under construction.

Proposition To Receive Bids

The President and Board of Trustees of the village of Arlington Heights will entertain bids on $85,000.00 in bonds to be issued and sold by said Village for the purpose of paying the cost of constructing a new fire station, acquiring the necessary land for a site therefor and hard surfacing and landscaping the same, to be 85 in number, of $1000.00 each, and to mature serially $5000.00 on the 1st day of December of each of the years 1957 to 1973, both inclusive, to bear interest at a rate not to exceed 3½% per annum, payable semi-annually, and to be dated May 1, 1956;

Also bids on $30,000.00 in bonds to be issued and sold by the said Village for the purpose of paying the cost of purchasing additional fire fighting equipment, consisting of a 1000 gallon per minute pumper or fire engine, complete with all auxiliary equipment, 3800 feet of 2½" double jacket fire hose, 6 Type N gas masks, necessary oxygen masks and fire hose dryer, said bonds to be 30 in number, of the denomination of $1000.00 each, and to mature serially $2000.00 on the 1st day of December of each of the years 1957 to 1971, both inclusive, and to bear interest at not to exceed 3½% per annum, payable semi-annually, and to be dated May 1, 1956.

It is proposed to combine and issue all of said bonds under one ordinance to be passed by said Village, providing for the maturities thereof as hereinbefore set forth.

Such bids shall be received until 8:00 o'clock P.M., on Tuesday, the 1st day of May, 1956, at which time they will be publicly opened and considered at a meeting of said President and Board of Trustees to be held in the Village Hall in said Village.

Bids should be accompanied by certified check of the bidder for 10% of the amount of the bid and the President and Board of Trustees rserve the right to reject any and all bids and to return the deposit accompanying such rejected bid or bids. Such bids shall be mailed, addressed to the Village Clerk of said Village.

Dated, Arlington Heights, Illinois, April 12, 1956.

Association News

At the last association meeting April 3, nominations were accepted for the new terms. Nominees were for president, Gordon E. Baer and Albert J. Baugous; vice president, W. A. Miller and Don F. Peterson; corresponding secretary, John E. Coolidge and Mrs. S. L. Sage; recording secretary, Mrs. Walter F. Brown and Mrs. Karl E. Goodman; treasurer, Don E. Helbling and Whitney C. Janset. Election of officers will be held at the May meeting. Watch for the date.

Today and tomorrow are residents last chance to get tickets for the big dance this Friday night to be held at 9 p.m. at the Amvets hall, located on the east side of Milwaukee ave.; across from the Union hotel in Wheeling. Don Peterson, CL 3-8034, and Walter Johnson, CL 3-8025, are waiting for calls.

Bowling - Bridge

It was a very quiet week for bowling, no new high games. The Rales are 8 games in front, winning 58, losing 29. Hot Dogs are holding second place, winning 50, losing 37. Jokers and Bust Pinners are still tied for third place, winning 46, losing 41.

Friday night's round robin bridge games left the following couples in the lead; Mary and Walter Dahl, 5610; Dorothy and Amos Kalkhoff, 4610; Nan and Whitney Janset, 4510. There will be just 1 more month for the club before they disperse for the summer season.

Pauline and Don McNamara, 662 Clarendon, served brunch to Don's aunts, Mrs. Ruth Eckert of Glencoe, Miss Rose Gertsweiler and Miss Katherine McNamara, both of New Richmond, Wis., Saturday morning.

A square dance was held at the home of Doris and Kenneth Jennings, 1137 Beverly, Saturday night for some of their neighbors and friends. Present were Gert and Bill Miller, Dorothy and John Funk, Martha and John Mundell, Alice and Earl Nichols, Elsie and George Roby, Virginia and John Parkin, Lorraine and Robert Lantz, Doris and John Davis, all from Arlington Greens, and Mr. and Mrs. Allen Almquist and Mr. and Mrs. Don Bartlett from Oak Park. Callers for the dancing were Mr. and Mrs. Floyd Birt of Rolling Meadows, who, according to Doris, were superb.

Christening

Seven Danna, 6-week-old son of Ann and Pat Danna, 624 Clarendon, was christened at the St. James church in Arlington Heights, Sunday. Steven's godfather was Paul Giacchetti and his godmother, Priscilla Danna. The Dannas were hosts to both their parents and 60 guests, all from Chicago and Arlington Terrace, including their other 2 children, Patricia and Joseph.

A surprise baby shower was given for Beverly Foote, 687 Clarendon ct., Wednesday afternoon by Dorothy Braun, 700 Clarendon. A lunch of barbecued beef, a decorated sandwich loaf, jello molds, cream puffs in the shape of swans and coffee was served to the guests, Pauline McNamara, Jeanne Thorsen, Ruth Raines, Florence Horner, Pat Miresse and Twila Eichelkraut.

Wilson Community News

Saturday, April 14, residents will vote for 3 men to represent the community on the Wilson school board, district 24. The polling place for those living in Virginia Terrace wil be the Lutheran home and for those living in the Wilson area, Wilson school. The polls will be open from 12 noon until 7 p.m. Residents do not have to be registered voters to vote in this election. A brief resume on each of the 6 candidates apeared in this column last week.

Troop Committee Meeting

A troop committee meeting of troop 217 was held Monday evening at the home of Mrs. Walters, Rand rd. Those present were Mrs. Seppola, Mrs. Carlson, Mrs. Taylor, Mrs. Cunningham, Mrs. Moskal, Mrs. Zeto and Mrs. Hawthorne.

Prospect Heights school invited the mothers of Wilson school Tuesday morning to hear records and see a film on "How to Explain Sex Education to Children."

The eighth graders are inviting their parents to a tea Friday, Apr. 13, from 1:30 until 3:30. At this time graduation plans will be discussed. Counselors from Arlington high school will be present to discuss the recent high school tests taken by the eighth graders. The counselors will offer guidance in registering at this time also.

Troop 217 made and filled, with cookies and candy, bunny bags, which were donateed to a children's home in Des Plaines.

Last Thursday fourth grade troop 355 went bowling with Mrs. Simon, Mrs. Corcoran and Mrs. Carlson.

Registration

Monday, Apr. 30, has been designated as registration day for those children who are not now attending Wilson school and who are to be enrolled for the 1956-57 school year. Registration hours will be from 1 to 4:30 p.m. Registrations will be accepted in all grades, 1 through 8, at this time.

Children entering first grade must be 6 years old by December 1, 1956. Physical examination forms for these children may be procured immediately at the school office or will be mailed upon request.

Honor Roll

The following students, having maintained an average of "B" or better during the third grading period, are on the Wilson school honor roll:

8th grade: Carl Massa, Robert Russow, Leslie Silver, Karen Best, Patricia Dettman, Mayrene Schroeder; 7th grade: Ronald East, Dick Wetzel, Alice Simmonds, Randall Huebner, Allan Crowe; 6th grade: Susan Hanich, Kathy Parker, Carol Klehm, Judy Moran, Donna Smart, Linda Lee Scott; 5th grade: Allan Bonn, Kathy Casteel, Carol Owen, Laura Strobach, Jackie Waterman.

Principal Attends Conferences

April 7 Mr. Parsons attended the In-Service conference for teachers and administrators, which was held at Thorne hall on the Chicago campus of Northwestern university. Highlights of this conference were the address by Honorable Richard J. Dayley, mayor of Chicago, entitled "The Future of the Chicago Metropolitan Area," and the panel discussion, "Implications of Community Development Programs for Education."

Mr. Parsons will spend this coming Saturday, April 14, at Northern Illinois State college, DeKalb, attending the fifth annual Northern Illinois Congress of Classroom Teachers meeting. The meeting has as its theme "Tomorrow's Leaders—The Gifted Children of Today."

April 20 and 21 will be spent at Eastern Illinois State college, Charleston, attending the state meeting of the Illinois Association for Supervision and Curriculum development. Mr. Parsons hopes to combine teacher recruitment for next year's additions to the Wilson school staff with the other orders of business at the Charleston and DeKalb meetings.

News Of Prospect Meadows

In Wisconsin

During the week of March 25 Irma Ehlke and her children, Ricky and Kristie, visited Irma's relatives in Wisconsin. They divided their time visiting between Irma's brother and his family, Mr. and Mrs. Ray Smith and son Arthur, of New London and the following sisters and their families: Mr. and Mrs. Gordon Hansen and children, Linda and Ronnie, of Neenah; Mr. and Mrs. Rodger Des Bois of Germantown; Mr. and Mrs. Arthur Uttendorfer and sons, James and David, and Mr. and Mrs. Clarence Young and children, Ann, Don and Duaine, of Shiocton and Mr. and Mrs. Joe Robinson and children, Donna, Keith, Tommy and Jimmy, of Menasha. Irma and her sister Mrs. Hansen also spent a day in Milwaukee visiting their father, C. J. Smith, who is ill in a hospital there.

Marge Drake and her children, Susan, Bobby, Michael and David, took advantage of the Easter vacation to visit Marge's parents, Mr. and Mrs. F. J. Stevens in Detroit. Mrs. Stevens is recovering from a broken hip, which she received in a fall in January. While there, Marge also had the opportunity to visit other members of her family who all live in Detroit.

Bud and Jane Redeen spent the Easter weekend in Milwaukee at the home of Bud's parents, Mr and Mrs. William Redeen, and joined the senior Redeens in celebrating their 35th wedding anniversary.

House Guests

Ray and Nora Roths and their sons, Ray and Marty, were happy to have Ray's parents, Mr. and Mrs. Erwin Roths of Detroit, visit at their home last weekend.

Guests at the home of Bob and Kay Wehrheim for 4 days last week were Kay's sister, Mrs. Victor Angelini, and her daughters, Vicki and Debbie, of Northbrook. Mrs. Angelini stayed with the Wehrheim family while her husband was in New York on business.

Guests for the next few weeks at the home of Jack and Ginny Richardson will be Ginny's parents, Mr. and Mrs. W. H. Chute. Mr. and Mrs. Chute had made plans to move to Florida when Mrs. Chute became ill and had to spend a month in the hospital. She is recovering from her illness now and the couple will carry out their plans to go to Florida as soon as Mrs. Chute's health permits.

Howard and Jean Kamps entertained Mr. and Mrs. Martin Kamps, Prospect Heights, and Mr. and Mrs. Marvin Kamps and their daughter, Carol, Arlington Heights, at their home Sunday. The group participated in the planting of 3 new trees, which had been an Easter gift to Howard from Jean.

At Palmer House

Bill and Marge Murdock attended the annual dinner meeting of the Illinois Manufacturer's Costs association Tuesday evening in the grand ballroom of the Palmer house.

Bill and Alice Maisel and their daughters, Carol and Joyce, spent Sunday in Maywood visiting Alice's aunt, Miss Harriet Fox.

Bob and Kay Wehrheim and their children were entertained at the home of Kay's sister and brother-in-law, Mr. and Mrs. Francis Curran in Lombard, at a family gathering following the first communion of 7-year-old Terrence Curran April 8.

Art and Kay Sepke and their children, Sandy, David and Sheryl, spent Sunday in Evanston visiting Lou and Diana Rosen and their children, Debbie, Bobbie and Larry. Lou Rosen is the manager of the baseball team on which Art plays. The 2 men spent the afternoon getting in a little practice.

Birthdays

Michael Doyle, son of Ray and Dorothy Doyle celebrated his fifth birthday April 3 with a dinner party for several of his friends. His guests were Dicky and Billy Cody, Billy McReynolds, Evans Wells and his brother, Ritchie.

The sixth birthday of Kathy Holleran was the occasion for the festivities at the home of John and Fern Holleran March 31. To help Kathy celebrate were her brothers, Tommy and Patrick, Grandmother Holleran, aunt, Rita Jensen, and cousin, Gregory.

A triple birthday celebration was enjoyed by Dick and Betty Halabrin when they joined friends, Mr. and Mrs. Arthur Mumm and Mr. and Mrs. Vernon Rampa, Saturday evening for dinner at Vosnos restaurant. Celebrating their birthdays this week are Mr. Mumm, Mrs. Rampa and Betty. After dinner the group continued the celebration at the home of Mr. and Mrs. Mumm in Chicago.

Relatives enjoying birthday cake with Dick and Betty and their children Sunday evening were Mr. and Mrs. E. Mikolasek, Mr. and Mrs. E. Chant Jr. and son, Mr. and Mrs. J. Miller and sons, Mrs. Martha Chant, E. Chant Sr., Mrs. G. Wegner, Mrs. J. Andrews and Mrs. Mary Wesbey.

In New Home

Mr. and Mrs. A. Altvatter and their daughter, Sheila, moved into their new home at 411 N. Elmhurst ave., Mt. Prospect, April 7. The Altvatters had been living in the Meadows for 5 years. Meadowites will still get to see Mr. Altvatter occasionally as he will continue reading the water meters here.

The new owners of the house at 615 Rand rd., Mr. and Mrs. William Wuestenfeld, will be movinto their home very soon. They have a 5-month old daughter named Lisa Ann. Mr. Wuestenfeld is a realtor connected with the Anthony Ross builders of Chicago.

Measles

The 3 daughters of Kenneth and Ruth Larson, Susan, Sharon and Kristine have been ill with the measles.

Joanne Richardson, daughter of Jack and Ginny Richardson was also ill with measles last week.

The flu has had Valerie Ruther, daughter of Bert and Joyce Ruther, in bed for the last few days.

A tetanus shot was necessary for Lettie Seeber, daughter of Ray and Jean Seeber, when she struck her knee on a rusty nail in a fall in her back yard last Friday.

Clubs

Irma Ehlke, Joyce Ruther, Kay Sepke, Ruby Polly and Lil Kunz were present when the After-Eight pinochle club met last Thursday at the home of Gert Derning. An evening of cards was followed by refreshments.

Jean Seeber entertained members of her canasta club April 3. Guests present for cards and refreshments were Joyce LeBrun, Joyce Hoglund, Lorrie Brazeau, Irma Ehlke, Marie Robotkay, Peggy Orlowski and Pearl Moeller.

Members of the Bob-o-Link canasta club met for their monthly get-together at the home of Carol Wilkins April 4. Members present enjoying a card game and the refreshments served by the hostess were Edith Schroder, Chris Pelletier, Vera Valentine, Ruth Burt, Nora Roths, Marg Blim and Lisa Wells.

Bridge was the game enjoyed at the home of Jim and Evelyn Cummins Saturday evening by Wayne and Carol Wilkins, Bob and Marge Blim and Evans and Lisa Wells. After the game refreshments were served by the hostess.

The last meeting of the teenagers club was held Sunday evening at the home of Pat and Sandy Jenkins. Present were members Maryanne Doyle, Fred Bunnel, Matt Gora, Dickie Anderson, Larry and Barry North and visitors, Roger Kreft and Renny Cramber. Refreshments were furnished by Larry and Barry North.

Susan Finch was an overnight guest at the home of Terry Larson April 4. The girls are classmates in the fifth grade at North school.

Chris Pelletier and Rosemary Finch attended the candidates meeting at Maine township high school April 4. The Democratic and Republican candidates for the newly created sixth district were presented and were each allowed to speak for 2 minutes, after which a question and answer period was conducted. Chris Pelletier is a member of the League of Women Voters who helped sponsor this meeting.

Scouting News

Due to tornado warnings in the area many members of the Meadows brownie troop failed to attend the brownie meeting April 3. The girls in attendance stayed only for a short meeting, at which they helped make plans for their coming "Mother's Tea" and sang several songs.

Members of cub scout den 12 met for their regular meeting April 5. The boys turned in their achievements and electives to den dad, Ed Moeller, played games and worked on their skit, which will be presented at the pack meeting April 28. Bruce Blim furnished the refreshments.

Members of cub scout den 13, with den dad, Ray Doyle, held their meeting outdoors around a camp fire the evening of April 5. The boys enjoyed story telling around the fire.

According to new regulations governing the cub scouts of this area, the den fathers are going to be replaced by den mothers. Offering to take over this responsibility are Pearl Moeller, Marge Blim, Rita Chaiser and Jane Harland. The ladies are now attending a 6-week training course, which meets at the South school in Arlington Heights Monday evenings. They plan to take over officially as den mothers in September.

Boot and Skate Exchange

Plans are being made to have a boot and skate exchange, including childrens' apparel, at the womens auxiliary meeting this month. Mothers are urged to put aside outgrown boots, skates and children's clothing and bring them to the April meeting. A flyer will be distributed soon giving more information on the planned exchange.

Birthday Party

Betty Jean Warfsman celebrated her birthday by entertaining several girl friends with a party Saturday afternoon. Suzan Merritt, Suzan Revus, Cathy Heckenbach, Nancy Haapoja, Lynn Marchetti, Sharon Becker and Janis Wojcuich were present from Wedgewood. A "wiener roast" was planned for outside, but due to the weather, it was held in the basement. Betty Jean was 11 years old.

New Baby

An extra special Easter present for Lynn and Albert Marchetti, was a new baby brother, named Robert William. Robert was born April 1 at St. Anne hospital in Chicago.

A belated family birthday party for Louwanne Cisewski was held in Chicago at the home of the Armand Sonderbergs. A circus cake was the theme of the party. Louwanne was 3 years old March 21.

Mrs. Louis Sylvestor entertained Mrs. John Palumbo and son, Frank, from Itasca, Tuesday afternoon, for luncheon.

Mrs. F. J. Kessler LA 9-5182

Elk Grove Manor

Mary Kaiser was one of a large group of Arlington Heights high school students who chartered planes for a trip to Washington, D. C. last week. The flight originated at O'Hare field Tuesday and they spent the next 2 days sightseeing in the nation's capital.

Thursday afternoon they went to New York City by train, visiting there until they flew back to Chicago Saturday afternoon. Biggest thrill of the trip, says Mary Frances, was seeing the lighted Statue of Liberty from a ferry boat at night.

Guests

Albert Nelson, brother of George Nelson, was a visitor at the Nelson home for a few days recently. He was on his way home to St. Paul after a visit with relatives in Florida.

Mr. and Mrs. Jack Suarez entertained their parents and Mrs. Suarez' brother and family, Mr. and Mrs. E. Basten Jr., for dinner Easter.

Friends wish Johnny Kappa a speedy recovery and hope he will soon be home from the hospital.

Mrs. Charles Miller of Park Ridge was a dinner guest at the H. Zender home Easter.

Among visitors at the George Nelson home Easter were Mr. and Mrs. Fred Helms, Elmhurst, Mrs. Ethel Pauke and children of Round Lake and Mr. and Mrs. Nels Anderson of Diamond Lake. Mr. and Mrs. Nelson were guests of Mr. and Mrs. Helms at dinner later in the day.

Wednesday of last week Mrs. Ray Johnson and daughter, Mary, entertained friends, Mrs. John Storms and Mrs. Andrew Hoekstra, at dinner at the Tiffen restaurant, Chicago.

Birthday greetings go to Carol Albiniak, who will celebrate her sixth birthday April 18.

Mr. and Mrs. John Schroeder were among a group of executives, foremen and their wives who surprised their employer, H. Black, president of Precision Wire Co., Franklin Park, with a dinner on the occasion of his 80th birthday. The birthday dinner was held at the Swedish club in Chicago April 4.

Mrs. Harold Ollmann entertained 30 women, relatives and members of Bethany church choir of Itasca, at a stork shower in honor of Mrs. Howard Gathman. She is the former Judith Thomas and is soloist with the church choir.

Mrs. Fred Ollmann, Alice Beine, Thelma Gerkensmeyer, Rosanne Peterson, Joanne Gathman and Marge Johnson assisted in serving sandwiches, cake and coffee to the guests.

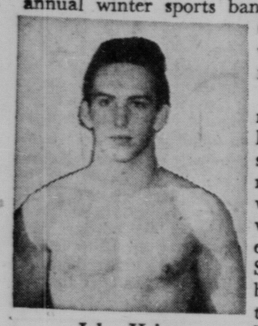
JOHN HEINTZ, freshman from Arlington Heights was one of nearly 100 Carleton athletes honored at the annual winter sports banquet. The dinner, sponsored by the Carleton lettermen's club, honored varsity and freshmen members of the five Knight winter sports squads.



John Heintz

Heintz received his freshman numerals for his participation in wrestling as a member of the Carl mat squad which won three straight dual matches. The award was made by wrestling coach Eiler Henrickson, who announced that Heintz had been elected honorary co-captain of the Squire grapplers. Heintz went unbeaten in the three victories scored by the Carl yearlings. He is the son of Mr. and Mrs. John Heintz, 518 South Vail ave., Arlington Heights.

Highlighting the banquet was the presentation of the Matteson memorial basketball trophy to center Dick McAuliffe, of Arlington Heights, only the fourth junior to receive the award since its inception in 1934.

SPRING SPORTS go into high gear this week with varsity baseball in its fourth game Wednesday, frosh-soph ball opener Wednesday, golf, tennis openers Thursday and 17 events scheduled in the 8 day period starting Thursday morning . . . Freshman golf is becoming a reality with several matches to be scheduled . . . WSC used to have a frosh links meet, but not so the past couple of years . . . Arlington will host district golf May 11 at Old Orchard.

On Card varsity is Bob McDonald, son of Rob Roy golf course owner-pro . . . With sophs is Dan Riley, son of Old Orchard pro-manager.

Heights basketball team named Ron Ashley honorary captain for past season, with Tom Jacobsen selected for next year . . . Frosh baseball is still in embryo stage with Coach Maurice Klotz attempting to find out who's who among 63 candidates . . . More than 30 will have to get the axe in the next couple of weeks . . . And then we have the varsity track squad with 17 boys, 7 of them tossing the weights, 9 running.

GEORGE KUSCH AND AL WALTER are currently leading the Taderich doubles bowling classic in the Windy City and stand to rake in around $1,000 if that lead stands up over the final 2 days of competition Saturday and Sunday. Both Arlington bowlers, the pair handled the red tape of last January's Paddock tourney, along with Irv Kehe.

They shot 1572 to go into the lead. Last year's winning figure was 1593, with second place 1568. First 3 prizes were $1,000, $750 and $500.

So if you're in need of dough, but don't quote us, watch Monday morning's paper. George hit 180-226-192-163-767, while Al hit 210-190-202-203-805. Ironically, the duo are members of Mel's Market squad currently battling Paddock tournament champion Haseman Truckers for first place in House league at Hi-Way Recreation, Palatine.

★ ★ ★

WE'VE ALWAYS THOUGHT if we were ever called upon to coach, we'd like one of those "low pressure" jobs such as tennis at N. U. where Paul Bennett is starting his 26th year . . . He isn't predicting his team will win a 7th title for him over the 26 years, but is hoping for a better-than-fourth place finish, led by Big Ten singles champ Al Kuhn . . . Then there's Wildcat baseball coach Freddie Lindstrom who has Grayslake's Jay Hook as his No. 2 twirler, right behind Dick Wagner, who pitched Belleville to the state high school diamond title in '54 . . . No. 1 backstop will be Lindstrom's son, Chuck, member of Winnetka's Jr. Legion baseball runners-up 2 years ago . . . All 3 boys are sophomores.

Four boys from the 2 local conferences are among football candidates at Illinois, with a fifth at Northwestern . . . For the Illini are Herb Ward, Ela-Vernon tackle; Jim McMillen, Antioch tackle; Don Fenner, Ela-Vernon quarterback; and Jack Drinkwater, Downers Grove halfback . . . Wildcat candidate is Frank Caiazza of LaGrange, "smaller brother" of Illini's Ted Caiazza, who stands around 6-3.

And if these boys make good next fall, watching them will be Bob Frisk, Paddock Publications summer sports writer, who has just been assigned to cover next fall's games for the Daily Illini . . . Bob reports: "Illinois looks pretty tough for next year . . . If they can develop Stout or get another good quarterback they could go all the way . . . They've got depth in practically every position and with backs like Harry Jefferson, Bob Mitchell and Abe Woodson, they should be right up there" . . . So now that football is over, who's going to take the Sweet Sixteen?

★ ★ ★

DOWN LA GRANGE WAY, where winning state track, cross country and basketball honors is common practice, they also have the faculty of putting opponents on the spot . . . Quote from golf coach John Payne for the Lions, via high school paper: "Arlington Heights, which is rated first in the state, Glenbard and LT will be the best in the conference and they could finish in any order . . . We're anticipating a good season, though." . . . Baseball outlook at LaGrange is bright in spite of last week's loss to Arlington, with 9 lettermen back, and 123 boys reporting for the frosh-soph team.

Among swimming letter winner at Michigan State were Jim Clemens, Al Coxon and Gordon Fernell, all from Maine . . . Taking gymnastics numeral was Glenbard's James Hale.

Robin Roberts' first pitching job was for Michigan State's veteran diamond mentor John Kobs, who switched Bob from first base in college days . . . He had never pitched before, but has been heard from plenty since joining the Phillies.

★ ★ ★

COPPING A SWIMMING LETTER at Western Illinois at Macomb was Art Johnson of Palatine . . . Out for golf at Dubuque are John and Joe Busch of Palatine . . . Among tennis hopefuls is Ed Campbell of Arlington . . . Over at DeKalb are baseball letterman Don Mazzoni of Maine at second and diamond hopeful Ray Keller of Maine, frosh pitcher . . . One of the better infield prospects is Bob Maxxoni of Maine, while others on the roster include Maine's Bill Gourley frosh catcher, Grayslake's Lloyd McRoy soph first baseman and Hinsdale's Art Slaber at short and second, a freshman . . . Returning letterman in tennis is Paul Nemecek of Riverside . . . On the roster is Glenbard sopohomore Larry LeFeur.

In track DeKalb will hold still more interest with conference javelin champ Harold Grant of Grayslake on hand, as well as Hinsdale's Tom Skubich in the hurdles . . . Two other lettermen include John Kilcullen of Maine, soph distance runner, and Cliff Voss of R-B, senior in broad and high jump, and sprints.

We can remember the springs of '34 and '35 when Eddie Hahnfeldt of Palatine tossed the discus 190' in high school just before the sport was outlawed in prep circles . . . Ed was an all-'round athlete who set the all-time Palatine Relays record in the discus with a toss of 145' in the days of the college discus in high school. . . . Ed went to Annapolis where he eventually was tossing the platter 164' and the javelin 225' . . . He developed water on the knee in high school days, and did all this javelin tossing by taking just one jump as he turned and threw.

Fenton Loses 8-5 Naperville Tilt

Fenton baseballers traveled to Naperville Tuesday and were defeated 8-5 in the last of 3 preseason games. The day was cold and windy with temperature hovering around the 30's.

The cold day probably accounted for the fact that the pitching was ragged. Hurlers for both squads gave up a total of 20 bases on balls while striking out only 10. Fenton pitchers Floyd Busse and Jerry Bowe issued 7 passes and gained 4 strikeouts.

* * *

BREAKING the "ice" in their half of the second inning the Bisons capitalized on 4 walks, a hit batsman and a basehit to bring home 3 runs. The hit batsman and 2 passes loaded the bases with no one out. Joe Jones batted in 2 runs with a sharp line single to right. Dave Helm walked, loading the bases again. Then a base on balls to Terry Biefeld forced in the third run.

Naperville scored a run in their half of the second. Then in the third inning broke loose for 3 runs on 2 hits. Schinibben, Naperville clean-up hitter, delivered the big blow of the inning, a triple to left. In the fourth inning Schnibben again planted a triple deep in left as 2 Naperville runs crossed the plate.

* * *

FENTON, taking advantage of opposing pitcher's inability to hit the strike zone, picked up 2 more runs in the sixth inning. Three men walked when Bob Heinrich slammed a single to center, driving in the 2 runs.

Walks loaded the bases for Naperville in their half of the sixth and an error allowed them to score 2 more times, running their game total to 8.

To date Fenton pitchers have allowed only 3 earned runs in 21 innings. They walked 13 and struck out 15. Fielding needs improvement, though, since 15 errors have allowed 17 earned runs.

Batteries: Fenton, Busse, Bowe and Heinrich. Naperville, Bojud, Fineout and Murphy.

Card Golfers Open Thursday Against Palatine

Golf coaches Curtis Larsen and Rusty Dowell are not betting men, but they're relying on "three sevens" to bring honors to Arlington high school this spring.

The links squad has been divided into 7 varsity, 7 frosh-sophs and 7 freshmen, though line of demarcation between some of the boys as to exact positions within those 7's is thin.

* * *

FIRST FIVE varsity golfers, all seniors, include Mike Spinello, Wayne Rolfs, Bob McDonald, Denny Evans and Ed Holm. Right behind the last 2 are juniors Tom Jacobsen and Bob Hammerl, who are in the midst of playoffs for No. 4 and 5 positions prior to Thursday's opener at Old Orchard with Palatine.

First threesome in frosh-soph division, as of Tuesday noon, were John Murry, Dan Riley and Rick Lindstrom. Just a stroke behind are Jim Goodling and Ed Moehling.

Curtis Larsen is leading the varsity, Rusty Dowell the frosh-sophs. A group of 7 freshmen are working out with for 4 or 5 frosh matches in the process of scheduling. (Sp

Estes, Bowers To Point Again For New Marks

Forty four schools considering entry in the 24th annual Palatine Relays have been sent information and entry blanks for the meet to be held Saturday, April 28, at Ost field. Defending champion in class "A" for schools over 700 enrollment is East Aurora. Palatine has won the "B" class the past 2 years and needs just one more victory to take permanent possession of the George Spies donated traveling trophy.

Palatine and Mooseheart are expected to battle it out in class "B". Mooseheart won the Oak Park Relays class "C" with Palatine a close second. Mooseheart won the big Palatine meet in 1949-50-51, Lake Forest won in 1952-53, with Welty's Palatine Pirates finishing on top in 1954-55.

Bloom high of Chicago Heights is expected to be the leading contender to cop the "A" division. In fact Coach Ralph Stebbens' Bloom team is being touted as the next state champ partly on the basis of the "A" division championship at the Oak Park indoor meet.

THE PALATINE meet starts at 9 a.m. with a morning session which completes the five field events, run in 2 classes; the 2 mile relay; the class "B" high hurdles shuttle; and the preliminaries of the frosh-soph relay and the 100 yard dash. In the afternoon the program starting at 1:00 includes the class "A" high hurdle shuttle, finals of the 100 yard dash and mile run, and the mile relay, 440 frosh-soph relay, 400 yard low hurdle shuttle, and the 880 yard relay. Relays will be run in heats against time with places assigned on the basis of the fastest times.

Last year 14 records were broken or tied with 7 in each class and Vernon Estes of North Chicago who set a new 100 yard dash mark of :09.9 in class "B" and Jim Bowers who cracked the class "A" mile mark with a 4:25 performance will be back again. If the weather is warm and the track as fast as a year ago more new records are likely to be entered in the books.

* * *

SCHOOLS EXPECTED to compete in the meet are Bloom, Leyden, Lockport and Thornton Fractional of the South Suburban conference; Highland Park and Niles of the Suburban league, LaGrange, Hinsdale, Maine, Arlington Heights and York of the West Suburban conference; Elgin, East Rockford, East Aurora, and West Aurora of the Big Eight; Dundee, Geneva and St. Charles of the Little Seven; Barrington, Crystal Lake, Libertyville, Lake Forest, Zion-Benton and Warren of the North Suburban; Antioch, Fenton, Grant, Grayslake, Glenbrook, Palatine and Wauconda of the Northwest conference; Reavis of the Southwest Suburban; and Somonauk, Marmion Military Academy, North Chicago, Elmwood Park, Mooseheart, St. Anne, Rochelle, Oregon, DeKalb, Oswego, Serena and Wheaton Academy, unattached or from outside the suburban area. Palatine Host To Wauconda

Palatine township high baseball team opens the Northwest conference season at home Friday against Wauconda, rated as one of the strong contenders for the league title. Palatine expects to be in the race behind the strong hurling of big Bob Hamilton who was so effective in Junior Legion ball last summer. Palatine has lettermen at 7 out of 9 positions this season.

Wauconda has 2 good pitchers and enough infield talent returning to be a formidable opponent. Gene Jaskot who won 4 and lost the same number as a pitcher and batted .441 is the star of the Bulldog team. Jaskot got 4 hits and drove in 4 runs as Wauconda beat a Barrington team last week which has won 3 North Suburban games. The 9-3 decision was sweet revenge for Wauconda after so many previous defeats at the hands of the Bronchos.

Tuesday Palatine will be host to the Fenton Bisons in a game which will have an important bearing on the Northwest conference race which, at this point, appears to be a wide open affair with both Paatine and Fenton contenders.

Other games Friday send Glenbrook to Fenton, Grayslake's defending champs to Antioch, and Grant to Ela-Vernon.

Palatine Golfers Defeat Fenton

by GEOFFREY JOHN

Palatine's Varsity "A" squad opened its golf season by defeating Fenton's "A" squad, 12½-2½ on a very cold and windy day at Mohawk Country club. Neither team had a chance to play 18 holes before night set in. Palatine's "B" squad was victorious, 7-2.

Good Marks Prevail In Paddock Publications Prep Honor Roll

Some indoor marks still prevail in the Paddock Publications prep track honor roll. However they will be discarded as more outdoor marks are recorded.

Bob Schindel of Aurora East looks as though he will make things interesting for state sprint champ Vern Estes, as he turned in outstanding performances in both the 100 and 220 last week.

Estes and Schindel will have their first meeting of the year in the Palatine relays. The 440 introduced a newcomer in the person of Larry Harmon who won at Urbana with a fine time of :51.2 for this early in the outdoor season.

• • •

THERE WAS NOTHING in the way of outstanding times in the hurdles with the exception of East Aurora's Chuck Teucher, who ran a 15.1 in the 120 yard high and a :19.8 in the 180 yard lows.

The shot put continues to appear to be the toughest in years with 3 boys over 54 feet and a large number above the 50 foot mark. The high jump is also exceptionally strong this year with a large number over 6 feet. Tony Etnyre of New Trier and Wilbur Dickson of Danville lead this field at present with a quarter of an inch separation at 6'3".

By and large the comment all over the state is that this should be the best year in a long time for outstanding performances.

Local Players Working Out With Redwings

Last Sunday the Arlington Redwings semipro nine worked out in spite of low temperatures. The turnout was surprisingly good considering the conditions and indications are that the Redwings will have a spirited team of no little ability. Gail Bach, former Redwing star, finally made an appearance and showed why he is so well thought of. Ted Bakalar got in his first workout and was impressive.

Lloyd Meyer thought the practice was cancelled but got out of his car long enough to sneak in some batting practice. Joe Jankers was operating all over and looked ready to do his usual respectable job wherever needed. Dick Bokelmann couldn't believe his eyes when he saw the others working out and he hurried home and dressed and got in a good session.

Two other aspirants are Dick Sassi and Bill Anderson. Both have professional experience and played together in the service. Last season Sassi played for Skokie and is an excellent glove man. Anderson hit over .300 consistently in class B minor league ball.

With Bokelmann pitching greatest emphasis must be placed on the infield—especially short and second. Last season these two positions together with the catching were the weak spots. These weaknesses look like they are being strengthened so the Redwings should be able to hold their own.

In order to put on a well-organized program each Sunday the Redwings need help and financial backing from several sportsminded individuals and organizations. There are many jobs to do and not enough hands to do them. Anyone interested in helping out is asked to call manager Bud Bum[illegible] at ORchard 3-1356.

JIM CRAIG WON the 100 yard dash for Grayslake Monday, but Palatine boys copped the next 3 places. raig is at the right with Palatine runners placing 2-3-4 reading, right to left: Bruce Anderson, Dave Wagner and Roy Burns. —Staff Telephoto

Arlington Trackmen Lose To Maine, Frosh-Sophs Win

Arlington's thinclads lost to Maine last week, 84-34, but the local frosh-sophs surprised with a 62-56 decision.

For the varsity Dick Van Note copped the 220 for Coach Russ Attis, covering the distance in :24.6. Other gold medal for the locals was taken by Bill Palmer and Stan Norman in the high jump at 5'8".

Second places for the Cardinals were tallied by Van Note in 100, one-tenth off the pace; Bill Lussow in 880, Bob Mors in 440, Dennis Striegel in shot with a toss of 53'7½", and Ed Wilson in pole vault.

Manager Stan Hack of the Chicago Cubs is reported to draw the smallest pay check of any manager in the National League. The Sporting News says that in spite of Hack's record last year, when he got the Cubs off to a surprising start and had them in second place until just before the All-Star Game, he didn't get a raise when he signed his 1956 contract. Palatine Runners Roll Over Grayslake, Antioch

Palatine badly trounced Grayslake and Antioch in a triangular track meet Monday afternoon on Ost Field. Palatine collected 108½ points to Grayslake's 34, and 7 for Antioch. Grayslake won 2 events and tied with Antioch for a third but all the rest were won by the Pirates. Palatine had 11 firsts and 9 seconds.

Leonard Rohde won both the shot and discus for Palatine while George Sailor took both hurdle races. Best marks were :54.0 in the 440 by sophomore Jim Eldridge and 19'4" in the broad jump by Jack Thome. LeDain of Grayslake has a good 4:56.8 mile on a chilly day and Craig had a :10.7 to win the 100 yard dash for Grayslake.

Fenton Frosh-Soph 9 To Open Play Friday

Fenton's frosh-soph baseball squad, coached by Jim Monihan, will open the season Friday, April 13, at Glenbrook, with 2 freshmen in the lineup. Don DiOrio will be behind the plate with Charles Reeves on third.

Otherwise it will be a sophomore lineup for the opener, including Terry Brown on the mound, Wayne Hohman at first, Jim Meneguin at second, Jim Lange at short, Ray Gustafson in left, Bob Meyer in center and Brian Seeman in right field.

Coach Monihan is carrying 20 boys but will probably have to cut to 16 by week's end.

Screen 63 Hopefuls For Frosh Baseball

"She had so many children, she didn't know what to do."

That's about the situation facing Coach Maurice Klotz as he surveys the 63 candidates remaining for the freshman baseball team at Arlington high.

Original group numbered 72 with 9 already dropping by the wayside. Klotz is attempting to watch each of the remaining 63 to determine who can be rated "among best 30," a workable group for 1 man.

IT'S DIFFICULT to pick 'em out under forced draft. As a result the opener with No. Chicago was moved back to May 22 to give Klotz more time to assess ability among the boys.

Batting and fielding workouts have been the order of the day in first 3 workouts prior to Tuesday of this week. Opener is at Niles April 24. Included in the group are 12 pitchers and 4 catchers.

It's going to take a little more muscle to clear the left field fence at Municipal Stadium in Kansas City this year. As reported by The Sporting News, the distances will remain the same, 330 feet down the left field foul line but the fence has been raised from 12 to 18 feet in an attempt to cut down the number of Chinese homers over the low wall. Arlington 9 Opens Season With Wins Over LaGrange And Niles, Loss To Glenbard

BOB GETTS made first easily for Arlington against Niles Friday, the Cardinals winning, 5-2. It was the second victory in 2 days for the locals. Waiting for the ball is Niles first baseman Bill Ihmie. —Staff Telephoto

by PETE SWANSON

Coach Howard Lester's diamond Cardinals started the year right by defeating La Grange and Niles last week. The games, played Thursday and Friday at Recreation Park in Arlington Heights, were won by scores of 6-3 and 5-2 respectively.

The La Grange encounter, which was the WSC opener for both teams featured sharp pitching by John Sujack and Al Smeby and timely hitting by the locals.

Arlington opened the scoring in the opening inning on a walk to Phil Halverson, a fielder's choice, and hits by Ed Meinken and Ron Ashley. In the second inning Jim Summers walked, stole second, and tallied on a single by Don Butts.

* * *

BEGINNING for the home team was the fourth. Singles by Bob Getts and Summers and an error filled the bases. Jerry Bach replaced Lee Meyer on the mound for the Lions. A walk to Sujack forced in 1 run, and 2 more came across on an error. The Cards scored their final run in the sixth on a walk, a sacrifice, and Dan Vittum's single.

The visitors scored all their runs, which were unearned, in the fifth. An error, Jack Robertson's base knock, and a walk filled the bases. One run scored on an error, and Bob Wormley doubled home two more. Sujack, hampered by a sore elbow, was replaced by Smeby, who stopped La Grange thereafter.

IN FRIDAY'S game the Cards met Niles, rated on paper as the Suburban League's best team. Bob Getts' pitching highlighted the 5-2 triumph.

The visitors took the lead in the first frame on a hit by Ron Korsan, an error, a sacrifice, and an infield out.

Held hitless for 2 innings, the locals found the range in the third and fourth, scoring 3 runs in the former and 2 in the latter. In the third Pat Brownell opened with a single, advanced to second on an error, and took third on Bob Getts' bunt. Getts stole second, and both runners registered on Don Butts' single. Butts went to second on the throw-in and took third as the ball got away. He scored on a safe squeeze bunt by Dan Vittum.

* * *

THE FOURTH saw Denny Thill walk, reach second on an error, and go to third on Getts' second hit. After Getts stole second, Thill scored on Ron Ashley's hit and Bob counted on an error.

The visitors ended the scoring in the final inning on Rog Whitsett's infield hit, a wild pitch, and Ken Walter's single to left. The tally came off Al Smeby, who relieved Getts at the start of the inning.

Topping the hitters for Arlington were Getts and Ed Meinken, each with 2 for 3. Walter had 2 hits in as many tries for Niles. In six innings on the hill, the versatile Getts gave up one unearned run and three hits.

MONDAY'S GAME at Glenbard was a completely different story. The Cards did not look at all like the team that defeated La Grange and Niles, and seemed to be "down" from their previous showings. As a result, a 7-6 defeat was administered.

The visitors outhit the winners, 7 to 4, but six errors and other mistakes proved costly. Pitchers Al Smeby and John Sujack of Arlington racked up 12 strikeouts, Smeby getting 7 in 4 innings and Sujack 5 in 2. The loss went to Sujack, but Su looked very good and deserved a better fate. Five of Glenbard's runs, including the winning one, were unearned.

The winning run scored in the sixth. With one out Bob Biehn walked and stole second. An error with two down let in the run that broke a 6-all tie.

* * *

THE LOCALS effected the temporary deadlock by scoring five times in their half of the sixth. Three walks with none out filled the bases, and one tally scored on a double play ball. A triple by Sujack and Ron Ashley's double made it 6-4. After Don Butts walked, Dan Vittum doubled home Arlington's fifth and sixth runs.

Previously, the home team broke ahead by scoring twice in each of the first 2 innings and once in the third and fourth. Arlington's initial marker came in the third. (Sp

On Golf Team

Herb Gorder, junior letterman from Arlington Heights, will be a mainstay on the Coe college golf team when it opens its season by entertaining Cornell's golfers on the Ellis park municipal course here Saturday, April 14.

Coach Bob Bennett said he was counting on the Arlington Heights veteran to be one of Coe's top hands in Coe's 11-meet schedule.

The Coe team will wind up its season by being host to the Midwest conference golf tournament, May 18-19. (Sp

Heights Netmen To Meet Leyden, Then Niles

Arlington high's netmen open a new season Thursday and Friday, traveling to Leyden, then Niles.

Varsity coach Ken Schaller has named first 5 boys for the openers with another group of 4 running 6-9.

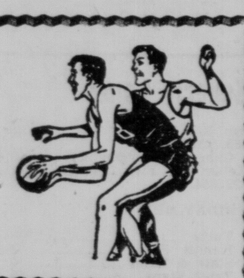
As of Tuesday, the first 5 of the varsity included John Kudla, Lee Damler, Jim Mott, Don Stadelman and Thurston Brown. Other 4 include Carl Coffman, Tom Hoder, Tom Longwell and Fritz Snyder.

* * *

LEADING the frosh-sophs is Coach Bob Baker. His squad of 40 had been cut to 24. Challenge matches are being run off Tuesday and Wednesday before the openers, so just who will compete was not known as of Tuesday.

First 8 boys include Jim Graves, Keith Butterfield, Bill Dodge, Jim Erickson, Ken Now, Bill Koopman, Jon Weisenbach and Tom Von Boeckmann. (Sp

MAC SAYS



by G. A. McElroy

IT IS ONLY 2 WEEKS from Saturday until the 24th running of the Palatine Relays at Ost field in Palatine. Last year's record entry list is not likely to be duplicated since Wheaton will again sponsor a meet on the same day. Also, it is unlikely there will be as many record breaking performances as a year ago when there were 7 records broken or tied in each class division.

This year if the weather is warm there will undoubtedly be some new records established. For one thing there will be three state champions competing in the individual events.

Jim Bowers of DeKalb who has won the class "A" mile three times at Palatine and who set a new mark of 4:25.1 last year was a state champ as a sophomore. He might even crack the national high school mile this year. Vernon Estes of North Chicago won both the 100 and 220 yard dashes at the state meet last year running the 100 in the same time as at the Palatine Relays, a speedy :09.9. A pulled muscle has slowed up Estes getting in form this spring.

★ ★ ★

ARLINGTON HEIGHTS has a junior who last year tied the state championship in the high jump. Bill Palmer may set a new record at the Palatine meet in his specialty. Ken Miller of DeKalb played fourth in the state broad jump last year and should be the chief contender in that event.

Palatine will be after 3 class "B" records as well as their third championship in a row. The Pirates think they have a good chance to crack the 2 mile and mile relay marks set last year.

It takes an average of 4 men running the 440 in :54 to break the mile relay record and Palatine is quite certain of 2 who can go under that figure in Jim Eldridge and Jim Hess. In two mile relay it will take four men averaging 4:10 and Palatine is sure that Carl Bondeson and Roy Hahnfeld can run as low as 2:07 and perhaps lower. Big Leonard Rohde in the shot is another Palatine record threat.

Mooseheart is going to be strongest in the same relays as Palatine and the two of them may push each other into record breaking times. Coach Welty thinks he may gain a slight edge on Mooseheart in the meet through having better hurdle shuttle teams and superior men in the individual events.

★ ★ ★

ONE OF THE GOLF POWERS in prep circles this season will be Leyden high of Franklin Park, a team which took a third place tie in the state meet last year behind New Trier and East Rockford. Leyden has their team returning including Emil Esposito who took second in the state as a sophomore last year with 73-77: 150.

Esposito won 34 of 36 varsity matches for Leyden as a freshman and sophomore, is expected to approach his peak this year and possibly lead the Eagles to the state championship.

The Leyden star is the prep school Ben Hogan of the Chicago area standing but 5-7 and weighing 155. Esposito's older brother is a golf professional. Among the top returning Leyden stars is Ron Steel whose father is superintendent of Leyden high school. Palatine high meets Leyden twice during the coming season as well as New Trier, which won the state last year.

★ ★ ★

SOUTH SUBURBAN CONFERENCE competes on a round robin basis in track with each school meeting each of the others in a dual meet. State champ Blue Island was pitted against league champ and 1956 state favorite Bloom in the first league meet.

Bloom, expected to cop the class A of 24th annual Palatine Relays April 28 is coached by Ralph Stebben, a former North Central college star athlete who coached previously at Wauconda.

★ ★ ★

ONLY ONE BIG TEN PLAYER from the past season, Carl Cain of Freeport, Illinois and the University of Iowa, is on the Olympic basketball squad selected on the basis of a four team round robin tournament last week. Actually Iowa has two on the 12 man squad as Chuck Darling, former Iowa center and most valuable player in the Big Ten as a senior, is on the squad as a member of the group of 5 picked from the team winning Phillips 66 Oilers of Bartelsville, Oklahoma. Paul Judson of Illinois who played with the college all-stars was not picked on the squad of 12 or among the 6 alternates.

Bill Hougland of Kansas and a member of the Oilers team played on the 1952 Olympic team and thinks this one is better because of Bill Russell of San Francisco. Incidentally Russell played on the losing side in his first game this year as the Oilers beat the all-stars. His team mate at San Francisco, K. C. Jones, who was not eligible for the national collegiate tournament this year due to the four year rule, also made the Olympic team so San Francisco and Iowa each have two alumni stars playing basketball in the Olympics.

The United States has never failed to win the Olympic basketball tournament and this year appears stronger than usual. Next fall in October and November the team will go on tour playing in the big cities of the country to get in shape for the competition in Australia in December. Gerald Tucker, coach of the Oilers, will direct the Olympic team.

★ ★ ★

NORTHWEST CONFERENCE baseball schedule of 14 dates, home and home, gets underway Friday. Little is known of the strength of the teams. Locally both Palatine and Fenton, who had 6-8 records, are improved and expected to be competing for the first division. From what little we know of the teams and the left over players from last season we would be inclined to think Grant and Glenbrook might finish 1-2. And don't sell Wauconda short for they may be the sleeper this year.

We know Grant had enough holdovers to turn the trick but just how many were shifted to Round Lake is the big question.

Anyway Fenton will be host to Glenbrook and Palatine will entertain Wauconda Friday. In other games Grant is at Ela-Vernon and defending champ Grayslake will play at Antioch. Games this year will start at 4:15 with no teams leaving home before school is dismissed for games out of town. Visiting teams will not take batting practice.

★ ★ ★

NEXT WEDNESDAY, APRIL 18, the association of suburban conferences will hold their spring meeting at the Palmer House in Chicago and one item of business on the agenda is the report of the realignment committee with a recommendation of a shift in conference alignments with an added conference formed so that all schools in the area will be in an organized league.

This is a tough job to do. Enrollment, travel distance, and even competition are the factors to consider but the greater one is whether individual schools will accept a shift to a new arrangement.

Personally we cannot see a realignment plan which still leaves great inequalities in size of schools within a conference. Also, the large number of second schools being planned in suburban districts will change the picture radically in a few years. Any success in realignment depends on all schools willing to adopt a give and take attitude in this matter.

Spanish Parrot Strikes To Regain Station Master Job

by BILL DILLINGHAM

Vested with more authority than any other bird in the world is a parrot who plays station master in Cantoria, Spain.

It is his job to signal the trains' departures by whistling.

Like most state employees, however, he takes his orders from a higher boss. In this case it isn't another parrot, but a man. When it is time for a train to leave the station, Pepito catches the signal from his boss and produces a shrill sound that is impossible to avoid hearing.

* * *

ABOUT A YEAR ago Pepito almost lost his job. Bloated by the authority given him, he began to decide for himself when the train should depart. On 2 occasions trains left slightly early. No damage was done, however, because a train in Spain that leaves early is one that really leaves on time. But Pepito's actions worried his boss.

The parrot was relieved of duty. So grief-stricken was this proud bird, however, that he did not swallow a single seed or cracker for 3 days. Reinstated in his post, Pepito has obeyed orders ever since.

Last week, however, the parrot was again in trouble. Obscene language has become part of his vocabulary and he uses it to villagers. His apologetic boss explains that it is difficult to be close to the general public and not learn such things. Nonetheless, complaints have been made and Pepito is fired.

Authorities point out that all trains are supposed to respond to a flag waving and not only a whistle. Pepito cannot wave a flag, so in addition to his ability for languages, the issue is supposed to be closed.

* * *

PEPITO'S boss, who is also his owner, points out that this order will kill the bird. He explained about last year's hunger strike, but the unemployment order still stands.

At the time of this writing, Pepito has not dispatched a train from Cantoria during the last 36 hours. He has not eaten since his retirement either. The bird is stricken with remorse. It is doubtful that he will last through the weekend. (B10

At The Catlow

In a role perfectly suited to his unique talents, Danny Kaye portrays a buffoon at a medieval English court in the magnificently produced and hilarious "The Court Jester," due Sunday at the Catlow Theatre. The spectacular VistaVision, Technicolor film has been called the volatile Kaye's crowning achievement and funniest to date. (Bill

NEEDLE in the GROOVE

by PAUL LITTLE

"Pops" lovers will acclaim 2 new Victor lps, one on the budget-priced Camden label, the other a wide-range Victor 12-incher. The former features Tony Pastor and his orchestra, bringing back memories of the late Thirties and early Forties when Tony not only led a crackerjack band but did some very commendable warbling.

Here is a 12-inch program of his best numbers, including "Dinah," "Green Eyes" and "El Choculo." This Camden waxing, like the entire series, was transferred from the old 78-rpm masters, and the engineers did a very good job. You'll enjoy it!

That Victor album is a natural best-seller, for Eddie Fisher sings the 21 Academy Awards winning hits from 1934 to 1954; this too will bring back memories with numbers like "Mona Lisa," "White Christmas," "Buttons and Bows" and "The Last Tim I Saw Paris." Eddie sings in his very best balladeering manner; as for the tunes, George Gobel might well say, "They don't hardly make that kind no more." Tops!

HIFI records of Hollywood, following its superb George Wright organ and Verlye Mills harp discs (which probably set standards for wide-range sound reproduction!), has a gorgeous newie, the 12-inch "Band with a Beat," a 24-piece ensemble of the finest brass, woodwind and percussion artists directed by Harry Zimmerman. There are some jazz treatments here which will curl your ears! A must for the hi-fi and jazz addict!

Jazz and "pops" on re-recorded tape is winning national favor, thanks to the yeoman work of brilliant young Dave Hubert, head of Omega tape. His Jazztape and Alpha tape labels offer a wide variety of outstanding modern entertainment, recorded for playback at 7½ inches per second, dual track, with sound that's impeccable. Your community camera shop or hi-fi or record store can let you see the Omegatape catalog. Just to whet your appetite, we cite Jazztape album 4008, "New Orleans," done up sizzling brown by the great Kid Ory and his Creole Band with boisterous blues singer Lizzie Miles backing the Kid's searing trombone to the hilt. Tunes include "Basin Street," "Dippermouth Blues," "High Society" and "Ballin' the Jack." Sound is simply terrific! For a wonderful classical treat on tape, try Omegatape 3003, "Waltzes and Polkas by Johann Strauss," with the Vienna Pro Arte Orchestra under Anton Paulik. It's got "Blue Danube" and lots of other favorites.

Kerchoo! That's British Religion

by WILLIAM McGILL

A friend of ours has recently moved to England for a while, and we would like to present some of her comments on religious practices on first impression.

"As much as you hear about drafty houses in England, you can never imagine just how bad it is. The first Sunday, we visited (Westminster) Abbey. It was so cold and my feet so numb I could not enjoy any part of it. Just wondered how anyone could sit through a service and be as miserable as I was. I guess not many public places are heated except a few offices. I understand some of these are hot at 40 degrees." (I thought this might be Centigrade, but the equivalent in Fahrenheit would be about 105.)

* *

SHE DEVELOPED a case of flu. "I had a very charming English doctor come to see me every day. Kept trying to pay him but he thought he'd best see how I was in several days. Finally I just cancelled his seventh call. Our bill next day was 3 guineas ($9) a visit. So I think when we get settled, we shall join the National Health program.

"I am enclosing a folder from the church I attended, Sunday (City Temple, London). Thought you might be interested. I was very surprised at the humor in Rev. (Leslie D.) Weatherhead's sermon. The service was very similar to ours, except it was an hour and a half and the hymn book had no music. This was a large church, the lower floor was full and the balcony half full, it was U-shaped. The pulpit was in the center of the church, up high. In fact, the minister's head was level with the railing of the balcony. I did not understand about the 'children's humn.' Every one sang, and then the children all passed out a door with several adults in attendance.

"Services are at 11 and 6:30, Sunday School at 3. Monty said he was told that Sunday School is not like we are used to. When we get settled in Putney, I plan to find out more about this."

* * *

READERS might be interested to know that the bulletin for that Sunday includes a Covenant with the London Congregational Union "to stabilize the minimum stipends of our poorer ministers for at least 7 years."

The Inland Revenue pays salaries to ministers in amounts equal to those contributed by the churches.

The clincher to the pledge are these Words: "SIGNED, SEALED and DELIVERED by the abovenamed in the presence of" and then there is place for the witness' signature. The government apparently is not paying any salaries that are based on delinquent pledges. (B10

Margaret Wenzlaff, Edward Zwettler Marry

Gowned in white tulle and lace, Miss Margaret Wenzlaff, daughter of Mr. and Mrs. Erick Wenzlaff, 144 N. Milwaukee ave., Wheeling, became the bride of Edward Zwettler, Wheeling, at St. Paul of the Cross Catholic church, Park Ridge, March 17. The Rev. Thomas Curley officiated at the double ring ceremony at noon in a setting of white mums and candles. The groom is the son of Mr. and Mrs. Louis Zwettler, Dyer, Ind.

Given in marriage by her father, the bride chose a waltz-length wedding gown fashioned with a full skirt set with 3 rows of French lace in V-shaped designs. The bodice of her gown was styled with a wide V-neckline and rows of unpressed tucks. Tiny puffed sleeves were accented with rows of lace across the shoulders, following the lace edging of the neckline. The head piece of her shoulder-length tulle veil was fashioned into a cap of criss-crossed strips of tulle studded with seed pearls. White satin pumps and above-the-elbow tulle gauntlets completed the bridal costume. For "something borrowed," the bride chose to wear her mother's pearls.

White ribbon streamers fell from the bride's cascade bouquet of white carnations centered with a detachable white orchid which she wore as a going-away corsage.

Miss Judy Weiland, fiancee of Erick Wenzlaff Jr., brother of the bride, served as her only attendant. She was gowned in pale blue polished cotton trimmed with rows of eyelet embroidery on the square neckline, cap sleeves and full skirt. Miss Weiland's pale blue pumps matched her gown and she also wore pearls, the gift of the bride. Her pink carnation headpiece matched the color of the rosebud and carnation colonial bouquet she carried.

Serving as best man to his brother was Louis Zwettler, El Paso, Texas.

For her daughter's wedding, Mrs. Wenzlaff selected a gown of pale blue lace with short sleeves and a stand-up tulle collar edging the round neckline. She wore navy shoes and a pale blue hat. Mrs. Zwettler also wore pale blue, but chose pink for her hat and accessories. Both mothers wore corsages of pink camellias.

The wedding reception and dinner was held immediately following the ceremony with the bride's father, Erick Wenzlaff, as host in his restaurant.

Among the guests was the bride's 16-year-old cousin, Miss Irmgard Wenzlaff, who has been making her home with the bride's parents since her arrival from Germany last July. Pink carnations formed her shoulder corsage. Out-of-town guests included the bride's godmother, Mrs. Edward Friewald, and Mr. Friewald, of Janesville, Wis. Leonard Claus, Chicago Heights, a friend of the bridegroom, also attended accompanied by his 2 small sons.

The new Mrs. Zwettler, a graduate of Arlington Heights high school, is now employed at Tractomotive Co. Deerfield. Mr. Zwettler, a graduate of La Grange township high school, also attended Stetson university, Deland, Fla. He is at present employed by the Asplundh Tree Expert Co. in Wheeling, but plans to go into his own landscaping business later this year.

After a week's honeymoon at Osage Beach, Lake of the Ozarks, Mo., the cohple is now at home at 517 S. Milwaukee ave., Wheeling.

Tom Cooper Jr. Takes Bride In California

In a double ring, candlelight ceremony March 24, Miss Sue Nell Dexter, daughter of Mr. and Mrs. Keith L. Phinney, Santa Ana, Cal., and Thomas O. Cooper Jr., son of Mr. and Mrs. Thomas O. Cooper, 845 N. Beverly lane, Arlington Heights, were united in marriage by the Rev. Lewis Dugger.

The altar of the Capilla de San Antonio at Anaheim, Cal. was decorated with palms, candelabra and baskets of pink and white gladioli, white stock and peach blossoms for the ceremony.

Preceding the lighting of the candles and the wedding processional, Miss Mary Lou Eannareno sang "Beloved" and "Because."

The bride, given in marriage by her father, wore a floor-length gown fashioned with a chantilly lace bodice with long pointed sleeves and a small scalloped collar. Her bouffant skirt was of 3 tiers of chantilly lace and tulle over satin. She wore a shoulder-length veil trimmed in lace and held in place by a crown of lace and seed pearls. White carnations and stephanotis centered with a white orchid made up her bridal bouquet.

Serving as matron of honor was Mrs. William Hale who wore a pink ballerina-length gown of nylon chiffon over net and taffeta. She carried a bouquet of pink and white carnations and wore a crown of pink lace. The bridesmaid, Miss Sylvia Ramirez, wore a coral ballerina-length gown of nylon chiffon over net and taffeta and a crown of coral lace. Her bouquet was of coral and white carnations.

William Hale was best man and ushers were Gerald Shockley and Richard Sivley.

The mother of the bride wore a blue floral print dress of nylon taffeta with navy accessories while the bridegroom's mother wore a Dior blue shantung dress and jacket with white accessories. Both mothers wore orchid corsages.

A reception for 200 guests was held in the hostess house, adjacent to the wedding chapel.

The new Mrs. Cooper was graduated from Santa Ana high school. Her bridegroom, after graduating from Arlington Heights high school, enlisted in the marine corps and was sent to the lighter than air base at Santa Ana, a division of El Toro marine base. He served as a crew chief specializing on helicopters. It was during his military service that he met his future bride. Both young people are now employed in Santa Ana.

Following a honeymoon in Las Vegas, the couple will be at home at 1026 W. Bishop st., Santa Ana.

Among the out-of-town guests at the wedding, were the bridegroom's parents, who spent the month of March in California.

Former Palatine Girl Weds In Florida

Miss Susan Ambler, daughter of Mr. and Mrs. Kirby Ambler of Ft. Myers, Fla., and Chicago, formerly of rt. 53, Palatine, became the bride of Walter Van Braam Roberts Jr., son of Mr. and Mrs. Walter Van Bramm Roberts Sr. of Princeton, N. J. and Englewood, N. J., in a ceremony in St. Luke Episcopal church in Ft. Myers, April 3.

Canon Richard L. Brown performed the nuptials in a setting of white gladioli, chrysanthemums, and snap dragons and lighted candelabra at 4:30 p.m.

Given in marriage by her father, the bride wore a silk Dior model of antique ivory fashioned along classical lines with a pleated train and pleated inserts in the skirt. Her veil was a piece of heirloom lace that has been in the Ambler family. She carried a Bible with tuberoses.

Matron of honor was Mrs. Graham Johnson of Madison, Wis., and her cousin, Miss Betsy Swarz of Houston, was junior bridesmaid. Other attendants were Miss Mary Louise Simpson of Ft. Myers, Mrs. Dudley Woodbridge, sister of the bridegroom from Princeton, N. J., and Miss Peggy Woodbridge, niece of the groom from Princeton, who was flower girl. The attendants wore gowns in aqua chiffon and carried yellow and white pom pon chrysanthemums.

Shepherd Roberts, brother of the groom from Princeton, was best man and ushers were Kirby Ambler Jr. of Chicago, brother of the bride, Tom Roberts, cousin of the bridegroom from Princeton, Thad McCarty of Rio de Janeiro and Dudley Woodbridge of Princeton.

Immediately after the ceremony, the Amblers were hosts at a reception in their home. Mrs. Ambler wore a pale yellow and green printed silk dress on an ivory background. Later in the evening, the newlyweds left on a 2-week Caribbean cruise.

The bride was graduated from Ft. Myers high school and the University of North Carolina. Mr. Roberts was graduated from Princeton university and Harvard Business school. He is with the J. Walter Thompson Co. in New York.

Virginia Rechberger Weds Ray F. Hammerl

St. Paul Lutheran church in Mt. Prospect was the scene of a marriage service February 25 in which Miss Virginia Rechberger, daughter of Mr. and Mrs. Fred Rechberger, Rand rd., Mt. Prospect, became the bride of Raymond F. Hammerl, son of Mr. and Mrs. Raymond Hammerl of Des Plaines. The Rev. J. E. A. Mueller officiated and the bride's father gave her in marriage.

Mums marked the pews for the candlelight service and the bride's cousin, Miss Lois Berger, was soloist. Elmer Jackisch was organist.

For her marriage, the bride wore an antique satin gown with silver embroidered roses. Pearl buttons trimmed the bodice from the mandarin collar to the waist. The dress was made with long pointed sleeves and a full length skirt with colonial hoop. Her fingertip illusion veil was held in place with a seed pearl crown and she carried a nosegay of stephanotis and a white orchid.

The bridegroom's sister, Mrs. Beverly Brennan, was matron of honor and wore an irridescent moss green taffeta gown fashioned ankle length with a huge matching bow lined with gold. She carried gold mums and wore a gold hat with veiling. Joanne Busse, Pat Dickey ad Gail Kulie were bridesmaids and wore gowns identical to the matron of honor's gown, but without the bow. Their hats were in green and they carried bronze mums.

William Brennan was best man and ushers were Tony Caliento, Steve Caliento and Don Hammerl, cousin of the bridegroom.

A reception was held in Fred's Community hall, owned by the bride's father. Mrs. Rechberger received in a steel gray lace dress with white hat and gloves, navy shoes and bag. The bridegroom's mother wore a beige lace dress with matching shoes and bag and both mothers wore white orchid corsages. Among the guests were the bride's aunt and cousins from Graz, Austria, Mrs. Maria Prettenhofer and Mr. and Mrs. Louis Prettenhofer.

Redington Beach, Fla. was selected for a honeymoon and the couple is now at home at 522 E. Lincoln st., Palatine.

An open house in honor of Mr. and Mrs. J. Pearce Cline of Evanston, who will observe their 50th wedding anniversary April 18, will be given by their sons, Charlton and Richard, at the home of the former, 415 S. Belmont ave., Arlington Heights, Sunday, April 15.

Mr. and Mrs. Cline were married April 18, 1906, in Springfield, and moved to Chicago in 1907. They have resided in Evanston since 1938. Mr. Cline retired in 1954 after 37 years with the Cline Electric Manufacturing co., of which his brother, A. J.Cline, was founder.

They are grandparents of Phyllis, 18, and Robert, 16, children of Mr. and Mrs. Charlton Cline, and Karen, 4, daughter of Mr. and Mrs. Richard Cline, who reside at 818 Forest, Evanston. Phyllis is at present a student at De Pauw university, Greencastle, Ind.

Guests at the open house will include Rev. and Mrs. William H. Evans, parents of Mrs. Charlton Cline, who will observe their 48th anniversary April 19. Rev. Evans is minister of the parish of the First Methodist church, Elgin.

A reception in honor of the Clines was held Sunday, April 8, at the Country church of the City in Chicago, where they have been members for the past 44 years.

Mrs. Charlton Cline teaches first grade at Fairview school in Mt. Prospect.

World Traveler Will Speak To 7th District Junior Women

Wilson McCoy, world traveler, will be guest speaker Tuesday, April 19, at the combined meeting of all junior clubs in the seventh district. Mr. McCoy will narrate and show slides of his travels in Africa.

Mr. McCoy is the only white man to go in to the depths of the country to photograph the country and its' people. Also to appear on the program will be the chorus groups from the Junior Woman's club of Des Plaines and the Arling Heights Junior Woman's club. They will sing "Wishing," "While We're Young" and "Ave Maria."

This will be the last meeting of the year and all presidents and district chairmen will give reports of their various activities throughout the year. Mrs. Bernard Cahill, junior director will preside at the meeting. Junior clubs participating will be the Edison Park Junior Woman's club Arlington Heights Junior Woman's club, Junior Woman's club of Des Plaines and the Rolling Meadows Junior Woman's club.

The meeting will be held at Arlington Heights Junior high school in Arlington Heights. Rolling Meadows Junior Woman's club will be hostess club.

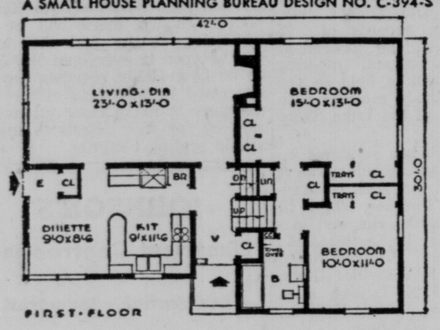
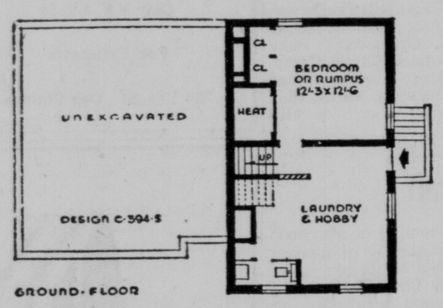
New Ideas In Homes

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-394-S





Design C-394 S. A natural scenic view or an attractive garden development on the rear of the lot is suggested by the location of the living room in the rear of this split-level home.

The lowest of the 3 levels, or basement, houses laundry and heating equipment and space which can be used either as a rumpus room or a third bedroom.

The living room, combination kitchen dinette and vestibule are on the ground level, which is built over a crawl space. The complete kitchen has a snack bar, which separates it from the dinette area, and a broom closet.

The upper level consists of 2 bedrooms with wardrobe closets, a bathroom and linen cabinets.

Exterior finish includes wide siding and a hip roof. Additional features are large picture windows to the rear, a living room fireplace and a covered front entrance.

Area on the ground is 1166 square feet, with a cubage of 17,404 cubic feet.

For further information about Design C-394 S, write the Small House Planning Bureau, St. Cloud, Minn.

Offer Social Security Booklet Free Of Charge

A new booklet, entitled "How A new booklett entitled 'How Benefit Payments," is now available to the public, the northwest district social security office announced this week.

When the time for retirement is in sight, every worker should read this easy-to-understand pamphlet. It explains how a person can take a part-time job or one involving less responsibility. In this way he can keep busy and at the same time supplement his social security benefits.

* * *

SOCIAL security beneficiaries can earn up to $1200.00 a year and still receive their full benefit amount. If, however, at any time during the year they expect to earn over $1200.00, they are required to notify the social security office. Income from investments and pensions is not counted as earnings. All other types of income, whether covered or not by social security, are included in the $1200 rule. The only beneficiaries who do not have to limit their earnings are those 72 years of age or over.

The social security administration urged local residents with a particular problem about social security to visit the district office at 4255 Milwaukee ave., Chicago. The booklet is available free-of-charge by mail or by telephoning Spring 7-3413. (B7

Marine Air Reserve To Be Featured On TV

Chicagoland's armed forces presentation of "United We Stand" on WTTW, channel 11, Thursday at 7 p.m., will feature the Marine air reserve.

The 30-minute program will include film clips of the Great Chicago fire of 1871 as recreated by 20th Century Fox in their show, "In Old Chicago." In addition, a film on Chicagoland's own Marine air reservists receiving basic indoctrination during a 30-day summer training period will be viewed.

* * *

HIGHLIGHTING the program will be the introduction of Marine Brigadier General Arthur F. Binney, who is responsible for the nationwide training and policies of the Marine air reserves. Headquarters for the reserve command is located at the Naval air station in Glenview.

General Binney will speak on the reserve forces as a tangible asset to Chicagoland — boosting economy and training men for industry on a non-competitive basis.

Narrator for the program will be Marine Lieutenant Colonel Robert B. Moore, informational services officer for Marine air reserve training command. (BB

Prefabs Offer Fresh Approach To Home Building

By applying to home building the methods of modern manufacturing, National Homes corporation produces a wide range of attractive, comfortable homes within the means of every American family.

The assembly line and mass production techniques developed by National homes result in important advantages to the home buyer in the higher quality and lower cost of his house.

* * *

IN LITTLE more than a decade, National homes has become the country's largest producer. Today 1 out of every 48 homes being built in America in a National. A house comes off the production line every 11 minutes.

National Homes works on the principle that as large a part of the home building job as possible should be done in the modern factory — out of the weather — under controlled conditions.

This principle is new only in that the home building industry is beginning to go further and further down this typically American road to standardized quality and lower cost. (DL

Here Are Hints For Planting!

by WILLIAM KREUTZFELD

Since the planting season in our area is now in full swing let us look at some of the principles involved. Methods vary, of course for the various types of plants.

Shade trees or large evergreens can be a problem because of the large ball of earth with which they must be moved. If there is heavy clay subsoil it should be loosened at the bottom with some large stones, sand or cinders to allow the water to drain away from the roots. This rule can be applied to practically all of the plant kingdom except bog plants. Roots which are constantly soaked in water will rot which in turn will kill the plant And most new home owners being anxious to do the watering job well on their new trees and shrubs usually water quite often. This practice can lead to trouble, without good drainage.

* * *

TO BE SURE most gardeners have heard the old saying that a 50 cent tree and a 5 dollar hole is better than a 5 dollar tree and a 50 cent hole.

This is quite true however.

Do not take a pipe wrench and try to screw the plant into a hole that is too snug a fit. Dig your hole at least a foot wider than necessary and when you refill the hole with good friable soil you will be able to pack the hole by reaching down into it with your hands. This will eliminate any air pockets which can be fatal.

Remember that it is not a good practice to fertilize your trees and shrubs the first year, especially evergreens. The reason for this, is the possibility of forcing top growth before the roots have established themselves in their new home. The resulting imbalance could be the end of your plant. The only fertilizers you should use, if you insist, are bone meal or a very little superphosphate.

* * *

AS SOON as the hole is two-thirds filled, soak with water, then fill the remaining one-third and water again. During the heat of the first summer water the plant often and deeply but keep in mind your drainage problem. Make sure there is no water standing around the roots.

When planting any annual, perennial, or vegeatble garden spade the ground up thoroughly incorporating some loosening agent such as manure, peatmoss or humus. Also spade in whatever fertilizer you use at the amount specified on the bag.

When you have done this it will grow flowers or vegetables without fail if there is enough water. Here again follow the rule of less watering but put enough on when you do so that the ground is soaked to a good depth.

Never plant in a hurry. Take your time and let your common sense be your guide. If your plant was worth the money you paid, it is also worth planting correctly. (Fm

HOME COMFORT EQUIPMENT *before you buy!*

America's biggest line of automatic heating and cooling equipment offers everything needed to make your home luxuriously comfortable all year round. Oil and gas-fired furnaces and boilers, with or without provision for summer cooling, fuel-saving oil and gas burners, air conditioning units, all of highest quality and proved economy. Wide range of models and capacities meets every requirement.

Winkler heating and cooling equipment is installed by factory-trained experts—your warranty of a satisfactory installation.

You don't have to buy a new furnace to have summer cooling

If you have a warm air furnace, you already have half of a summer cooling installation. Your present duct-work can be used to circulate cool, dehumidified air from a Winkler Cooling Coil. If you heat with steam or hot water, a Winkler Cooling Coil and Blower will do the job. In either case, the Winkler Condenser Unit is located outdoors, for quieter, more efficient operation.

Gems Of Thought

TRUE VALUES

The real measure of our wealth is how much we should be worth if we lost our money.
—J. H. Jowett

If you would make a man happy, do not add to his possessions but subtract from the sum of his desires.
—Seneca

All good things are cheap, all bad things very dear.
—Henry David Thoreau

Of little value are silver and gold, in comparison with love, that gift in everyone's power to bestow.
—Elizabeth Cleghorn Gaskell

Break up cliques, level wealth with honesty, let worth be judged according to wisdom, and we get better views of humanity.
—Mary Baker Eddy

Northwest Towns Spent $11,000 For TB Seals

Christmas seal purchases by residents of Palatine, Mt. Prospect, Prospect Heights, Arlington Heights and Rolling Meadows amounted to more than $11,000 according to the Tuberculosis Institute of Chicago and Cook county.

The total collected during the 1955 campaign was $759,194, an increase of $43,498 over donations the previous year.

* * *

COLLECTIONS in the 1955 campaign, with the 1954 figure in parentheses, were: Arlington Heights, including Rolling Meadows, $6,090 ($4,988); Mt. Prospect, $2,696 ($2,090); Palatine, $2,482 ($2,421); and Prospect Heights, $476, ($409).

In addition to its expanded programs of health education, research and rehabilitation, the Institute expects to have another record chest X-ray total this year.

Public Notice

Notice of Proposed Changes in Schedules

COMMONWEALTH EDISON COMPANY and its Public Service Company Division hereby give notice to the public that it has filed with the Illinois Commerce Commission on March 29, 1956, a proposal for revising its Fuel Adjustment Rider as contained in Schedules 9 and E-3, and Section No. 1, Ill. C. C. No. 4.

The Company is proposing, by the revision, to take into account changes in the rate of fuel consumption per kilowatthour when measuring the effect of fuel price changes on fuel adjustment charges or credits per kilowatthour.

The following changes are also proposed: (1) to eliminate seasonal fluctuations, all fuel adjustment calculations would be made on the basis of 12 months rather than 6 month averages; (2) for simplicity in statement, the base fuel price, changes from which will be reflected in the fuel adjustment, would be reduced from 2.70143c per therm to 2.70c; and (3) to enable use of a single fuel adjustment in all billing during any month, the fuel adjustment charge or credit would be the same for all bills issued in the month rather than varying, depending on the month in which the Customer's service period ends.

Further information with respect to this change may be obtained either directly from the Company or by addressing the Secretary of the Illinois Commerce Commission in Springfield, Illinois.

A copy of the proposed change may be inspected by any interested party in any business office of this Company or of its Public Service Company Division.

Theo. Militzer, 80, Veteran Music Instructor, Receives Congratulations

THEODORE MILITZER is shown in his studio at his home, 302 W. Euclid, Arlington Heights. In the early years of this century he was on the faculty of American Conservatory of Music and as one of the foremost piano instructors exerted a strong influence in Chicago music world. At 80, he is instructing some of the grandchildren of his former pupils. —Staff Photo

For a man who claims he led "a double life" for half a century, Theodore Militzer of Arlington Heights is looking remarkably well.

"In my case the 'double life' consisted of a musical career in Chicago and my civic career here," points out Militzer. He went on to explain he returned to his boyhood home town shortly after the turn of the century in order to escape from the social whirlwind beckoning a young musician in Chicago.

Militzer designed a home for himself and his young bride on a quiet corner at 302 W. Euclid st. and there he has lived since 1902. The block of well-kept older homes looks much as it did then but, Militzer says, many of the old timers have moved on.

Sunday Militzer observed his birthday, "pretty much alone but there were lots of calls from friends."

Many of the callers were local people who knew the octogenarian during his long years of service on the boards of education of grade school district 25 and Arlington high school. Others were former pupils whom he taught during his 50 years with various Chicago conservatories.

* * *

IT'S A SAFE bet that few of the callers remembered that it was 50 years ago this year that Militzer established a concert orchestra in Chicago, in order to give native-born musicians an opportunity to play together in a symphony.

"In those days the orchestras were filled with European musicians," he reminisced. "My orchestra gave young Chicago musicians new opportunities."

The orchestra struggled on for several years until it eventually merged with another group and the present civic symphony orchestra was formed.

Militzer continued teaching and conducting in Chicago until his wife became ill a few years ago. Then he moved his studio to his home. Boys still come each afternoon to practice their scales, seemingly observed from the wall by stern-faced portraits of Beethoven and Liszt which Militzer has painted.

From his work with the 2 boards of education, Militzer rates the title of "Father of Arlington high school."

"I was president of the grade school board in 1914," he said. "Our board had established a small high school but it was growing too large for us to maintain.

"We tried to set up a high school district and sell bonds for a new building. The approaching war disrupted our plans and we had other difficulties. Finally after 8 years of fighting, including 2 suits that went to the state supreme court, we got our high school district in 1922. Many people didn't stick with the fight, though, and at times it seemed as if I was the only one who was carrying on the battle."

* * *

THE SPRIGHTLY gentleman served a total of 18 years on the high school and 6 years on the grade school board.

"Every time they got into trouble they called me back onto the board," he chuckled. He retired from the high school board for the last time in 1944.

Militzer ended his lively recountint of days long past at that point.

A 12 year old had bounded onto the porch — it was time for another piano lesson.

Future Homes 4-H Plans Skit; Holds All-Day Meeting

"Share the Fun" was discussed at the Future Homes 4-H club meeting held March 19 at the home of Vern Krause. On the committee for the "Share the Fun" skit are Mary Kaiser, Pat Westernfeld, Susan Kappa, Susan Korbus and Judy Kessler.

Vern Krause gave a demonstration on "marshmallow crispies; Betty Malanik talked on making a hooked rug; Sandra Jackoboski and Susan Klinger on washing ones hands properly and Lois Von Bergen on cleanliness.

The group held an all-day meeting March 29 in the home of its leader, Mrs. N. Foss. Members worked on wood fibre flowers and pressing hams and after luncheon, a short business meeting was held. Sandra Jackoboski gave a demonstration on how to make a pressing ham and Carolyn Bleichroth on how to set a table properly. The days activities ended with taking measurements and trying sample dresses to determine each girl's dress size.

Busy Fingers 4-H Club Discusses 'Share The Fun'

Members of Busy Fingers 4-H group worked on project books and discussed plans for "Share the Fun" program at their April 4 meeting. The program will be under the supervision of Mrs. Robert Maxwell.

March 21 the group held a pressing party sponsored by the Public Service Co. and March 14 the girls toured Mt. Prospect's fire station. A St. Patrick's day party was held March 17 wth Cheryl Maxwell as hostess. She was assisted by Janet Thureatt and Jean Carroll. Two demonstrations were given at the March 7 meeting: Dinah Mobus showed how to attach and use the seam guide and thread a machine while Patricia Ryan demonstrated setting a table and discussed table manners.

Next meeting of the group will be held April 18.

Car Theft Season Is Here, Gutknecht Warns Motorists

It's spring again and some young men's fancies are turning to thoughts of stealing autos.

According to State's Attorney John Gutknecht, car thefts usually reach their annual peak after the vernal equinox. The number of auto thefts usually rises in March, reaches it peak in April and starts to recede in May, records show.

While law enforcement officials throughout Illinois and Indiana are girding themselves for the annual spring rise in auto thefts, the Chicago Motor club urged all motorists to help thwart potential car thieves by locking car doors.

* * *

ACCORDING to a survey of 61 auto thieves who were apprehended in Cook county, only 2 forced entry into the autos they stole; 2 others gained entry by other means, and 57 took cars which had been left unlocked by their drivers. Sixty of the 61 auto thieves said opportunity was the principal reason for theft. Nothing aids a car thief's opportunity more than leaving your car unlocked.

If Cook county figures are typical of car thieves in general, the average offender is a youth between 14 and 16 years of age with no previous police record. Records show that three-fourths of the thieves will admit their purpose in stealing the car while the remaining quarter will say they "just took it for a ride."

IN ADDITION to keeping your car locked, the Chicago Motor club recommended that motorists record automobile and engine serial numbers and the serial numbers of your tires, radio, heater and other accessories.

This will aid local police officials to apprehend thieves of autos and auto parts. A record of this sort will also facilitate the return of stolen property to the rightful own-

Growing with America for 125 years

In 1831, the first Savings and Loan Association in the United States was founded at Frankford, Pennsylvania. This first Association was founded to help its members save for and buy their own homes.

Today, more Americans go to insured Savings and Loan Associations for home financing than anywhere else.

6,000 new savers each day!

Today, the people of America are saving for many important things and look with special confidence to Savings and Loan Associations. The number of savers in insured Associations has increased in 125 years to over *15 million* . . . and new savers are coming to these insured Associations at the rate of 6,000 each day! Assets of insured Associations have soared to $34.5 billion!

These savings dollars are not subject to market fluctuations and are protected by sound, forward-looking management and substantial reserves. Savings accounts are insured up to $10,000 by the FSLIC—a U. S. Government agency.

Responsibility to public trust

Today, Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else. This tremendous vote of confidence imposes responsibility to adhere to the principles which have caused these Associations to grow with America for 125 years.

On the occasion of this 125th anniversary, the Savings and Loan Associations pledge themselves to the continuation of these principles which have enabled them to serve so successfully two of America's most cherished traditions . . . *thrift and home ownership.*

CHRISTIAN SCIENCE CHURCHES

The scientific unity of God and man, as taught by Christ Jesus, will be set forth at Christian Science services Sunday, April 15.

Keynoting the Lesson-Sermon entitled "Doctrine of Atonement" is the Golden Text from John (3:17): "God sent not his son into the world to condemn the world; but that the world through him might be saved."

The following passage will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage" (18:1-5).

Readings from the Bible will include the following (Luke 1:68): "Blessed be the Lord God of Israel; for he hath visited and redeemed his people."

CHRISTIAN SCIENCE:
The Truth That Frees
by

Children will be cared for in the nursery.

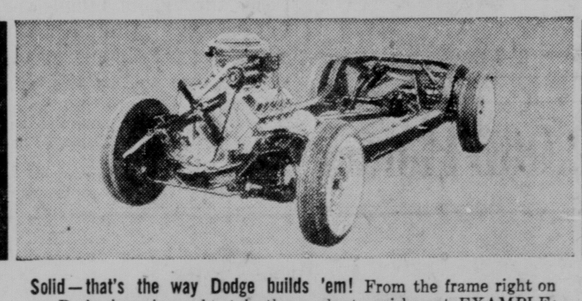
You'll hear all sorts of claims when you're out looking 'em over.
But before you actually make the move . . .

DISCOVER THE DIFFERENCE IN DODGE!

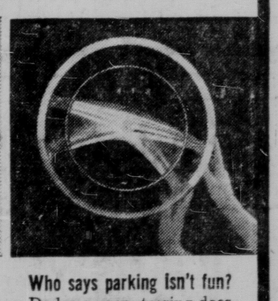
This isn't just "big" talk. Dodge actually is bigger all around—up to 7.7 inches longer than cars in its own field, 14.5 inches longer than cars in the "low price" field. Dodge is bigger inside, too. More *legroom* front and rear! More *hiproom* front and rear! Dodge gives you *plenty of room* to relax in comfort.

Dodge push-button PowerFlite makes every other way of driving old-fashioned. It's mechanically perfect—the easiest, safest, surest way of driving ever developed. *Just touch a button and go!*

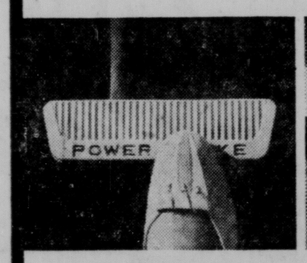
Dodge is powered for today's driving! Aircraft-type 260 hp. V-8 engine develops tremendous *break-away* power!



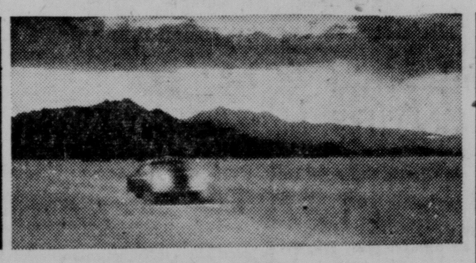
Solid—that's the way Dodge builds 'em! From the frame right on up, Dodge is engineered to take the roughest punishment. EXAMPLE: Box-section side rails provide greater strength and ruggedness than common I-beam or U-channel type used in most other car frames. Crossmembers are extra heavy. Here's solid dependability.



Who says parking isn't fun? Dodge power steering does 80% of the work, takes *fewer turns* of the wheel than other cars.



You can stop on a dime—with Dodge power brakes. Front-wheel brakes have *two* cylinders, two anchors for positive, predictable stops.



It's America's performance champion! No other car has ever given such *proof* of superior performance. In a 14-day run at Bonneville, Dodge outclassed American stock cars and European sports cars both—shattered 306 AAA records in all, including 27 world records.

Mr. And Mrs. Club To Meet Friday The 13th

The April meeting of the Mr. and Mrs. club of Arlington Heights Presbyterian church will be held at 6:45 p.m., Friday, April 13.

The meeting will open with the usual potluck supper at 6:45 p.m. in Fellowship hall of the church. Those attending will bring a covered dish and rolls, butter, dessert, tea and coffee will be furnished.

The program will be a technical film, "Return to Life." Hosts and hostesses for the evening will be the Ted Fonfaras, John Grays, Cedric Crains and Guy Davises.

Reservations should be phoned to Mrs. Fonfara at CLearbrook 3-6345 or Mrs. Gray at CLearbrook 3-2535. All new members of the church are invited. (A

FOOT SAVING EDUCATION

By Stanley J. Wesley

Do all measuring devices give the same size for the same feet?

Measuring devices are the cause of endless arguments among shoemen. Some add a half size, Others subtract; some have the children stand, others measure them sitting down There is no one right way because shoe sizes vary. 9C from one company may be as big as 9½D from another. It is a good thing to remember that a measuring device is used to save the shoeman's feet, not the customer's. Experienced shoemen can guess the size of eight out of ten feet without measuring them but if they guess wrong they have to make an extra walk to the stock. When they learn how the measuring device can be adjusted to the make of shoes they fit they get the right size the first time and have fewer complaints from their bunions.

One thing that no measurer measures is the depth of the foot and that is very important. Nor is there any marking in the shoe to indicate whether it is shallow or deep. Again, the best answer is the old one — there is no substitute for the experience of man who is doing the fitting.

What Is Good Will?

Someone has defined good will as "the disposition of a person to return to a firm where he has been well treated." Our staff members know the importance of good will. Their efforts to earn it day by day have been responsible for the reputation earned by the Lauterburg & Oehler Funeral Home for the past two generations.

You've probably heard by now that the **LORRAINE-ANNE SHOP** of Arlington Heights which specializes in ladies', children's and infants' wear, as well as carrying apparel for small boys, is giving away a Columbia Hi-Fi portable record player in a public drawing on Saturday, May 5th. This fine instrument is now on display in their window. And remember, for every two dollars worth of merchandise you buy at **LORRAINE-ANNE**, located on Campbell St., a block west of the bank, you get a free chance . . . Incidentally, **TILLIE MENSCHING** of **LORRAINE-ANNE** tells me all the ladies' and children's summer fashions are in, including swim suits and co-ordinates.

Jack Legg

In July, **JACK LEGG** will be rounding out his first year with the **SCHIMMING OIL CO.** Before joining the company, **JACK** served four years with the Army Air Force. The son-in-law of **GEORGE SCHIMMING**, he is married to the prominent oil man's only daughter, **JANE**, and they have an eighteen-month-old son named **JACK JR.** As VP in charge of operations, courteous, efficient **JACK LEGG** has relieved the **SCHIMMING OIL CO.** prexy of many of his heavy responsibilities. In fact, **GEORGE** recently was able to take his first vacation in two years.

BILL SIEGEL of **ARLINGTON HOUSE** Restaurant has asked me to mention to you folks that since April 1st he has been serving complete dinners on Sundays from noon 'til 10 at night, and Tuesdays through Saturdays 5 p.m. to 10 p.m. On Mondays they're still closed all day. The Sunday specialty of **ARLINGTON HOUSE** (located on the northwest corner of Rand Rd. and Euclid Ave. just outside of Arlington Heights) is Prime Rib of Beef with an alternate choice on different Sundays of Turkey, Duckling or Cornish Game Hen.

When you deal with a Realtor, you can be sure of receiving the finest professional treatment in all your real estate transactions whether it be buying, selling or renting. Realtors were one of the earliest trade associations in America to adopt a written code of ethics. It is important to keep in mind that not every real estate broker is a Realtor. Only firms like **WILLSON** and **FLORENCE**, who are accepted for membership by the National Association of Real Estate Boards through your local real estate board, are Realtors and may use the term as their trademark. **CLARENCE HENDRICKSON** of **WILLSON** and **FLORENCE REALTORS** mentioned this point in a talk he gave last month before the student body of Arlington Heights high school on Career Day.

Now that Spring is here you're probably thinking about various remodeling, repairing and redecorating needs for your home. Perhaps you wish to add a garage, a new porch or an extra room. It may be that you need a new roof, new plumbing or a replacement of your present heating system. As in my case, your house might be ready for a painting both inside and out. Whatever the necessary repair and improvements are on your home, you can arrange at the **ARLINGTON HEIGHTS NATIONAL BANK** to have the entire job financed with an FHA Title I Home Improvement Loan. Why not visit the **ARLINGTON HEIGHTS NATIONAL BANK** soon and discuss the matter with **ROLLIE FRANZEN, NORM DEWEY** or one of the other loan officers.

Hats off to **MARTY ENGELKING, VERN MILLER** and **AL MILLER**, all ten-year men with the **CULLIGAN WATER CONDITIONING** organization serving the Northwest suburbs. **MARTY** heads the regeneration department of the Mt. Prospect plant. **VERN** is a service man who is also responsible for the "factory reconditioning" of domestic water softeners. **AL** works exclusively as a **CULLIGAN** service man. **RAY CHMELIK**, head man of the local **CULLIGAN WATER CONDITIONING** franchise, is especially proud of the outstanding contribution these men have made to the growth of his company.

Service League Plans Tulip Time Luncheon

The members ot the northwest chapter of the Lake Bluff Children's Home Service league are working on the forthcoming Tulip Time luncheon to be held at the West Park field house in Park Ridge on April 19th at 12:30 p.m.

Featured at the luncheon will be Dorothy Christman with her humorous characterizations. Also during the luncheon the members and their children will model their own spring time wardrobes.

The co-chairmen for the luncheon are Mrs. H. A. Anderson of Park Ridge and Mrs. M. M. Erickson, Arlington Heights.

The luncheon proceeds will be used to supply materials to decorate the Judson residence at the Lake Bluff Children's home.

The name of the home was recently changed from the Lake Bluff orphanage to the Lake Bluff Children's home. This later name more accurately describes the functions of the home. The word "orphan" is misleading as a very few of the children on the premises of the home are true orphans.

Tickets for the Tulip Time luncheon can be secured in Arlington Heights from the following persons: Mrs. Douglas F. Gutzman, Cl 3-0787, Mrs. Casey W. Granger, Mrs. Fred W. Holm, Mrs. Frank Kroll Jr., Mrs. Lacey G. Lackey, Mrs. Clarence A. Livingston, Mrs. O. Carl Beattie, Mrs. Harry Broadwell, Mrs. Herbert A. Cornelius, Mrs. M. M. Erickson and Mrs. George S. Granger, Palatine.

Mrs. Carl Petersen Elected President Of Toastmistress Club

Newly-elected officers of Midtown Toastmistress club who will serve for 6 months are Mrs. Carl A. Petersen, president, Palatine; Mrs. Robert Williams, vice president, Prospect Heights; Mrs. T. V. Wolf, secretary, Palatine; Mrs. Z. R. Rogozinski, treasurer, Arlington Heights; and Mrs. Glen Wood, club representative, Des Plaines.

The organization is composed of women in the northwest suburban area who are interested in obtaining poise in conversation and in public speaking. (Soc

Favorites For Flavor

One of Mrs. Wilbur Robey's favorite dishes to serve at parties is Buttermilk Chicken.

She discovered this southern recipe for preparing chicken in the Ladies Home Journal.

Pieces of chicken are marinated in buttermilk for a few hours. This not only tenderizes the chicken but gives it a delicious flavor.

The chicken is coated with bread crumbs and can be pan fried, oven baked or deep fried.

Mrs. Robey prefers the oven-baked method for a crispy outer crust which compliments the chicken's unusual flavor.

She usually serves scalloped or baked potatoes, a vegetable, cranberry sauce, a tossed salad and rolls with this Buttermilk Chicken.

The Robeys moved to their home at 311 Can-Dota, Mt .Prospect, 2 years ago. They have 2 children, Lynn, 8, and Richard, 6.

Mrs. Robey is a member of the Arlington Heights Junior Woman's club.

Buttermilk Chicken

Marinate pieces of chicken in buttermilk for 2 hours.

Coat the chicken with bread crumbs and let stand 1 hour.

The chicken can be deep fried, pan fried for 45 minutes or until tender, or oven baked for 1 hour.

DAR To Hold 65th Congress This Week In Washington D.C.

Big news in Washington, D.C., next week will be the 65th Continental Congress of the national society, Daughters of the American Revolution, when 3,500 representatives of the 83,554 members asresented at the Congress by its events.

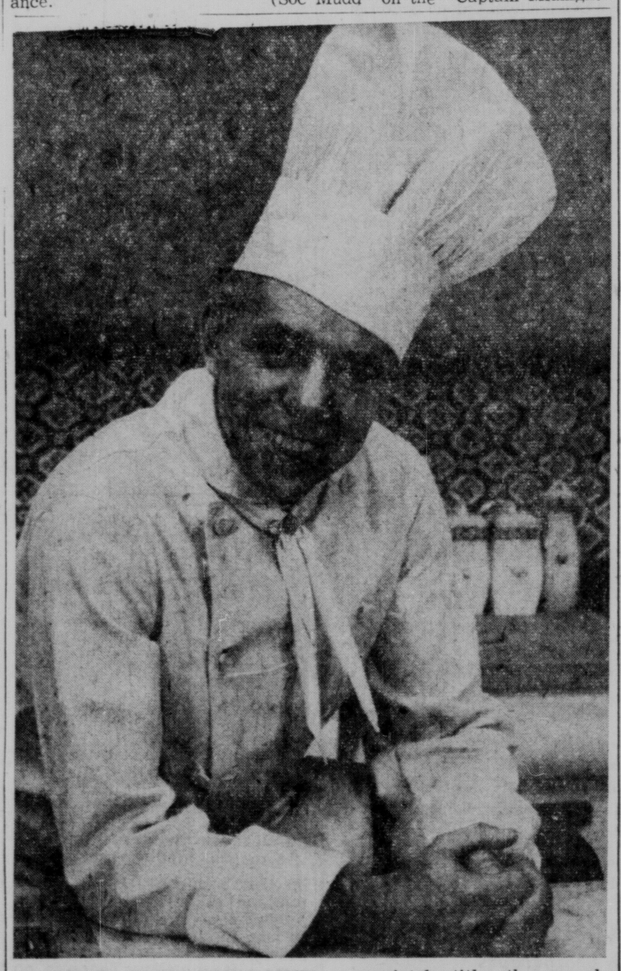
Eli Skinner chapter will be represented at the Congress b its regent, Mrs. L. W. Kester.

April 15 there will be a memorial service, to be followed by a military parade honoring the DAR, and with a citation to the President General, Miss Gertrude Carraway, for the DAR, the first time a woman's organization has been so honored. This will take place at Fort Myer, Va., by the Third "Old Guard" Infantry. Senator Dirksen has issued invitations to Illinois delegates for tea Sunday afternoon, and at 7 p.m. the Illinois delegation will meet for supper in the ballroom of the Mayflower hotel.

Monday evening's session in Constitution hall will open with the usual colorful pageantry which reaches its climax when the flag of the United States is unfurled from the ceiling. Miss Carraway's address will keynote the theme of the Congress, "Protect America's Future Through Patriotic Education."

Tuesday afternoon a tour of the White House is scheduled, and in the evening 2 outstanding speakers will be presented, Admiral Arthur W. Radford, chairman of the joint chiefs of staff, and Herbert Phillbrick, who "led 3 lives" to help the FBI defend the nation against the Communist conspiracy.

Marine, army, navy, and air force bands will add splendor and drama to the meetings. Traditionally, some important speakers are not announced until their appearance. (Soc



FASHION—FOOD AND FANCY appropriately titles the annual Arlington Heights Junior Womans club fashion show to be held May 1 in Arlington Heights high school auditorium at 8 p. m. The above pictured TV Chef Eddie Doucette will provide fancy food fun as he tosses a salad or whittles a turnip while cooking up vittles between Carson Pirie Scott and Co. fashions appropriate for everyone and every occasion from the kitchen to the dance floor.

Proceeds of the evening will go toward the Junior Womans club community work in projects such as the Northwest Community hospital fund and scholarships for local students. Tickets are available from any club member or by calling Mrs. W. Granzin at CL 3-1688.

New Arlington Resident Is Popular Television Star

ART HERN, HAPPY PIRATE

The 32-year theatrical career of Art Hern hits its lowest ebb during the 30's.

The company Art was touring with went broke in Kenosha and the 11-member troupe split up a meager $11.50 kitty and went their separate ways.

Since those lean days, Art's popularity with the moppet set has gleaned him much greater reward, such as his daily appearance before WBKB's cameras as "Moby" the first mate on the "Happy Pirates" show.

* * *

THE TV STAR and his family live at 133 N. Warren, Arlington Heights, where they moved last month.

Beginning his career at 12, Art's first stage appearance was at Milwaukee's Shubert theater, where he played in "Little Lord Fauntleroy."

After high school, he went on the road with a company, putting on a variety of dramatic sketches throughout the country. Then Art went into vaudeville, where he was part of the team of Hern and Mack for 6 years.

Following the vaudeville days, he toured for 2 seasons in Ibsen's "Ghosts."

When radio beckoned, Art made the transition to the airlanes easily. His roles included "Ichabod Mudd" on the "Captain Midnight" broadcast, parts in "The Right to Happiness," "Backstage Wife," "Helen Trent," and "The Guiding Light."

* * *

IN HIS SOAP opera stints Art was cast as a gangster!

Other TV credits include the "Wayne King Show," "Don McNeill's TV Club," "They Stand Accused," "The Magic Slate," and a 2-and-a-half year stint as "Natco," the clown.

Art's current show is "The Happy Pirates," a children's TV program with Dick "Two Ton" Baker and a porpoise named Bubbles.

Clever Clover 4-H Meeting Held April 6

A meeting of the Clever Clover 4-H club was held in the home of Mary and Laurie Nielson at 7:30 p.m. April 6.

Minutes were read by Betty Shulse, in the secretary's absence. Beth Jasper, a new member, attended her first meeting along with a guest, Sue Vannier.

A count was taken to determine who will attend the planned tour to the Tribune building May 11 at 8 p.m. Members will meet at 6:30 p.m. and will bring $1 for the bus fare.

Definite acts for "Share the Fun" given to Betty Shulse for registration were Laurie Nielson, piano; Sue Shrogren, baton; Karen Pickert, baton and a group of girls from the club, Mary Jane Shulse, Mary Nielson, Betsy Schulte, Sue Shrogren, Darlene Jaunkie and Betty Shulse.

Members were reminded that the electric folder must be completed and turned in by June 1.

Clever Clover girls attending camp this year will be Betty and Mary Jane Shulse and Beverly Krambeer. There can be no more registrations as camp entries are closed.

A demonstration was given by Laurie Nielson on butterscotch bars. Refreshments of root beer and cookies were served by Mrs. Nielson and Lynn Kunburger. (4-H

High School Seniors To Visit Ag Campus April 14

Saturday, April 14, has been set for "Ag Student Guest Day" at the University of Illinois college of agriculture.

Graduating high school seniors from all over the state have been invited to visit the campus on that day and take part in a special program.

C. D. Smith, assistant dean of the college, says Guest Day will be an excellent opportunity for prospective agriculture students and their parents to get acquainted with the campus and many of the staff members.

* * *

REGISTRATION will start in the livestock pavilion on the university's south campus in Urbana at 9 a.m. The program, which includes tours of the buildings and facilities in both the college of agriculture and the rest of the university, will start at 9:30 a.m. and end at 3 p.m.

A free 32-page booklet, "Careers in Agriculture," is being mailed to interested high school seniors. This brochure tells about various careers for agricultural college graduates. Another booklet entitled "Your Career in Agriculture at the University of Illinois" is also available. In it you will be able to find more information about scholarships, part-time employment, loan funds, housing, admission and costs and job opportunities and salaries for college of agriculture graduates.

If you are unable to attend Guest Day and are interested in these 2 booklets, you may see them by contacting your local high school principal, vocational agriculture teacher or farm adviser.

Set Final Date For Filing On Wool Payments

The final date was released this week for filing applications for incentive payments on wool shorn on or after January 1, 1955, and sold during the marketing year, April 1, 1955, through March 31, 1956, or on lambs and yearlings also sold during the 1955 marketing year.

Producers must make application for payment on eligible shorn wool or lambs and yearlings not later than 30 days after the end of the 1955 marketing year which is the close of business April 30, 1956.

Producers who sell shorn wool or lambs after March 31, 1956, are not eligible for payment under the 1955 program; however, they will be eligible for such sales under the 1956 program. (Fm

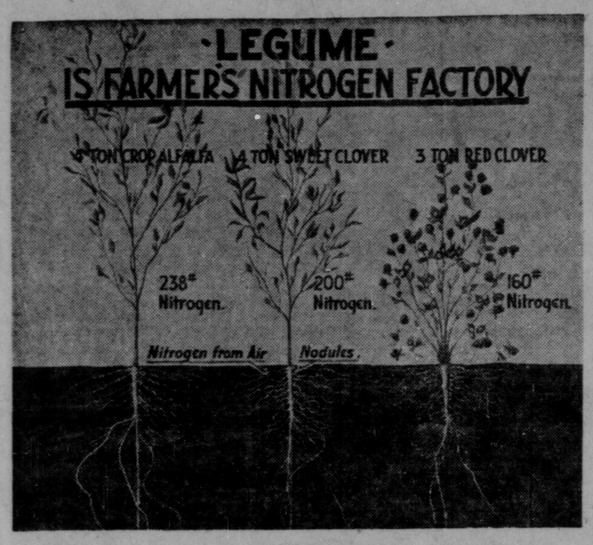
Legume Is Farmer's Own Nitrogen Factory



There are 2 groups of nitrogen-fixing bacteria.

One group lives in the nodules on the roots of the legumes, and the other lives independently in the soil and feeds on organic matter, explains C. M. Linsley, soils extension specialist at the University of Illinois college of agriculture.

The legume bacteria let the legume plant feed and house them and in return they supply the legume with nitrogen that they have taken out of the air. They establish themselves on the roots when the legume plant is a week or 2 old.

The bacteria on the roots of an alfalfa crop that will produce 4 tons of hay during the season may fix 200 to 250 pounds of nitrogen.

The bacteria on red clover that will yield 3 tons may fix 150 to 170 pounds of nitrogen per acre. For a 4-ton crop of sweet clover, 200 pounds of nitrogen may be fixed by the time the clover matures.

* * *

THE AMOUNT of nitrogen that legume bacteria can fix depends on the kind of legume, its stand and yield, the number of bacteria in the nodules on the roots and the amount of available nitrogen already in the soil. The number of these nitrogen-fixing bacteria will depend mainly on the lime, phosphate and potash content and the tilth of the soil.

The independent nitrogen-fixing bacteria feed on the soil organic matter and on soil minerals, such as calcium, phosphorus and potassium. The amount of nitrogen fixed by the independent nitrogen-fixing bacteria will probably average at least 25 pounds an acre annually. Under favorable conditions the amount may be 40 to 50 pounds.

Even at 25 pounds an acre the total would be 100 pounds for a 4-year rotation. This amount of nitrogen would be equivalent to 300 pounds of ammonium nitrate or 500 pounds of ammonium sulphate.

* * *

HERE IN THESE nitrogen-fixing bacteria are the workers in the farm fertilizer factory that will fix nitrogen and apply it to your soil without cost or labor to you.

All you have to do is to make conditions favorabe for these bacteria by supplying plenty of plant food and maintaining healthy soil conditions. (Fm

Order State Nursery Trees Before April 30

L. B. Culver, extension forester of agriculture, reminds farmers of the April 30 deadline for ordering nursery stock from the 2 state nurseries.

But the earlier you order, the better chance you will have to get the varieties you want, Culver says.

* * *

USE OF NURSERY stock is limited to establishment of forest plantings and field shelterbelts. Areas you might want to plant to large numbers of trees include steep slopes, lesser slopes that have lost much or all of their topsoil from erosion and land that has a basically low soil fertility.

Black walnut seedlings and Scotch pine supplies are already exhausted, Culver says. Broadleaved trees that are available in black locust, black walnut seed, cottonwood, Osage orange (hudge), sycamore and multiflora rose.

Evergreens that are available include bald cypress, shortleaf pine, jack pine, loblolly pine, red cedar, red pine and white pine.

* * *

ANYONE who is planning to plant ash, red gum, tulip poplar, bald cypress and shortleaf pine should do it this year. Next year's supply of these trees will be very short because late posts last spring destroyed the anticipated seed crop.

Cost of the trees ranges from $5 to $15 for 1,000 seedlings. Minimum order is 500 trees. Ask your county farm adviser, farm forester, or extension forester for a price list and an application blank. (Fm

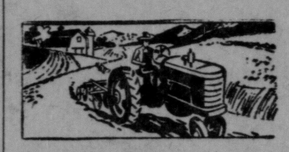
DOWN ON THE FARM



with Your Farm Adviser
CARL F. MEES

I have had numerous inquiries lately about fertilizing lawns.

I usually recommend a 10-10-10 or 10-8-6 fertilizer at the rate of 26 pounds per 1000 square feet. It should be done in late March or early April. I applied mine three weeks ago. With the recent rains it has all gone into the soil and I'm sure the grass will soon be making use of it. I hope it isn't too soon, because from April to November is a long time to have to mow lawn.

* * *

SOME PEOPLE have told me it's foolish to fertilize your lawn for the more you fertilize the more you have to mow. The statement is 100 per cent true about fertilizing and mowing, but somehow, I like to watch the grass, plants and flowers grow. I like to see beautiful lawns. I usually tell the person who doesn't want to mow his lawn too often that he should live in an apartment that has no lawn and he wouldn't have to be bothered.

When I tell people to use a 10-10-10 fertilizer they invariably ask what the name of it is. There are many brand names the 10-10-10 merely indicates the analysis. The first 10 is nitrogen, the second 10 phosphorus and the third 10 potash. So a 10-10-10 is 10 pounds of nitrogen, 10 pounds of phosphorus and 10 pounds of potash per 100 pounds pab. Just go to any farm store and call for a 10-10-10. They will know what you mean.

* * *

ONE CAUTION to take is to never apply any kind of fertilizer if the plants or grass is wet. Be sure the leaves are dry. If not it will cause a burn.

You may be thinking about making a garden too. You can use a 3-12-12 fertilizer on your garden. On certain crops the 10-10-10 would be all right.

If you are interested in knowing more about gardens or lawns I have circulars. "The Garden Guide" tells about the fundamentals of gardening and "How to have an attractive lawn," answers your questions. I would be glad to send you a copy of either of these, if you will make your request known. There will be no change, my address is 201 N. Dunton st., Arlington Heights, Illinois.

The 1956 crop season was ushered in with dry weather prevailing over much of the state. In this area we are extremely dry for this time of the year. Unless we get above normal rains during April we may be in trouble throughout the summer. (Fm

Sweet Corn Growers: Prepare For Corn Borers Attack Soon

It looks as if sweet corn growers will have a real battle with the European corn borer this year.

DDT is your best weapon for combating this pest. Apply sprays or dusts when the corn borer eggs begin to hatch, says J. M. Wright, entomologist with the Illinois state natural history survey.

* * *

INDICATIONS are that corn borer attacks will be nearly as bad as in the previous high year—and in some places they may be worse.

Spray or dust the plants at 5-day intervals until you've made 4 applications, Wright says. On early sweet corn, treat the whorl of the plant. On late corn, treat the ear zone. (Fm

Law On The Farm

Someone's cows may do more damage in a few hours than hunters and picnickers would do in several years. The earliest legislation on this subject in Illinois appeared in 1819. Since that time it has been revised five times, the latest change being made in 1935. The present law reads:

"If any horse, mule or ass, or any cattle, hogs, or sheep, or other domestic animals, shall break into any person's inclosure, the fence being good and sufficient, the owner of such animal or animals shall be liable, in a civil action, to make good all damages to the owner or occupier of the inclosure. This section shall not be construed to require such fence, in order to maintain an action for injuries done by animals running at large contrary to law."

* * *

IT IS further provided that trespassing animals may be taken up and retained until their owner makes good the damage that was done, plus paying the cost of keeping and feeding the animals. However, the person taking them up must notify the owner within 24 hours or, if the owner is unknown, post notices at some public place near the premises. The Illinois courts, in interpreting this law, have laid down the following principles:

1. The term "animals" includes poultry, and the owner of poultry has a duty to confine them so that they will not trespass.
2. Dogs and cats are not trespassers unless a local ordinance requires that they be confined. However, dog and cat owners may be held liable for actual damage caused by their pets.

* * *

3. When animals escape through a division fence, their owner may not be held liable if escape was made through the adjoining owner's portion of the fence and evidence shows that such portion of the fence was not in good repair.

Another law, passed in 1895, makes it unlawful for animals to trespass on another's property, fence or no fence. If an owner does not use reasonable care in restraining his animals, but allows them to roam the countryside, he will be liable in damages to anyone who is injured. Also, there is a possible fine of two to ten dollars for each offense.

There is an important exception to this second law: If the owner or keeper of animals can show that (1) he used reasonable care in restraining them, (2) he did not know they were trespassing, and (3) they trespassed on unfenced (or poorly fenced) lands — then he is not liable for injury to person or property caused by the trespass. (Fm

Egg Production Improved If Hens In Community Nest

Increased egg production and fewer broken eggs result when hens are given a community nest. Gathering eggs and cleanup take less time, also.

A community nest made according to an accepted plan features an easily-constructed framework of lumber covered with Masonite ¼" Tempered Presdwood, of which three 4 x 4-foot panels are needed. Two nests will accommodate 80 to 90 hens.

A slanting roof prevents hens from roosting on top. The panels, which won't split, splinter or crack, are easily sawed and nailed. Their smooth surfaces make cleanup of the nest easier. The plan shows how the nest may be suspended from a wall in the chicken building.

Here's Dope On Inheritance Tax

The Illinois inheritance tax places a premium on large families, since each heir has a separate exemption—and the exemption is much larger for members of the family than for persons outside the family. The tax is paid on the amount left to each heir out of the net estate.

The net estate is obtained by taking gross assets and subtracting such items as funeral expenses, taxes, debts of the estate and probate administration expenses. Also, gifts to charities, churches and educational organizations are exempt from the inheritance tax and can be deducted from net estate.

* * *

THE GROSS estate includes all personal and real property, including lifetime gifts made within two years of death. The law presumes that such gifts were made in contemplation of death and therefore should not escape the inheritance tax. Accidental deaths often overcome this presumption.

Life insurance proceeds are not included in the estate unless paid to the estate of the deceasd. That is, if a member of the family or other person is the beneficiary, no tax applies to the insurance that is paid.

Only one-half of joint tenancy property is included in the estate. This is different from the federal tax rule, which includes all joint tenancy property in the estate unless the survivor can show a contribution to the purchase price.

BOTH the rates and the exemptions vary with the degree of relationship to the deceased person. Rates of tax start at 2 per cent and reach 30 per cent. Exemptions vary from $20,000 to $100. The example on page 2 shows the tax on differnt persons receiving $50,000 and $100,000.

Heir	Receiving $50,000	Receiving $100,000
Wife	$ 600	$ 2,200
Son	600	2,200
Brother	800	2,600
Aunt	3,560	8,740
Friend	5,588	13,584

On gross estates above the exemptions, a return must be filed with the county clerk within 16 months after death, and the tax is payable by the estate within 18 months. For more detail on this tax, pick up circular 72 8at your farm adviser's office, 201 N. Dunton ave., Arlington Heights. (Fm

New Gas Tax Refund Saves Farmers $5 Million A Year

Illinois farmers will save more than $5,000,000 each year under new federal gasoline tax refund legislation, according to Otto Steffey, president of the Illinois Agricultural association.

The gas tax refund for farmers originally was sponsored by the Farm Bureau organization. The IAA is the statewide Farm Bureau group in Illinois.

The refund of 2 cents federal tax paid on gasoline on farms will be made on all fuel purchased after December 31, 1955.

"THESE refunds will be made for annual periods ending June 30," Steffey points out. "Claims are to be filed with the district directors of internal revenue between July 1 and September 30 of each year. The first refund will cover the 6 month period, January 1 through June 30, 1956," the Farm Bureau leader states.

"The IAA legislative committe, with the help of many farmers, has worked to secure this refund on non-highway gas for more than a year," Steffey says.

"We pointed out to the President and the Congress early in 1955 the unfairness of taxing farmers for gasoline used on the farm," he adds.

Based on 1954 experience under our state gas tax refunds, the refund of 2 cents federal tax should bring Illinois farmers $5,474,000 a year, Steffey says.

IF, AS many people anticipate, the federal tax is increased from 2 to 3 cents a gallon to assist in federal highway programs, there will be an additional saving for Illinois farmers of more than $2.7 million annually.

Steffey adds that under the aw, in the case of gasoline used by custom operators, the owner or operator of the farm where the gasoline is used will be entitled to the refund. (Fm

Illinois Employment Service Will Supply Workers To Farmers

Migratory farm workers will soon be arriving in force in the northwest farm area.

Asks the Illinois state employment service this week: Are farmers ready to take advantage of their services?

The agency urged farmers to tell the placement office what workers they need, when they want them, and the office will supply as many laborers as requested.

The employment service telephone is AVenue 3-2544. (Fm

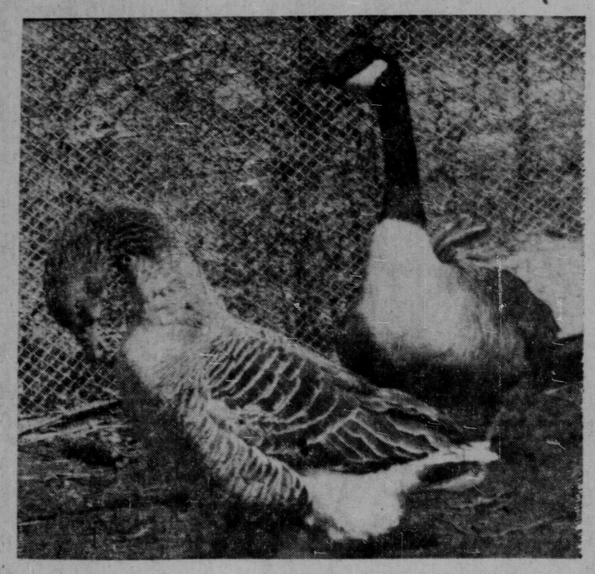
FORCED MIGRATION TRUCKS LOCAL HONKERS NORTHWARD

ALL ABOARD as Rice Lake refuge manager Lester Dundas puts last of the squawking flock into Government truck. Marshall Stinnett, U. S. game management agent for the Illinois district, helped Dundas round up the geese. Clipped wings kept the geese in Palatine comfort for over 8 years.

HUP HUP HUP! 35 Canadian geese march platoon fashion from their home pond in Palatine to awaiting Government trucks. The flock, kept by Mrs. Mary Michalowski for over 8 years in a pond behind her Vista lane home, were turned over to the Department of the Interior last week. Refuge officials from Rice Lake, Minnesota, were cadremen for the troop movement.



LEFT BEHIND is the Canadian non-conformer (right) who mated with another non-conformer (left). The goose on the left is a cross between emden and Toulouse varieties. Because the refuge frowns on breaking up happy families, the Canadian will be left behind with his spouse. Company in Palatine will be provided by Mrs. Michalowski's assortment of peking and mallard ducks.

A BIG OPPORTUNITY FOR HIGH SCHOOL STUDENTS exists in the petroleum field, these men were told by a representative of American Petroleum Institute at a luncheon at Brandt's Thursday. Local distributors of petroleum products agreed to offer to local high and junior schools the available training program that can be included in curriculum of schools. Interesting films are available on many subjects of the petroleum industry.

Shown above are, left to right, R. W. O'Connor, Sinclair; A. J. Pierres, Standard; Mrs. Alfred Shotwell, Bud Howard, Gaare oil; Carol Mueller, Frank Callaghan, Arl. Elevator; Ralph Porter, zone chairman; C. E. Greco, Les Crouch, Tom Crouch, Marland; Chris Heckmiller, Cities Service; Bill Cargile, Lloyd Fesler, Badger Pipe Line; George Schimming, Schimming Oil; Stuart R. Paddock; L. F. McGrath, Standard; Burton Thompson, American Petroleum; Leonard J. Szok, Standard. —Staff Photo

GROUP PORTRAIT is snapped before the already-mated geese leave for Minnesota. The Rice Lake refuge is especially pleased over Mrs. Michalowski's donation because already-mated geese are needed to form the nucleus of the preserve's new goose colony. Lester Dundas, refuge manager, drove from Minnesota in a pickup truck to haul the geese to their new nesting grounds.

50 Years Ago

April 13, 1906

It don't pay to get excited about local politics: keep your heads cool and legs steady, next Tuesday. Our ex-mayor stated before the Village Board and audience Monday night that we have no laws. If such were the case, why did his late administration put the village in the hole $680 for attorneys fees from which the public received no benefit? Why pay $10 for drafting an Appropriation Ordinance which any 14-year-old school boy ought to be able to draw up without any expense?

Why did they not pass that water ordinance for which we have to pay $150.

The police magistrate is a bluffer. He is still trying to hide his sins behind others. He better stop short, confess all and make restitution before the committee, who are still on his track and have discovered more of his trickery, expose him to the public.

When you go to the polls to vote next Tuesday, let the first and only motive be the best interests of our town.

As we all know Arlington Heights is heavily in debt. We need men of experience to wisely administer our public affairs, else we shall go bankrupt.

Our police magistrate is a relic left over from the old administration, who like some of the others, has proved an expensive luxury and too liveral in their use of public funds. It will take our town a long time to recover from the results of their mistakes.

Sunday is legally recognized as a legal holiday for everybody. Merchants who put in long hours every other day in the week, have as good a right to rest on the Sabbath as anybody else; such being the case, after long sufferance and consideration, Messrs. Precht, decided that they and their help like all other people, need to rest one day out of seven, so from and after May 1, 1906, their stores will not be opened on Sundays, but stay closed all day. The public should do their trading on week days and help the merchants to observe the Lord's day.

Since it has been settled that Arlington Heights is to have street paving and get permanently out of the mud, real estate is growing in demand and shrewd business men are picking up all the bargains they can get hold of. Transient parties are seeking business and residence sites.

Fred W. Gieseke has let the contract for a big addition to his department store and workmen are making rapid progress on the foundations for same. When finished, he will have a large 2-story and basement brick block 60 feet square.

Having sold my drug store to W. F. Sieburg, I want to thank the people of Arlington Heights and vicinity for past favors and the excellent patronage they have accorded me. I know the new proprietor will keep up the high standard of the store and I cheerfully turn over to him a business, in which I took considerable pride in building up. — L. W. Hanneman.

Palatine — Walter Stroker now drives a 7-passenger Studebaker purchased of W. E. Schering and as to his driving qualities and the easy driving of the car, the editor can vouch as Walter drove him home from the Heights Wednesday noon and any car or any driver that can navigate those streets at the Heights without shaking the day lights out of a passenger deserves a medal.

Tom Wilson, flagman at the Chicago ave. crossing was struck by the fast southbound six o'clock train Friday night and killed instantly. It is reported that the train was going 50 miles an hour and had passed another moving train in the town.

Miss Clara Wente has an unusual line of ladies waists — something that has never before been handled in Palatine. They are worth seeing.

Barrington is going to have a new hall, seating about 700 people J. G. Catlow is the builder. The hall will be on the ground floor, lodge rooms above.

Everyone should visit Arlington Heights new Community Library on Saturday, April 17. The project in which everyone has been so much interested, and to which over 150 have contributed financially has been a success and you will have opportunity to begin to use it April 17.

It may look as if spring were never coming and that summer is only a dream but that those things really will be here soon is indicated by one sure sign, and that is a renewal of activity around the offices of the Cook County Fair association. For Cook county is going to have a 1926 fair and if the plans now being formulated by the fair officials are any indication, that 1926 fair is going to surpass the 1925 fair which was admittedly the best in the history of Cook county fairs.

Those good people of Arlington Heights who braved the blizzard Wednesday evening to go to the dinner at the Presbyterian church given by the Plunkett Dinner Co., under the auspices of the Legion and Auxiliary, spent an anxious hour waiting for the dinner to arrive. When at last word came that the Plunkett Company's car was stuck in a snow drift down near Vic Reed's, two enterprising Legion members, Phil Engelking and Jim McElhose went down and brought in a carload of the dinner.

At a meeting called at the insistance of the Bensenville Business Men's association, to ascertain the reason why York street could, or could not be completed through Bensenville this spring, it was found that the county board did not have sufficient funds available for this work this year. The Bensenville Business Men's association agreed then and there to solicit the necessary funds and advance them to the county for immediate action.

A subdivision de luxe will be opened in Palatine early next month. The former Dean property, or that part of it lying north of Wood street and west of Hicks road will be opened for sale by the subdividers in a big opening sale Monday, May 2.

The voters attending the town meeting on Tuesday of Elk Grove, Wheeling and Schaumburg townships took the same action on the 30 cent special relief levy as was done in Palatine. All of the townships have adopted a watchful waiting policy.

It seemed apparent from various bills read by the clerk at the Palatine town meeting that there is a great deal of confusion about the new tax, which is supposed to be levied by the township for relief purposes. One bill puts the burden of such tax upon the township, while another bill gives the county the right to levy the 30 cent tax.

The law which does away with most of the power of the Illinois Emergency Relief Commission also provides that after Aug. 1st, no relief shall be granted to any resident of a political subdivision, which has not made a maximum levy for relief purposes. In the case of Cook county no one seems to know whether the county intends to levy the tax or not.

Echos of fifty years ago were heard at the home of Mr. and Mrs. Henry Batterman of Palatine, April 6. It was just fifty years ago to a day that early one morning a blushing young maiden, Caroline Gieseke took the seven o'clock train to Chicago. Upon a train an hour earlier a nervous young man had preceded her so that none of the Palatine folks would guess that it was to be their wedding day.

A wreck occurred on the Illinois Central railroad at Cloverdale at 9:45 this morning, piling up ten freight cars and tearing up about 300 feet of track. The train, an east-bound through freight was traveling through Cloverdale at a fair rate of speed when, it is believed, either the trucks of one of the cars in the center of the train broke loose, or the truck collapsed causing a general pile-up before the brakeman in the rear could flag down the engine. There were no injuries. The accident occurred 100 feet east of Cloverdale crossing on Gary road.

Big plans are now being made for the opening of Arlington Heights Youth Center Saturday, April 20. The entire fieldhouse will be used.

Arlington Heights Lodge No. 1162 A.F. & A.M., honored its first fifty year member, Lincoln Crane, at a stated meeting last Thursday.

Mayfair Set Products may have a national reputation but many Arlington Heights people are being introduced to them for the first time by means of a display in the lobby of the bank. Their products are bottle pickles, beets, sauer kraut, peppers, cherries, prunes. Their new factory in Arlington Heights is nearing completion.

Grigsby-Allison Co. Inc., Arlington Heights' newest manufacturing company, expects to be in operation within three weeks.

It was a small primary vote Tuesday throughout Cook county. Due to two local contests for committeeman, there was a comparative heavy voting among the Democrats in Wheeling township and the Republicans in Schaumburg township. The county Democratic organization had no opposition and all candidates endorsed by the Republican organization were winners.

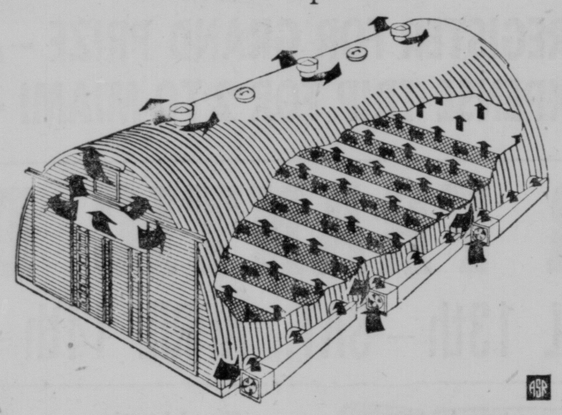
Prospect Heights Log Cabin, a project sponsored by the Improvement Assn., built by dads and their sons with their very own hands and muscle, as a headquarters, meeting place and recreational center for the local Boy Scout and Cub Scout troops will be dedicated May 5.

Palatine is one of the first towns in the northwest area to make its Red Cross quota. The community has oversubscribed its quota of $2,200 by $300.

In a battle of wits late Thursday afternoon of last week, A. C. Trine, Itasca station agent outsmarted Le Roy Sutton, 31 year old Negro who attempted to hold up the place with a hammer with the result that the latter is in he DuPage couny jail under $2,000 bond.

LITTLE RED RIDING HOOD, played by Joan Wilcox, greets the wolf. They will be seen together in the Village theater production of "Grandmother Sly Boots" April 14 and 15 at Arlington Heights field house.

Dries And Stores Grain —In One Operation



Cutaway diagram of new Quonset grain-dryer-storage building illustrates the flow of *unheated* drying air through the entire grain mass. For cooling, the fans are reversed. Grain is handled only once, keeps spoilage-free indefinitely.

A Quonset grain-dryer-storage building, which promises to revolutionize present methods of harvesting, drying and storing small grains and shelled-corn, has been developed and successfully field-tested by the Stran-Steel Corporation, a unit of National Steel Corporation.

The installation employs *unheated* air which is forced through the grain by semi-pressure fans. Moisture-content of the grain is brought down to safe storage level within a matter of days; the fans can then be reversed to cool the grain and provide spoilage-free storage indefinitely.

The new Quonset dryer-storage building solves the problems faced by the increasing number of farmers who are harvesting early to avoid expensive field-losses. And it is priced within the average farmer's range. In comparison with other methods of drying and storing grain, the complete Quonset system costs 15% less. There is no fuel to buy. Its one operating cost—electricity for its fans—is almost 50% less than that of heated air-systems.

The labor-saving value of the new system is by itself outstanding. As Ernest Ham, who is using it on his farm near Saronville, Nebraska, puts it: "What I like best about this new set-up is that it condenses your work to the point where one man can nearly do it all."

Bitter Fruit

Turning on my radio the other night, I heard a familiar voice talking to other humans, who are in the profession of foreign correspondence.

From his talk I got the impression that he was trying to smear some honey into the professional beards of his listeners by telling them what great intelligence is required to be a foreign correspondent.

I thought to myself, what kind of intelligence would applaud the remarks he made in reference to the high office he once held. When it came to the phrase where he pointed out that they should get some original ideas of their own, I was forced to turn on another station.

What original ideas did he and his Democratic party ever have except create foreign wars with bloodshed, to disobey the Constitution, Heartbreaks for parents, debts, taxes and disregard for honor, decency and culture.

An ignorance of Truth, supported by many voters, of which the bitter fruit has not yet matured to plague us.

Appreciation

On behalf of the Session, I would like to extend to Paddock Publications the thanks of our entire congregation for your excellent written and pictorial coverage of the growth of our church and the construction of our new sanctuary.

I am sure that I speak for other congregations and other pastors when I say that this consistent concern and attention of your papers for things of enduring worth, and your consistent avoidance of that which is shallow or sensationalistic, is greatly appreciated.

We cannot help but feel that you are engaged, with us, in an overall ministry to the lives of homeloving people, and for this we are truly grateful.

THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Inc., Arlington Heights, Ill.

Precious Time

With the steady increase in our village population and the many civic problems that would arise due to this increase, I would think that our village board would give much more thought and consideration to the seriousness of these village problems than to spend their much needed time on trying to find a way to increase the package liquor stores from 3 to 6.

* * *

OUR VILLAGE has been strictly a residential one even down to the vetoing of manufacturing plants coming in. Six package liquor stores would certainly take this fine community out of the residential class as competition such as this causes a cheapening of the community and the business district.

Let the present number of package stores remain the same so that we may still enjoy the comforts of country living.

A concerned parent
and resident.

Ever Grateful

The Campfire Girls' association and the Bluebirds of Arlington Heights should like to publicly thank the Merle Guild American Legion post for their gifts of 5 American flags presented to our groups March 17, 1956. The girls are mighty proud of their flags and the wonderful country they represent.

* * *

ART Nelson who presented the flags to our groups gave a very interesting and enlightning story of our flags history and the respect due it. After his grand talk, we believe it woke us all up to the wonderful privileges we have in this marvelous country of ours and what an important part the flag plays.

We shall treat these flags with the respect due them and be ever grateful to the post for making this possible.

Mr. H. F. Pollitz
Arlington Heights
Campfire Girls' Assn.

European Baloney

I see the words, "Home Rule" mentioned in the Arlington Heights Herald. Shades of "Old Time Germany" when are you going to get rid of the stigma of, "Patronize Local Business," "Patronize Local Labor," "Buy Locally," "Keep the Money at Home," "Do you Represent a Local Business," "Are you a Resident."

This smacks of European baloney and is a sacrilege on the American scene and way of life. When trouble arises, the Home Rulers are the first to yell to their state capitols and Washington for help.

IT ALSO appears Arlington Heights is short of package liquor stores, but has an over abundance of fine factories that pay high wages and high taxes. It is indeed thoughtful to satisfy the thirst of its local citizens, but package likuor stores are not important. Huge payrolls and fine factories who pay taxes, are.

These in turn will help take care of all concerned, it will especially help build a new high school, not lean-to's to be built, torn down, and rebuild more lean-to's. (Shift education is not enough).

Richard C. Engel
Rt. 3, Box 248

Campbell Street

I see that our good gray-haired editor is again expressing concern over the fortunes of West Campbell st.

Some issues back he was advocating increased speed limits. Now we find that the street must be widened and pedestrians gotten out of the way.

One wonders whether friend editors' zeal for his version of betterment of West Campbell st. stems from a civic sense or if, perhaps, he is not just another entrant in the daily Grand Prix seeking an improved track.

Sidewalks are certainly a good idea. No one should be forced to attempt strolling along the right of way of West Campbell st. unless, perhaps, he be an advocate of increased speed limits.

Widening the street is another matter. Widening will permit and encourage higher speeds. I fail to see anything desirable in that.

Widening will doubtless necessitate cutting down many large, old and, in my opinion very beautiful trees.

What will this add to the community? The only location on West Campbell st. where traffic is now impeded more than a few seconds is in front of the A & P where a few boobs insist on parking in the middle of the street until a space opens up in the lot.

This section of West Campbell st. has been widened. The condition would not seem to argue for further widening.

Street widening is most certainly an expensive job. It seems to me that our vociferous advocates of turning West Campbell st. into a minor league Outer Drive should be called upon to explain the, so far, obscure advantages of their proposal.

R. F. Bogan
814 W. Campbell st.
Arlington Heights.

The Judiciary

Your readers may wish to be informed that Palatine may no longer have an independent judiciary in instances where a defendant wishes to avail himself of the privilege under state law of admitting that he was driving faster than the posted speed, but satisfying the judge that, at the particular time and place, the speed was not excessive. The Palatine magistrate and justices have been a credit to the community heretofore. It is unfortunate that the Village Board has taken an action which can be interpreted as indicating its wish that henceforth this fair provision of state law should be disregarded. A member of the Village Board has made the independence of the judiciary doubtful by indicating to the magistrate that traffic cases would be taken elsewhere if a certain line of decisions was continued.

Any defendant desiring to assert the defense in question should be informed that he is entitled to a change of venue if he takes oath that he believes he cannot have an impartial trial before the magistrate or justice chosen by the village.

An unfortunate aspect of the matter is that the magistrate must report convictions to the Secretary of State, even if he is forced to convict on a basis he believes to be improper.

The provision of state law in question does not exist entirely on behalf of the drivers. It enhances safety by permitting the posting of a speed limit lower than would otherwise be reasonable, to warn drivers that they must not go faster than this lower speed unless they can see that all is clear.

An Attorney.

Underpaid?

Th Prospect Heights school district has been seething with dissensions for some time.

In a mass meeting open to the public for a question and answer period, it developed that the targets of the fight were several new members of the board who have a few very vocal critics.

The discussions on the floor disclosed petty grievances that had been nurtured for some time and that should have been resolved through co-operative and free discussions between the members of th board themselves.

THE SUPERINTENDENT has made himself the focal point of the controversy.

A professional man of this caliber with a broad viewpoint should not find himself in this situation. Perhaps he is underpaid. From the salary figures quoted as being paid by other schools he, no doubt, is not receiving his just rewards.

Fairness

With election day close at hand and before the results are in, I want to take this occasion to compliment Paddock Publications and staff on the full news coverage given the campaign.

May I say that the fairness shown to all candidates did not pass unnoticed.

Philip Equi
Candidate for
Legislature.

Gullible

A popular song of another era, "Please Don't Talk about Me When I'm Gone," contained the words, "if you can't say anything that's nice; please don't talk at all is my advice."

Also about that time there was a book, "How to Win Friends and Influence People."

IT IS TOO bad that the Citizens for Better Government in Rolling Meadows are not better informed.

Their newsy pamphlet was not only in poor taste, but had all of the flavor of the TV program, ("I Led Three Lives,") which is supposed to illustrate the type of thinking in the Communist party.

Personally, I would like to know who writes articles of this type; and to have any effect, they certainly ought to be signed by the leader and officers of the group.

Anyone who would believe the alleged facts without knowing of the writer or his integrity is dangerously gullible.

LAST WEEK'S HEADLINES

Resume of front page news that appeared in various editions of Paddock Publications and other newspapers of the area that will keep readers informed on headline news of their neighbors.

WHEELING

Crowd determination overpowered legal confusion last Monday night and spurred Wheeling village board members to unanimously support police Chief Marvin Horcher against charges of non-cooperation by Village President Ed Gieseke.

Without hesitation the 6 board members passed a motion that Horcher "continue in office." There is, however, no indication that the major has dropped his fight to expel Horcher.

MT. PROSPECT

Mt. Prospect will be a member of the proposed Northwest Suburban Water commission if and when it is formed. The village board last week adopted a resolution to take action jointly with Arlington Heights, Palatine, Rolling Meadows, Des Plaines and Park Ridge to create the commission. Arlington Heights, Palatine, Rolling Meadows, Des Plaines and Park Ridge to create the commission. Arlington and Palatine have ready passed similar resolutions.

Four-way stop signs and a flashing beacon are to be installed at the intersection of Northwest hwy. and Central rd. in Mt. Prospect as a temporary measure, until traffic signals and crossing gates can be installed.

Village trustees went on record in favor of the widening of Central rd. to 4 lanes west of Northwest hwy. District 57 school officials, opposing the widening, claim it would create a hazard for children attending Central and Busse schools.

DU PAGE COUNTY

Pinball machines may be on the way out in Du Page county. County police acting under the orders of Sheriff Stanley Lynch raided a restaurant west of Winfield and confiscated a pinball machine as a gambling device.

Such machines have often been termed merely amusement devices and the case may end up in court as a test case. A state statute calls for a minimum $100 fine on a first conviction of possessing a gambling device.

County supervisors authorized an aerial survey of Du Page county last week. The project will cost $5,400 and is expected to help county assessors deicover properties not presently on the assessment rolls.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

As I sit here at the typewriter, the radio is singing sweet love songs into my ear. One after another it sings of aching hearts, longing hearts, yearning hearts, lonely hearts. Now I am no sage when discussing the merits or demerits of love, nor even, perhaps, defining just what love is. The dictionary defines it as a deep affection, which, in itself, means practically nothing, like many other definitions for the emotions. They don't even come close.

We laugh at 'teen age love, and speak reverently of mature love. It is something wonderful and fine, and holds two people together for a lifetime.

* * *

BUT ASIDE from the first passionate yearning desire that brings two people in the early stages of love together, real love is something altogether different.

Real love grows on one as a habit, like hanging your hat on a certain hook in a restaurant. It grows out of a need for companionship. It grows out of concern for your partner's welfare, and the deep satisfaction you get from protecting, giving joy or winning approbation from that partner. It grows out of a gradual union of two different personalities into one, where neither feels complete alone. It grows out of mutual confidences, out of dangers and joys shared, tragedies endured, and hopes realized or destroyed which were shared together. Real love can never be destroyed.

* * *

I LIKE to think of Paul's definition of charity, which, in the Bible, means love. Paul says: (charity) "Beareth all things, believeth all things, hopeth all things, endureth all things." it "suffereth long, and is kind: charity envieth not; charity vaunteth not itself, is not puffed up."

And love is all these things. The lover's greatest joy is the happiness of his wife and family, or his sweetheart, if he is single. Disunity can not last where love endures. The divorce court can not dissolve it. Death can not end it. It is the true and eternal physical, spiritual, and mental unity of two people living and loving, dreaming, working, sacrificing, hoping and enjoying happiness together.

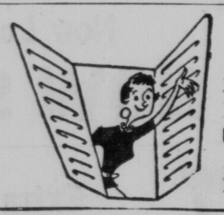
JUST AROUND THE CORNER



from Patty McArdle

Dear Peg:

It's a warm, sunny, spring day. I can see from my window purple and white crocuses, brown limbs dotted with tiny, sharp points of yellow green and over all the lawn, a pale green veil. It's one of those earliest spring days when suddenly you're aware of the fresh smell, the sounds and the feeling of new life. I suppose you are especially aware of this feeling of excitement if you yourself are thinking in terms of new life. Of course, I am and I know you are too, dear, so let's you and I talk "baby talk."

* * *

I THINK I'VE DONE remarkably well to have waited this long to start "outfitting" the cradle with its eyelet trimmed, white cotton "bumpers" and fresh new sheets and coverlets (usually this is done at least two months before the baby is due, necessitating several washings and ironings to keep the cradle "fresh"). You see, our baby is due to put in an appearance any time after the fifteenth of April, which means probably the thirtieth, so it's not oo early to start getting things in order. I even have shirts, gowns, sacques and extra diapers all set. However, for the first time, we are going to afford me the wonderful boon to motherhood—a mother's "best friend"—diaper service! The contact has been made, the reservation is in and for $3.00 a week, some nice man will climb to the third floor every Monday and Thursday bringing me more than enough clean, white diapers.

This is a far cry from the days when I went from third to basement every other day to wash and hang up at least thirty of those never ending white squares. Incidently this makes a wonderful gift to a new mother—especially during the first three months. I know several girls who went together on diaper service for a baby shower gift.

If this were my first baby, I would be buying many more fancy gowns, booties, bonnets, different kinds of shirts and probably sunsuits! I also would just have to have a bathinette and wouldn't consider putting our baby in anything but a large crib. Megan had dresses and clothes that we never touched and even with giving away for gifts, Bridget was outfitted with the overflow.

I WASTED SO MUCH TIME filling and letting water out of the bathinette, then cleaning and drying it thoroughly, to say nothing of the time spent wiping up water from the floor around it, even though it took up so much room in the bathroom there wasn't much floor around it. When Bridget came along, she had her bath in a dandy little plastic tub that I set right down in the kitchen sink (the bathinette had yellowed and begun to rot though only two and a half years old and had been carefully stored away for future babies.)

Washing Bridget in a small tub was a much faster, simpler and more comfortable method — more comfortable for me because it was higher than the bathinette and more comfortable for Bridget, I believe, because she was conscious of the small, secure and sturdy tub, rather than the frightening feeling, that I think Megan may have had, of being submerged in a great pool of water. A soft towel on the drain board beside the sink provided an excellent "table" on which to dry, powder and dress Bridget.

I'm sure now that it's much wiser and certainly more logical to put a new baby in a small, cozy place such as a bassinet or cradle (or your crib made smaller by large size "bumpers"), rather than laying such a wee one in the middle of a huge crib, when he has only so recently left the warm, small home in which he has lived for nine months. It would be something like asking you to give up your little bed for a nice spot in the middle of Soldier Field!

* * *

I'M SURE OUR BABY won't like booties, bonnets or long-sleeved shirts — the least he or she will have on, the happier he or she will be. Being a warm weather baby, clothing will be light weight and all summer, baby will live in those attractive and practical little batiste or seersucker, sleeveless, collarless shirts and a diaper.

As far as the way I've felt during this pregnancy, I've never been so relaxed. Teaching our nursery school has made the time go so fast and having had my babies by "natural childbirth" (and not considering any other way) there's no doubt about the method by which I shall have this one —

"Babies are bits of star-dust
Blown from the hand of God
Lucky the woman who
Knows the pangs of birth
For she has held a star."

Barretto

My love,
Patty.

QUITE CONTRARY

BY MARY

The time has come for us to make up a nice set of rules. All columnists make up a set of rules somewhere in their output of stuff for the unsuspecting public. It is like an occupational disease. And we have caught it.

So far most of the rules have had to do with behavior of children. Our young have come home with a code of ethics which, if followed faithfully, should do away with any discipline problems that teachers may have for all time. We read it. Our gal asked us if it was not a good thing. We assured her that it was indeed a good thing.

The one in high school has attended youth rallies, listened to speeches of members of other high schools that have also adopted a code of behavior for youth. It too is a jolly good set of basic things to do in order to be rid of that nasty appellation, "typical teenager."

Now, we think, is a good time to draw up a code of ethics for parents. We realize that parents have been nuzzled by writers too on how to behave like parents. It has been suggested that if mother and father were just a wee more careful the delinquency rate just might be less.

Some people that we have met resent the time that it takes to rear children. They hate being tied down, they dislike the responsibility and they are inclined to believe that life has dealt cruelly with them because they are tied down. These are the ones that wish the little monsters would go away.

There is no doubt that being a parent is a time consuming job. It is tote that barge, lift that bale, answer that question, check that movie, turn off that television, mind your manners day in and day out. For years a parent should just settle back and decide that most all extracurricular activities are out until this important job is through. We call it riding with the storm.

Keep those wonderful projects that take time away from home under your hat until the birds have flown. Another thing, while they are still in the nest, watch that learning to fly and know at all times where they are flying and just where it is that they are going to land.

Heavens to betsy, we have not said at all what we had planned on the subject. Must remember to get a large soap box. Must also remember what it is we wanted to say. Must also remember to wonder why we think we are so qualified at all to say anything. Well, back to the nest.
